Catherine Briscoe, David N. Thomas

Social Values Objectives And Action Social Services Management Series:

Community Work Catherine Briscoe, David N. Thomas, 2021-11-07 The growth of interest in community work during the seventies was very marked But while much had been written on the actual practice of community work there was for too long a lack of British material on the vital subjects of useful theory training and the development of skills In this title originally published in 1977 the authors brought together for the National Institute for Social Work experienced teachers and practitioners of community work in an integrated and carefully structured textbook which would further understanding of the means through which community workers develop their knowledge and skills it would be widely welcomed by all those involved in aspects of community work as teachers students practitioners supervisors and as local authority training officers The first part of the book has four chapters on the principle means through which community workers develop their skills within their employing agencies Part two deals with theories and the contribution made to community work by the social sciences group work research methods and management and planning studies The last part of the book contains three papers which examine the major problems and issues in the placement learning experiences and assessment of students on field work [Library of Congress Catalogs](#) Library of Congress, 1978 **Human Services Bibliography Series** , 1978-02
