Social Work Ideals And Practice Realities:

Social Work Ideals and Practice Realities Mark Lymbery, Sandra Butler, 2018-06-26 Social work practice is becoming increasingly complex with social workers struggling to hold onto their ideals and values in a pressurized and challenging social political and organizational environment This book provides an analytically coherent approach to the impact of macro mezzo and micro factors upon practitioners daily experiences In taking a positive view of social work s potential and capacity to deliver beneficial services detailed guidance is offered of cutting edge creative practice with a variety of user groups

Radical Social Work in Practice Iain Ferguson, Rona Woodward, 2009-05-14 APPROVED BY AUTHOR Radical social work is a tradition often identified exclusively with the movement which developed in the UK in the 1970s However this much needed new textbook the first student text devoted to radical social work demonstrates that the relevance of radical approaches to contemporary social work practice have never been stronger Challenges to a neoliberal approach to social work have been gaining ground academically and with practitioners This book provides a true vision of the radical tradition and shows how it can be developed in contemporary social work Using case studies and a problem based learning approach to illustrate the type of dilemmas faced by workers in their day to day practice the book sets out the ways in which a radical social work approach can inform constructive responses It emphasises the need to understand the diverse lives of service users encouraging readers to share experience and knowledge and to discuss past and present events to build confidence in tackling injustice at individual and societal levels As many social workers are becoming disillusioned and dissatisfied with the bureaucracy and regulation in the profession this book promotes a practice that is rooted in a commitment to positive change and to social justice that will offer a breath of fresh air to students and practitioners alike Social Work Steve

Rogowski, 2020-09-02 Rogowski s second edition of this bestselling textbook responds to the major changes to social work practice since the first edition was published It is fully revised and updated to include new material that is essential for students and practising social workers today Taking a critical perspective Rogowski evaluates social work s development nature and rationale over approximately 150 years He explores how neoliberalism is at the core of the profession s crisis and calls for progressive critical and radical changes to social work policy and practices based on social justice and social change This new edition is substantially updated to explore the impact of austerity policies since 2010 failures to realise the progressive possibilities which followed the death of Baby P contemporary examples of critical and radical practice It also includes a range of student friendly features including chapter summaries key learning and discussion points and further reading **Social work** Rogowski, Steve, 2010-10-27 This book traces the changing fortunes of radical and critical social work and examines the theory context and application of such approaches Radical social work of the 1970s declined as the rise of neoliberalism over subsequent decades changed the nature of the welfare state along with what social workers do and how A looser critical approach developed although practitioner demoralisation and disillusionment led to the second wave of

radical social work in the late 2000s Despite challenges critical practice is both necessary and possible in the neoliberal world Core areas of practice with children and families are covered including some real life case studies key point summaries and suggestions for further reading The essential argument is for an emancipatory practice geared to meeting immediate needs as well as having some vision of a future more socially just and equal society The book will be invaluable to undergraduate and postgraduate social work students experienced practitioners educators managers and policy makers

Social Work Process and Practice David Watson, Janice West, 2006-04-13 This new textbook examines the knowledge skills and values that underpin and inform current social work practice and processes With a clear focus on skills social work processes and the suitability of different methods Watson offers students a toolkit for applying theoretical frameworks to actual practice situations

Organisations and Management in Social Work Mark Hughes, Michael Wearing, 2016-10-29 Providing a comprehensive and critical examination of the complex issues involved in the management and organisational contexts of social work practice this book will help readers to Critically evaluate organisational theory managerial techniques and organisational structures Develop strategies for ethical and reflective organisational practice Understand how to plan and manage change in learning organisations Unpick important themes such as leadership supervision risk decision making and accountability Explore the potential for increasing service user and worker participation in organisations

Social Work and Power Roger Smith, 2018-06-26 Power is an unavoidable issue in social work This important text explores these complex issues both at a conceptual and applied level in order to give students a clear understanding of the theoretical frameworks relevant to practice and to help them begin to think through the challenges they are likely to face and how they will deal with these

Social Work Practice Eileen Gambrill, 2012-10-31 The first textbook to emphasize the importance of critical thinking skills to practice this third edition of the classic Social Work Practice retains its unique focus on thinking critically about decisions that social workers make daily Organized around the phases of helping this hands on introduction highlights the decision points that social workers encounter during assessment intervention and evaluation This text together with its companion website provides students with a wealth of hands on exercises for developing and assessing their practice skills Most importantly it helps students enhance client well being by becoming critical thinkers and evidence informed practitioners

Critical Social Work June Allan, Linda Briskman, 2020-07-16 Another important contribution to the growing literature on critical social work It is on the cutting edge of thinking about social work and its goal of social change Kate van Heugten Social Work Review Critical Social Work starts from the premise that a central goal of social work practice is social change to redress social inequality Taking a critical theoretical approach the authors explore the links between personal and social change They confront the challenges for critical social work in the context of pressures to separate the personal from the political and in responding to the impact of changes in the socio political statutory and global contexts of practice Critical Social Work has been thoroughly revised to take into account recent social economic and political

developments Coverage of theoretical frameworks has been substantially expanded and reflects current concerns such as evidence based practice and human rights The causes of people s marginalisation and oppression are examined in relation to class race ethnicity gender and other forms of social inequality Case study chapters in the earlier edition on working with immigrants Indigenous people women men families people with psychiatric disabilities and those experiencing loss and grief have been updated and revised The second edition includes new case study chapters on disability older people children rurality and violence and abuse Critical Social Work is an essential resource to inform progressive social work practice

Studying for your Social Work Degree Hilary Walker,2011-05-24 This fully revised new edition looks at how students can make the most from their time studying on the social work degree Focusing on each of the three years of study the author skilfully unpicks the critical thinking reflection and study skills essential for the completion of the degree There are sections on autonomous learning writing academically communication skills and developing critical analysis and argument This second edition has more information on how students learn what makes for excellence in social work research and how students can successfully integrate their skills with their practice

Social Work and the Transformation of Adult Social Care Lymbery, Mark,Postle, Karen,2015-04-15 Reforms as well as cuts in services and finances are part of the everyday fabric of the social work landscape Taking a critical approach to the transformation agenda in social work this book outlines the implications of these changes for adult health and social care Fully informed by theory research policy and legislation it takes a problem based learning approach through the application of case studies explaining and exploring the overlapping roles of social care and social policy The authors argue for the continued significance and importance of social work within the context of adult social care social work they show can make a vital difference in the lives and experiences of many of those who are perceived to be the most vulnerable people in society It is essential reading for students educators and practitioners of social work and social policy and health and social care

Social Work with Older People Mark Lymbery,2005-11-03 This book provides an up to date and authoritative overview of the development of social work with older people in the UK The coherent structure draws together the key themes involved in working with older people and clearly demonstrates how to translate these into real life practice Key features of the book include Establishes an understanding of the policy context within which social work takes place with particular attention to key topics such as inter professional collaboration and ethics Goes beyond other textbooks to challenge the restricted nature of social work practice and adopts a positive view of its potential to benefit older people An engaging and practice led approach which includes student friendly features and detailed practice scenarios Satisfies the curriculum benchmarks and National Occupational Standards that structure social work training and practice Written by a leading academic this is a key text for social work trainees Its analytical depth will ensure that it will also be valuable for students undertaking post qualifying courses and for those in related disciplines such as health and community care social policy and social gerontology Its practice based and

inter professional approach will mean it is also useful for health and social care practitioners seeking to improve the quality of practice with older people Drawing on both theory and research as well as the author s clear knowledge of current practice this book is able to deal with practice realities in ways which many texts cannot It offers social workers realistic options for how to approach their work Karen Postle University of East Anglia

Doing Radical Social Work Colin Turbett,2014-01-27 This is the first book to provide social workers with an applicable model for radical practice Through examining the current state of social work in the UK and looking at the radical approaches that have developed over the years this book explores some of the opportunities that exist for a radical social work

Global social work Carolyn Noble,, Helle Strauss,Brian Littlechild,2014-06-30 Global social work crossing borders blurring boundaries is a collection of ideas debates and reflections on key issues concerning social work as a global profession such as its theory its curricula its practice its professional identity its concern with human rights and social activism and its future directions Apart from emphasising the complexities of working and talking about social work across borders and cultures the volume focuses on the curricula of social work programs from as many regions as possible to showcase what is being taught in various cultural sociopolitical and regional contexts Exploring the similarities and differences in social work education across many countries of the Americas Asia Europe and the Pacific the book provides a reference point for moving the current social work discourse towards understanding the local and global context in its broader significance

The Routledge Handbook of Social Work Theory Malcolm Payne,Emma Reith-Hall,2019-06-25 The Routledge Handbook of Social Work Theory provides an interdisciplinary and international introduction to social work theory It presents an analytical review of the wide array of theoretical ideas that influence social work on a global scale It sets the agenda for future trends within social work theory Separated into four parts this handbook examines important themes within the discourses on social work theory as well as offering a critical evaluation of how theoretical ideas influence social work as a profession and in practice It includes a diverse range of interdisciplinary topics covering the aims and nature of social work social work values and ethics social work practice theories and the use of theory in different fields of practice The contributors show how and why theory is so important to social work and analyze the impact these concepts have made on social intervention Bringing together an international team of leading academics within the social work field and newer contributors close to practice this handbook is essential reading for all those studying social work as well as practitioners policymakers and those involved in the associated fields of health and social care

Understanding Social Work Practice in Mental Health Vicki Coppock,Bob Dunn,R. W. Dunn,2009-12-22 This book provides an authoritative overview of mental health theory policy and practice Exploring the complex moral and ethical dimensions underpinning the field the book engages with the key issues encountered by practitioners working in the modern mental health system Using real world scenarios case studies and reflective exercises it asks students to critically examine the world of mental health practice from the perspective of users of mental health services

and their careers **Relationship-based Social Work with Adults** Heidi Dix,Sue Hollinrake,Jennifer Meade,2025-02-28

There has been a resurgent interest in relationship based practice and the Care Act 2014 recognises the significance of effective working relationships with service users and carers to ensure a person centred approach and effective participation and co production The Care Act advocates a strengths based whole family approach to assessment care and support planning Relationship putting the person at the centre of the process lies at the heart of this approach This book is a practice based exploration of relationship based practice for social work with adults that looks at underpinning theory legislation and policy drivers value perspectives and skills in practice The first part of the book introduces relationship based practice and theoretical concepts such as psycho social and psycho dynamically informed approaches to practice which highlight the complexities of relationships at conscious and unconscious levels both from the service user carer perspective and the professional s perspective where reflection and use of self are key it critically explores the legislation and policy context A conceptual model called IDEAS is introduced which provides a framework for the second part of the book by breaking down the discussion into relevant practice issues Here theory skills and values are applied through case examples to illustrate the efficacy of relationship based practice across a range of practice settings in social work with adult service users and carers

The Survival Guide for Newly Qualified Social Workers, Second Edition Helen Donnellan,Gordon Jack,2014-11-21 This book gives social workers everything they need to know to succeed in the workplace as they move from student to newly qualified worker Easy to read and practical it tackles the key challenges they are likely to face *The Survival Guide for Newly Qualified Child and Family Social Workers* Helen Donnellan,Gordon Jack,2010 This practical guide provides a wealth of suggestions to help you to hit the ground running in the early stages of your new career It provides a range of strategies for managing your time and workload and offers suggestions for finding support coping with stress maintaining job satisfaction and ways of handling difficult situations Principles Of Medical Social Work Dr I Sundar,
