

FAMILY MATTERS

Social Engineering In Family Matters

Jerome E. Lord

Social Engineering In Family Matters:

Social Engineering in Family Matters Burton Mindick,1986 Family Matters Nkiru Uwechia Nzegwu,2012-02-01

Prior to European colonialism Igboland a region in Nigeria was a nonpatriarchal nongendered society governed by separate but interdependent political systems for men and women In the last one hundred fifty years the Igbo family has undergone vast structural changes in response to a barrage of cultural forces Critically rereading social practices and oral and written histories of Igbo women and the society Nkiru Uwechia Nzegwu demonstrates how colonial laws edicts and judicial institutions facilitated the creation of gender inequality in Igbo society Nzegwu exposes the unlikely convergence of Western feminist and African male judges assumptions about traditional African values where women are subordinate and oppressed Instead she offers a conception of equality based on historical Igbo family structures and practices that challenges the epistemological and ontological bases of Western feminist inquiry *Family Matters* Alfred White Franklin,2013-10-22

Family Matters Perspectives on the Family and Social Policy covers the proceedings of the Symposium on Priority for the Family The book examines how a family might be strengthened and how any stresses society imposes on the family might be lightened The text consists of 20 chapters and discusses several issues concerning the family as a social unit such as environmental factors socio economic stress housing conditions poverty unemployment and the lack of options The book will be of great interest to readers concerned with the implications of social norms and standards for the family as a social unit

Family Values Isabel Heinemann,2023-10-04 Clashes over the American family and its values have always implicitly or explicitly addressed issues of gender and highlighted the significance of present and future families to American society This is the insight underpinning Isabel Heinemann s groundbreaking study which traces over the course of the twentieth century debates on the family and its role the relationship between the individual and society and individual decision making rights as well as their denial or curtailment Unpacking these issues in a vivid and innovative analysis the book recounts the prehistory of current conflicts over the family and gender while illuminating the relationship between social change normative shifts and the counter movements spawned in response to them **Family Matters** Hilde Løvdal

Stephens,2019-10-15 The first full length study of a pivotal figure in American evangelical faith James Dobson child psychologist author radio personality and founder of the Christian conservative organization Focus on the Family published his first book Dare to Discipline in 1970 and quickly became the go to family expert for evangelical parents across the United States as American evangelicalism rose as a major political force The family expert became a leading voice in the Reagan Revolution and played a role in making American evangelicals even more firmly associated with the Republican Party Dobson s principle beliefs are that the family is the center of Christian America and that the traditional family must be defended from perceived threats such as gay rights feminism abortion and the secularization of public schools Dobson and Focus on the Family dominated Christian media through print radio and online venues and their message reached millions of American

evangelical households shaping the cultural sensibilities and political attitudes of evangelical families throughout the culture wars from the 1980s into the 2000s **Family Matters** James Dobson and **Focus on the Family's Crusade for the Christian Home** by Hilde L. vdal Stephens is an insightful history and analysis of James Dobson's rise to fame effect on American evangelical culture and subsequent descent from relevance Extensively researched L. vdal Stephens scoured through Dobson's books articles and other materials published by Focus on the Family in order to explore how evangelicals defined and defended the traditional family as an ideal and as a symbol in an ever changing world By contextualizing the history of Dobson's reign L. vdal Stephens's discerning analysis fills an important gap in our understandings of the politics and culture of late twentieth century conservative Christianity in the United States She explores complex topics ranging from Dobson's celebration of what he believes are timeless biblical values such as maintaining strict and defined gender roles to the ways Dobson and Focus on the Family balanced their basic ideals with real everyday lives of average American evangelical families facing the realities of divorce working mothers and other perceived threats to the traditional family

The Blackwell Companion to the Sociology of Families Jacqueline Scott, Judith Treas, Martin Richards, 2008-04-15 Tackling issues relevant to family life today this authoritative Companion shows why studying social change in families is fundamental for understanding the transformations in individual and social life across the globe Contains original essays by expert contributors on a wide range of topics relating to the sociology of families Includes coverage of social inequality parenting practices children's work the changing patterns of citizenship and multi cultural families Gives special attention to European and North American examples Discusses previously neglected groups including immigrant families and gays and lesbians Explores how revolutionary changes in aging longevity and sexual behavior have radically affected the experience of different generations and the relationships between them

Annual Advances in Applied Developmental Psychology, 1987 Family Relations Timothy H. Brubaker, 1992-10-26 As the social world of American families feverishly changes single parent families dual career couples and blended families have quickly become the norm rather than the exception In **Family Relations** a distinguished group of leading family researchers including Joan Huber David Olson Hamilton McCubbin and Marilyn Coleman examines the social changes that have gripped society and explains their impact on family relationships and functioning Initial chapters address principal theories of change the remainder of the volume addresses the predominant challenges facing contemporary families such as work family interface violence family dysfunction family crisis divorce and the transition to marriage and parenthood The contributors make suggestions for change in family policy family therapy and family life education and conclude with an overview of the current state of families and future directions This comprehensive and interesting volume is for students family researchers sociologists psychologists counselors family life educators and policy analysts True to its aim it informs about the latest understandings and tools of intervention to help overcome the formidable challenges to the family there is some worthy scholarship to be found in this volume chapter 3 on gender and role

change is a lively and readable summary British Journal of Social Work This volume has much to offer For example the volume contains demographic information often needed by practitioners and policymakers at a moment s notice Literature reviews not only summarize research on a particular topic but also are organized around a theoretical framework Well known authors have contributed scholarly insightful commentaries on current family issues and challenges for the future In short this book provides information that practitioners and policymakers could use to do the following establish the need and rationale for programming and applied research justify the expenditure of funds for children and families ground their work in theory and research conduct in service education and consider program evaluation strategies This book is well written and provides a valuable resource for the intended readership I look forward to the second volume Journal of Marriage and the Family

The International Handbook of Sociology Stella R Quah,Arnaud Sales,2000-09-19 The most up to date survey of the range of research in contemporary sociology extremely useful to students teachers and researchers alike Indispensable for collective and personal libraries Immanuel Wallerstein Maison des Sciences de l Homme Paris This unique Handbook provides state of the art reviews of sociology conducted by prominent scholars Drawing on dedicated knowledge and expertise the book constitutes an unrivalled guide to the central theoretical and methodological perspectives in the discipline as a whole The book is organized into six parts o conceptual perspectives o social and cultural differentiation o changing institutions and collective action o demography cities and housing o art and leisure o social problems Each chapter includes a comprehensive review of the literature covering the full range of work from contrasting traditions of thought and approaches No existing work matches this Handbook for scholarly coverage and relevance It is a primary resource for understanding the discipline As such it will appeal to lecturers researchers and advanced graduate and undergraduate students in Sociology

Risk and Public Policy in East Asia Mutsuko Takahashi,2016-04-08 Contemporary Asian society is marked by social processes associated with the loss of stable economic growth and high employment family structures capable of caring for family members in need and governmental economic and political competence Post financial crisis job uncertainty and income and labor market polarization have become important issue in Asian societies Family structures are viewed as have been weakened with a corresponding rise in divorce and domestic violence Trust in the government is in decline Against this backdrop it is timely to review three critical issues 1 policies addressing work related risks and socio economic security 2 changes regarding the structure and stability of families and 3 issues concerning governance in times of

weakened state capacity declining trust and the emergence of new politics

Containing chapters written by international scholars this book introduces the concepts and theoretical approaches of risk and risk and governance and places them within the context of Asian societies

Quiverfull Kathryn Joyce,2009 Kathryn Joyce s fascinating introduction to the world of the patriarchy movement and *Quiverfull* families examines the twenty first century women and men who proclaim self sacrifice and submission as model virtues of womanhood and as modes of warfare on behalf of Christ Here women live within stringently enforced doctrines of wifely submission and male headship and live by the *Quiverfull* philosophy of letting God give them as many children as possible so as to win the religion and culture wars through demographic means From the Trade Paperback edition

Law for Social Workers Helen Carr,David Goosey,2019-06-17 *Law for Social Workers* has been supporting social work students and professionals for over 25 years Written by an expert team with practical experience this book provides the perfect combination of legal explanation and practical insight and is the ideal text to see students through their course and career This edition continues to provide an accurate jargon free account of the law social workers need to know with helpful diagrams and case studies included throughout to explain areas of difficulty and ensure understanding for students and professionals at all levels The 15th edition includes an expanded Social Worker s Toolkit offering practical advice on topics such as going to court preparing evidence and writing reports providing the ideal support while on placement or in the workplace Online resources The book is accompanied by the following online resources For students Video tutorials on a range of practical topics Multiple choice questions for students to test their knowledge Guidance on answering the exercises from the book Further reading suggestions Glossary of legal jargon For lecturers PowerPoint slide lecture outlines for each chapter Notes to accompany the slides with discussion of key issues to consider when teaching this area of law

Rebellion, Rascals, and Revenue Michael Keen,Joel Slemrod,2022-05-17 An engaging and enlightening account of taxation told through lively dramatic and sometimes ludicrous stories drawn from around the world and across the ages Governments have always struggled to tax in ways that are effective and tolerably fair Sometimes they fail grotesquely as when in 1898 the British ignited a rebellion in Sierra Leone by imposing a tax on huts and in repressing it ended up burning the very huts they intended to tax Sometimes they succeed astonishingly as when in eighteenth century Britain a cut in the tax on tea massively increased revenue In this entertaining book two leading authorities on taxation Michael Keen and Joel Slemrod provide a fascinating and informative tour through these and many other episodes in tax history both preposterous and dramatic from the plundering described by Herodotus and an Incan tax payable in lice to the misremembered Boston Tea Party and the scandals of the Panama Papers Along the way readers meet a colorful cast of tax rascals and even a few tax heroes While it is hard to fathom the inspiration behind such taxes as one on ships that tended to make them sink Keen and Slemrod show that yesterday s tax systems have more in common with ours than we may think Georgian England s window tax now seems quaint but was an ingenious way of judging wealth unobtrusively And Tsar Peter

the Great s tax on beards aimed to induce the nobility to shave much like today s carbon taxes aim to slow global warming Rebellion Rascals and Revenue is a surprising and one of a kind account of how history illuminates the perennial challenges and timeless principles of taxation and how the past holds clues to solving the tax problems of today **English Family**

Law Conrad Riker,101-01-01 ENGLAND S FAMILY COURTS LEGAL SLAVERY FOR MEN EXPOSED Ever feel like marriage turned you into a walking ATM Watched your kids and cash vanish in a biased courtroom Sick of being shamed for being a man while the law rewards betrayal This book delivers the raw truth Reveals how feminist radicals rewrote laws to punish husbands and fathers Exposes the hidden agenda that turned marriage into a male debt trap Debunks the equality myth with hard biology and psychology facts Details the legal tricks that strip men of rights homes and dignity Shows why the system treats fathers as disposable sperm donors Unmasks how woke ideologies sabotage rational family values Arms you with strategies to dodge the gynocratic legal minefield Proves why strong male leadership is non negotiable for survival If you want to break free from the marriage plantation and fight back buy this book today **The Role of Education in Enabling**

the Sustainable Development Agenda Stephanie E.L. Bengtsson,Bilal Barakat,Raya Muttarak,2018-03-05 The Role of Education in Enabling the Sustainable Development Agenda explores the relationship between education and other key sectors of development in the context of the new global Sustainable Development Goals SDG agenda While it is widely understood that there is a positive relationship between education and other dimensions of development and populations around the world show a clear desire for more and better education education remains an under financed and under prioritised sector within development When education does make it onto the agenda investment is usually diverted towards increasing access to formal schooling without focusing on the intrinsic value of education as a tool for development within the international development community more broadly The authors explore these tensions through a review of literature from a range of disciplines providing a clearer picture of the relationship between education and other development sectors The book challenges silo thinking in the SDGs by exploring how achieving the SDG education targets can be expected to support or hinder progress towards other targets and vice versa Drawing on examples from both low and high income countries the book demonstrates how good education functions as an enabling right impacting positively on many other areas The book s scope ranges across education and development studies economics geography sociology and environmental studies and will be of interest to any researchers and students with an interest in education and the SDGs **Legal**

Recognition of Non-Conjugal Families Nausica Palazzo,2021-02-25 This book argues that insufficient recognition of new families is a legal problem that needs fixing in light of recent evolutions in family patterns and normative conceptions of family People increasingly invest in relationships falling outside the model of the marital family such as non conjugal unions of friends or relatives polyamorous relationships and various religious based families Despite this Western jurisdictions retain the marital family as the relevant basis for allocating family law benefits rights and obligations Part I of the book illustrates

recent evolutions in family patterns and norms and explores how law can accommodate multiple family grids without legal recognition involving normalisation Part II focuses on courtroom litigation on the basis that courts nowadays are central avenues of social change It takes non conjugal families as a case study and provides an analysis of the most compelling argumentative strategies that non conjugal families can mobilise to pursue legal recognition in Canada and the United States and within the systems of the European Convention of Human Rights and the European Union Through its comparative interdisciplinary and critical legal method the book provides scholars activists and policymakers with conceptual tools to tackle the current invisibility of new families Further by advancing legal arguments to enhance the protection of non conjugal families in courtrooms the book illuminates the different approaches jurisdictions are likely to take and the hindrances thereof to overcome and debunk stereotypes associated with proper familyhood

Risk and Public Policy in East Asia

Lillian Lih-rong Wang,Mutsuko Takahashi,Dr Raymond K H Chan,2012-12-28 Contemporary Asian society is marked by social processes associated with the loss of stable economic growth and high employment family structures capable of caring for family members in need and governmental economic and political competence Post financial crisis job uncertainty and income and labor market polarization have become important issue in Asian societies Family structures are viewed as have been weakened with a corresponding rise in divorce and domestic violence Trust in the government is in decline Against this backdrop it is timely to review three critical issues 1 policies addressing work related risks and socio economic security 2 changes regarding the structure and stability of families and 3 issues concerning governance in times of weakened state capacity declining trust and the emergence of new politics Containing chapters written by international scholars this book introduces the concepts and theoretical approaches of risk and risk and governance and places them within the context of Asian societies

Normalizing the Ideal

Mona Lee Gleason,1999-01-01 Postwar insecurity about the stability of family life became a platform to elevate the role of psychologists in society Their ideal of normal as the healthy goal for society marginalizing and silencing those who did not fit the model

Social Engineering In Family Matters: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. Social Engineering In Family Matters : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
