Social Policy A Critical Introduction Issues Of Race Gender And Class:

Social Policy Fiona Williams, 1989 This major new introductory textbook in social policy breaks new ground in arguing for the centrality of race gender and class in welfare theory and practice The book describes and evaluates the major theoretical perspectives on welfare as well as the different strands of feminism and work on racism which are relevant to social policy The author develops a new analytical framework for the study of the welfare state which takes account of factors deriving from capitalism patriarchy racism and the international division of labour This framework is then used to re examine the major developments in the history of the welfare state in Britain from the nineteenth century to the so called crisis of the welfare state today Fiona Williams draws out the implications of her approach for current debates about welfare policy and strategy Social Policy is an indispensable introductory text for all students and teachers of social policy and administration who want a clear challenging and politically relevant approach to welfare studies

Sociology and Social Work Jo Cunningham,Steve Cunningham,Alice O'Sullivan,2022-09-23 Sociological perspectives can be used to analyse societal and structural influences on human behaviour at individual group and community levels The authors link sociological concepts debates and theories relating to key areas such as poverty social exclusion education social class and social justice to develop your students understanding of how sociological perspectives will impact upon their social work placements and practice This book begins by taking you step by step through the ins and outs of why sociology is important to social work It explains the relevance of sociology to everyday social work practice introducing you to the core sociological perspectives that you ll need to get to grips with during your course including functionalism Marxism symbolic interactionism and postmodernism The book then moves on to explore various social issues in detail i e poverty social class social exclusion education moral panics with extended case studies activities and links to skills in practice illustrating the many opportunities and challenges that each aspect brings to everyday practice There are also important chapters on family community and the

role of sociology in social work training Gender Equality in Public Services Hazel Conley, Margaret Page, 2014-11-13 The provision of state funded and democratically accountable care services represents one of the most potentially transformative advances in gendered social relations and equality for women by defamilizing care and providing paid work But the cost of providing these services which women have access to them and how they should be provided are always at the forefront of debate especially during economic crises Socially funded and publicly accountable care services are therefore a key site of feminist activity but also the frontline for spending cuts and reform during times of austerity Gender Equality in Public Services analyses how gender equality work in British public services is changing in response to factors including equality legislation the erosion of local democracy privatisation of public services and new forms of feminist activism and leadership It also assesses the challenges and opportunities for promoting women s equality in producing and using public services Impacting upon developed and developing economies the arguments in this challenging book explore the potential of equality and feminist activism and leadership for radical and transformational change It will appeal to advanced students researchers and practitioners interested in social policy feminist organization theory equal opportunities and gender mainstreaming practice **The Meaning of Care** Bernhard Weicht, 2015-04-11 Bernhard Weicht provides a multi layered analysis of how we understand and construct care in everyday life the meanings it has for ourselves our families our relationships identities and our sense of society and what is right and proper making an original contribution to the discussion of the nature of care ethics and its political potential *Reconfiguring Citizenship* Mehmoona Moosa-Mitha, 2016-03-23 Citizenship as a status assumes that all those encompassed by the term citizen are included albeit within the boundaries of the nation state Yet citizenship practices can be both inclusionary and exclusionary with far reaching ramifications for both nationals and non nationals This volume explores the concept of citizenship and its practices within particular contexts and nation states to identify whether its claims to inclusivity are justified This will show whether the exclusionary dimensions experienced by some citizens and non citizens are linked to deficiencies in the concept country specific policies or how it is practised in different contexts The interrogation of citizenship is important in a globalising world where crossing borders raises issues of diversity and how citizenship status is framed This raises the issue of human rights and their protection within the nation state for people whose lifestyles differ from the prevailing ones Besides highlighting the importance of human rights and social justice as integral to citizenship it affirms the role of the nation state in safeguarding these matters It does so by building on Indigenous peoples insights about linking citizenship to connections to other people and the environment and arguing for the inalienability and portability of citizenship rights guaranteed collectively through international level agreements These issues are of particular concern to social workers given that they must act in accordance with the principles of democracy equality and empowerment However citizenship issues are often inadequately articulated in social work theory and practice This book redresses this by providing social workers with insights knowledge values and skills

about citizenship practices to enable them to work more effectively with those excluded from enjoying the full rights of citizenship in the nation states in which they reside

The Social Science Encyclopedia Adam Kuper, 2004-10-14 The Social Science Encyclopedia first published in 1985 to acclaim from social scientists librarians and students was thoroughly revised in 1996 when reviewers began to describe it as a classic This third edition has been radically recast Over half the entries are new or have been entirely rewritten and most of the balance have been substantially revised Written by an international team of contributors the Encyclopedia offers a global perspective on key issues within the social sciences Some 500 entries cover a variety of enduring and newly vital areas of study and research methods Experts review theoretical debates from neo evolutionism and rational choice theory to poststructuralism and address the great questions that cut across the social sciences What is the influence of genes on behaviour What is the nature of consciousness and cognition What are the causes of poverty and wealth What are the roots of conflict wars revolutions and genocidal violence This authoritative reference work is aimed at anyone with a serious interest in contemporary academic thinking about the individual in society

Exploring Welfare Bricolage in Europe's Superdiverse Neighbourhoods Jenny Phillimore, Hannah Bradby, Tilman Brand, Beatriz Padilla, Simon Pemberton, 2021-05-24 Migration driven diversity means European cities are becoming increasingly superdiverse Some European neighbourhoods have become places where newcomers arrive from across the world speaking many different languages from a range of socio economic backgrounds and with diverse religious beliefs and practices while living alongside long established migrant and white European populations This book focuses on what this increasing population diversity means for how people and local health and welfare service providers seek to address everyday health concerns from minor and chronic conditions to acute and urgent problems Using an innovative mixed method approach crossing multiple disciplines and drawing together rich qualitative and robust quantitative data this book offers unique insight into the complex and intricate actions which often vary over space and time implemented by both residents and care providers from eight superdiverse localities in four European countries each with different health and welfare traditions The book introduces the concept of welfare bricolage using it as a mechanism to explore the structures and rationales underpinning need and actions and how resources are connected across welfare regimes and borders and within locales The book illustrates how in the face of increasingly marketised cash strapped restrictive and institutionally racist welfare states and healthcare regimes individuals and service

providers strive to address need By focusing on welfare regimes migration histories everyday actions and resources within neighbourhoods Exploring Welfare Bricolage in Europe s Superdiverse Neighbourhoods offers a unique insight into what people and providers actually do when faced with health concerns The book highlights the role of structure and agency and moves beyond conventional approaches that focus on specific groups or sectors to research health and welfare by looking at whole populations and entire welfare ecosystems The book s theoretical methodological and empirical contributions will be of use to scholars practitioners and policymakers interested in welfare healthcare diversity and migration

Changing Relations of Welfare Åsa Lundqvist, 2016-04-15 Changing Relations of Welfare is concerned with the complexities of family relations and practices in the recent past and how these have been imagined addressed or elided in present policy making It uses rich and varied sources to offer an innovative approach to the analysis of meanings afforded to the family in different policy legal and welfare contexts in Sweden Denmark and Britain This book considers how debates about responsibility obligation and rights have been gendered in social policy and welfare practice whilst also focusing upon the intersections of family gender race and ethnicity and the different ways in which legislation and policy in northern Europe have been used to regulate not only immigration but also the lives of migrant families Presenting a historically informed comparative analysis of the shifting dynamics in the relationship between family and the state this volume offers new pathways for exploring questions of change and continuity
