

SOCIAL CHANGE

Social change is defined by sociologists as alterations in the basic structures of society or a social group.

APPROACHES

Structural-functionalism

Social change should serve the best interests of society, with the goal of maintaining equilibrium and balance within the social system.

Conflict Theory

Social change happens suddenly when conflict boils over, upending the status flow.

EXAMPLE

The Industrial Revolution

The Industrial Revolution was a period of significant social and economic change marked by the widespread development of new technologies, transportation and communication systems, and the growth of factories and mass production. Urbanization, labor rights, and women's rights took center stage.

Social Work And Social Change In Canada

RJ Shavelson

Social Work And Social Change In Canada:

Social Work and Social Change in Canada Brian Wharf,1990 *Encyclopedia of Canadian Social Work* Francis J. Turner,2009-07-23 All of us as Canadians are touched throughout our lives by some aspect of social welfare either as recipients donors or taxpayers But despite the importance of the social network in our country there has been no single source of information about this critical component of our society Even professionals in the field of social work or social services have not had a comprehensive volume addressing the myriad features of this critical societal structure The Encyclopedia of Canadian Social Work fills this need Over five hundred topics important to Canadian social work are covered written by a highly diverse group of social workers covering all aspects of the field and all areas of the country Practitioners policy makers academics social advocates researchers students and administrators present a rich overview of the complexity and diversity of social work and social welfare as it exists in Canada The principal finding from this project underscores the long held perception that there is a Canadian model of social work that is unique and stands as a useful model to other countries The Encyclopedia of Canadian Social Work will be an important source of information both to Canadians and to interested groups around the world The Encyclopedia of Canadian Social Work is available in e book version by subscription or from university and college libraries through the following vendors Canadian Electronic Library Ebrary MyiLibrary and Netlibrary

Social Work, Social Justice & Human Rights Colleen Lundy,2011-01-01 The second edition of this popular social work practice text more fully addresses the connection between social justice and human rights

Disability and Social Change Jeanette Robertson,2020-07-10T00:00:00Z This edited collection uses a critical theory perspective and draws on expertise from a range of contemporary policy and practice areas Contributors include people with disabilities family members researchers academics and practitioners This book is an ideal text for students of social work human services child and youth care and disability studies Chapters include first person accounts from persons with disabilities perspectives of families and historical perspectives as well as a critical exploration of demographics human rights issues disability legislation and policy in Canada theoretical approaches to disability intersectionality and disability Aboriginal people and disability mental health disability principles of anti ableist practice advocacy and strategies for change This book offers as a fresh Canadian perspective on disability from a critical lens challenging and inspiring students and practitioners alike to think outside the box and to examine their own attitudes and values toward disability ensuring that they do not inadvertently impose ableist and oppressive practices on one of Canada's most marginalized populations

Professional Ideologies and Preferences in Social Work Idit Weiss,John Gal,John C. Dixon,2003-12-30 Weiss Gal Dixon and their contributors provide the first large scale cross national and cross cultural examination of the views and the perceptions of social workers through this analysis of graduating social worker students on the threshold of their careers in social work They identify and analyze the graduating social work students attitudes towards the sources of social distress the preferred ways to deal with social

problems the goals of social work and their professional preferences with regard to client groups types of professional activity and place of work Since first being practiced more than a century ago social work has become an international profession and is today an integral part of the social services in many different countries However as Weiss Gal Dixon and their contributors make clear there is a distinct lack of ideological consensus over the goals tasks desired technologies major client groups the preferred sector in which to operate and a variety of other issues Throughout its history social work has undergone a constant process of change nonetheless despite the existence of a common professional core social work is quite clearly socially constructed and takes very different forms in the various national settings throughout the world This book provides the first large scale cross national and cross cultural examination of the views and perceptions of social workers through an analysis of graduating social worker students at the threshold of their careers in social work The country chapters identify and analyze the graduating social work students attitudes towards the sources of social distress the preferred ways to deal with social problems the goals of social work and their professional preferences with regard to client groups types of professional activity and place of work Experts on social work provide analyses on Australia Brazil Canada Germany Hong Kong Hungary Israel the United Kingdom the United States and Zimbabwe

History of Canadian Social Welfare: Oxford Bibliographies Online Research Guide Oxford University Press,2010-05-01 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.aboutobo.com

Spirituality and Social Justice: Spirit in the Political Quest for a Just World Cyndy Baskin,Norma Jean Profitt ,2019-11-20 Spirituality and Social Justice explores how critically informed spirituality can serve as an inspiration and a political force in the quest for social and ecological justice Writing from various spiritual and religious worldviews including Indigenous Islamic Wicca Witchcraft Jewish Buddhist and Christian the authors practitioners and academics of social work draw on lived experience research and literature to illuminate how relationship with spirit can

orient ways of being and acting to build a more just society In Part One the authors foreground Indigenous spirituality as resistance and decolonization Part Two examines the complex ethical and political dimensions of spirituality including the ecological destruction of the Earth and the influence of contemporary neoliberalism Lastly Part Three explores spirituality in teaching and learning contexts both inside and beyond the classroom Engaging and well written Spirituality and Social Justice challenges the notion that practitioners must put aside their critical spirituality in teaching learning healing and practice Students practitioners and academics of social work and other helping professions will benefit from the unique insights into spirituality and religion and how they inform social justice activism

Encyclopedia of Social Welfare History in North America John M. Herrick, Paul H. Stuart, 2005 This encyclopedia provides readers with basic information about the history of social welfare in Canada Mexico and the United States The intent of the encyclopedia is to provide readers with information about how these three nations have dealt with social welfare issues some similar across borders others unique as well as to describe important events developments and the lives and work of some key contributors to social welfare developments

Canadian Social Policy Anne Westhues, Brian Wharf, 2012-05-25 Social policy shapes the daily lives of every Canadian citizen and should reflect the beliefs of a majority of Canadians on just approaches to the promotion of health safety and well being Too often those on the front lines social workers nurses and teachers observe that policies do not work well for the most vulnerable groups in society In the first part of this new edition of Canadian Social Policy Westhues and Wharf argue that service deliverers have discretion in how policies are implemented and the exercise of this discretion is how citizens experience policy whether or not it is fair and reasonable They show the reader how social policy is made and they encourage active citizenship to produce policies that are more socially just New material includes an examination of the reproduction of systemic racism through the implementation of human rights policy and a comparative analysis of the policy making process in Quebec and English Canada The second part of the book discusses policy issues currently under debate in Canada Included are new chapters that explore parental leave policies and housing as a determinant of health All chapters contain newly updated statistical data and research and policy analysis A reworked section on the process of policy making and the addition of questions for critical reflection enhance the suitability of the book as a core resource in social policy courses The final chapter explores how front line workers in the human services can advocate for change in organizational policies that will benefit the people supported

Social Work Artfully Christina Sinding, Hazel Barnes, 2015-04-20 The past two decades have witnessed a vigorous challenge to social work A growing global convergence between the market and the public sector means that private sector values priorities and forms of work organization increasingly permeate social and community services As challenges facing people and communities become more layered and complex our means of responding become more time bound and reductionist This book is premised on the belief in the revitalizing power of arts informed approaches to social justice work it affirms and invites creative responses to personal community and political

struggles and aspirations The projects described in the book address themes of colonization displacement and forced migration sexual violence ableism and vicarious trauma Each chapter shows how art can facilitate transformation by supporting processes of conscientization and enabling re-storying of selves and identities by contributing to community and cultural healing sustainability and resilience by helping us understand and challenge oppressive social relations and by deepening experiences images and practices of care Social Work Artfully Beyond Borders and Boundaries emerges from collaboration between researchers educators and practitioners in Canada and South Africa It offers examples of arts informed interventions that are attentive to diversity attuned to various forms of personal and communal expression and cognizant of contemporary economic and political conditions

One Hundred Years of Social Work Therese Jennissen, Colleen Lundy, 2011-02-17 One Hundred Years of Social Work is the first comprehensive history of social work as a profession in English Canada Organized chronologically it provides a critical and compelling look at the internal struggles and debates in the social work profession over the course of a century and investigates the responses of social workers to several important events A central theme in the book is the long standing struggle of the professional association the Canadian Association of Social Workers and individual social workers to reconcile advancement of professional status with the promotion social action The book chronicles the early history of the secularization and professionalization of social work and examines social workers roles during both world wars the Depression and in the era of postwar reconstruction It includes sections on civil defence the Cold War unionization social work education regulation of the profession and other key developments up to the end of the twentieth century Drawing on extensive archival research as well as personal interviews and secondary literature the authors provide strong academic evidence of a profession that has endured many important changes and continues to advocate for a just society and a responsive social welfare state One Hundred Years of Social Work will be of interest to social workers social work students and educators social historians professional associations and anyone interested in understanding the complex nature of people and institutions

Social Welfare, 1929 **Generation, Discourse, and Social Change** Karen R. Foster, 2013 Just what is a generation And why if at all does it matter This book asks what generation means to ordinary people arguing that generation is real and it matters but not in the ways that we think Generations are not groups of people who can be categorized and attributed with static immutable and universal characteristics nor are they reducible to cohorts as is the tendency in much social research Rather the book reveals generation to be a social phenomenon and a mechanism of social change as a constellation of ideas and discourses that explains what happens when ideas and ideals collide and why some discourses flourish and take hold at particular times

Culture and Social Change Marguerite Mendell, 1992 **Critical Social Work Praxis** Sobia Shaheen Shaikh, Brenda A. LeFrançois, Teresa Macías, 2022-03-31T00:00:00Z What we think must inform what we do argue the editors and authors of this cutting edge social work textbook In this innovative expansive and wide ranging collection leading social work thinkers

engage with social work traditions to bridge social work theory and practice and arrive at social work praxis a uniting of critical thought and ethical action Critical Social Work Praxis is organized into sixteen sections each reflecting a critical social work tradition or approach Each section has a theory chapter which succinctly outlines the tradition s main concepts or tenets a praxis chapter which shows how the theory informs social work practice and a commentary chapter which provides a critical analysis of the tensions and difficulties of the approach The text helps students understand how to extend theory into praxis and gives instructors critical new tools and discussion ideas This book is the result of decades of experience teaching social work theory and praxis and is a comprehensive teaching and learning tool for the critical social work classroom

Social Work Theories and Methods Mel Gray, Stephen Webb, 2012-12-14 The second edition of this celebrated book by two of the world s leading researchers in social work introduces readers to the main theories theorists and perspectives that contribute to the debate on social work theory and social work methods It brings together some outstanding international researchers in social work to challenge the reader to critically question how they think about social work The new edition includes a focus on the psychosocial perspective with three new chapters on Cognitive behavioural approaches Attachment theory and psychoanalytic social work Ecological approaches Each chapter allows the reader to relate the theories and methods discussed to their own personal experiences This reader friendly book includes student questions glossaries and recommended reading so that students and practitioners can reappraise and expand the knowledge they have learned This book will be valuable for undergraduate and postgraduate students taking courses in social work theory and research methods social work interventions and perspectives as well as post qualifying students and researchers in social work

The Oxford Handbook of Power, Politics, and Social Work Rajendra Baikady, Jaroslaw Przeperski, Sajid S.M., M. Rezaul Islam, 2024 This Handbook examines the impetus for the development growth and relevance of social work as a profession in different political social and cultural contexts Contributions align with overarching contemporary themes such as changing governance structures around the world digitalization and globalization and decolonization The book is also in line with the advancement of global agendas for social work and social development led by the IASSW ICSW IFSW This contemporary text engages comprehensively with diverse political systems across the world and explores the interactions with and implications for social work policy practice and education in these countries and globally

Group Work With Populations at Risk Geoffrey L. Greif, Paul H. Ephross, 2010-10-07 Group Work With Populations at Risk Third Edition is a fundamental resource for practitioners in health and mental health settings and a comprehensive guidebook of group work skills Geared toward students and professionals gaining a beginning understanding of groups this volume describes how to work with vulnerable populations that include returning war veterans Latino and Latina immigrants women and men who were abused as children children of divorce and people struggling with substance abuse AIDS cancer or chronic mental illness Each chapter describes the population and reviews the relevant literature identifies themes and practice principles

presents a case illustration provides evaluation guidance and refers readers to key references and web resources Each one is designed to stand alone for easy reference and overviews of skill building and evidence based practice make this a timely comprehensive resource for group leaders regardless of specialty

North American and European Perspectives on Sustainability in Higher Education Walter Leal Filho,Julie Newman,Amanda Lange Salvia,Laís Viera Trevisan,Laura Corazza,2025-04-02

The scientific cultural and diplomatic relations between Europe and its partners in North America are very strong From a scientific point of view this long standing cooperation has taken place across a wide range of areas They include the field of sustainability where North America and Europe are working hand in hand seeking solutions to the many regional and global problems currently faced Against this backdrop and in order to facilitate a broad discussion on the contribution of higher education institutions from both sides of the Atlantic towards a more sustainable future this book is being produced The book gathers inputs from universities and research organizations on the one hand but also from companies and enterprises on the other from Europe and North America working on matters related to sustainable development in a higher education context It also provides a platform for the dissemination of information on the latest initiatives paving the way for technology transfer and networking Furthermore the book intends to provide a fertile basis upon which European and North American organizations may cooperate more closely in this key area Last but not least a further aim of the book is to present methodological approaches and experiences deriving from case studies and projects which aim to show how sustainability in North America and in Europe may be enhanced in practice

The Emergence of Social Security in Canada Dennis T. Guest,1997-01-01 The Emergence of Social Security in Canada has become a standard text in social work and related courses in post secondary institutions across Canada It is the first and most detailed history of Canadian social security from colonial times to the present This book analyzes the major influences shaping the Canadian welfare state A central trend in Canadian social security over most of the twentieth century has been a shift from a residual to an institutional concept The residual approach which dominated until the Second World War posited that the causes of poverty and joblessness were to be found within individuals and were best remedied by personal initiative and reliance on the private market However the dramatic changes brought about by the Great Depression and the Second World War resulted in the rise of an institutional approach to social security Poverty and joblessness began to be viewed as the results of systemic failure and the public began to demand that governments take action to establish front rank institutions guaranteeing a level of protection against the common risks to livelihood Thus the foundations of the Canadian welfare state were established The Emergence of Social Security in Canada is both an important historical resource and an engrossing tale in its own right and it will be of great interest to anyone concerned about Canadian social policy
