Social Work Practices Contemporary Perspectives On Change:

Social Work Practices Karen Healy, 2000 *Social Work Practices* is a critical review of contemporary social work theory and its relevance for professional practice The author explains debates on postmodernism and poststructuralism and applies them to social work practice

Social Work Practices Karen Healy, 2000-01-28 Karen Healy profoundly challenges in the context of the postmodernity of late capitalism many of the assumptions upon which the critical tradition in social work has been founded This is a book which interrogates not only the emancipatory metanarratives of left perspectives from her position within the left but also questions many of the received ideas about her professional power and identity and about the kinds of social work practices necessary in order to continue to pursue welfare as an emancipatory project under transformed ideological and material circumstances This is a most significant contribution to the debates which confront social work worldwide at the present time Peter Leonard McGill University Canada

Contemporary Feminisms in Social Work Practice Sarah Wendt, Nicole Moulding, 2016-01-29 *Contemporary Feminisms in Social Work Practice* explores feminism as core to social work knowledge practice and ethics It demonstrates how gender neutral perspectives and practices obscure gender discourses and power relations It also shows feminist social work practice can transform areas of social work not specifically concerned with gender through its emphasis on relationships and power Within and outside feminism there is a growing assumption that equality has been won and is readily available to all women However women continue to dominate the ranks of the poor in developed and developing countries around the world male perpetrated violence against women and children has not reduced women outnumber men by up to three to one in the diagnosis of common mental health problems and women continue to be severely underrepresented in every realm of power decision making and wealth This worrying context draws attention to the ways gender relations structure most of the problems faced by the women men and children in the day to day worlds in which social work operates Drawing together key contemporary thinking about feminism and its place in social work this international collection looks at both core curriculum areas taught in social work programs and a wide range of practice fields that involve key challenges and opportunities for future feminist social work This book is suitable for all social work students and academics It examines the nuanced nature of power relationships in the everyday and areas such as working with cross cultural communities mental health interpersonal violence and abuse homelessness child protection ageing disability and sexuality

Social Work and Sociology: Historical and Contemporary Perspectives Irene Levin, Marit Haldar, Aurélie Picot, 2018-02-05 Discussing the relationship between social work and sociology this book explores how the two have become more and more divided moving from one single discipline to two separate but related fields Both sociology and social work focus on social problems social structure social integration and how individuals respond to and live within cultural and structural constraints Today both disciplines face the possibility of losing some of their most important characteristics to individualising trends the disappearance of the

importance of the social and pressure towards solely evidence based knowledge In addition to casting light on areas that have been in the shadows of the mainstream narrative the contributions to this book will raise new questions contributing to continuing discussions between and within each discipline This book was originally published as a special issue of Nordic Social Work Research Social Work Theories in Action Kieran O'Donoghue, Robyn Munford, Kieran O'Donoghue, Mary Nash, 2005-02-15 This wide ranging collection of essays offers valuable insights into the cultural issues involved in the practical application of social work theories Leading contributors explore the challenges faced by indigenous populations and ethnic minority groups and offer valuable guidance on cross cultural work **New Directions in Social Work Practice** Kieron Hatton, 2008-03-31 This book investigates the main influences shaping social work practice now and in the future Aimed at second and third year undergraduates and postgraduates it looks at current developments such as the rise of the service user movement and the influence of European perspectives In addition it draws on national policy developments including Every Child Matters Valuing People and Common Assessment Frameworks It also develops themes around interprofessional multi agency work common learning and enhancing the voluntary sector's role in service delivery Supported by activities and case studies it is an excellent follow on to the Learning Matters title What is Social Work

Anti-Oppressive Practice Dalrymple, Jane, Burke, Beverley, 2006-12-01 The authors draw on their own experiences and those of practitioners service users and carers to understand issues of power and oppression demonstrating how the law can be used to inform the development of critical anti oppressive practice The book therefore points the way to practice that is both empowering to service users and ultimately liberating for practitioners Critical Reflection in Context Jan Fook, Fiona Gardner, 2012-10-02 Critical reflection enables practitioners especially those within health and social care to theorise from their own practice improving and developing their work and practising both creatively and professionally This book provides an accessible overview of the influential Fook Gardner Critical Reflection framework for students researchers and professionals It then presents a wide range of illustrative case studies from a variety of different health and social care settings demonstrating how it can be used in effective and innovative practice around the world By highlighting how professionals are actually using the Fook Gardner model of critical reflection it shares practical and resourceful ideas and provides specific theoretical and practical guidelines for use It also further conceptualises and develops the theory of critical reflection by articulating underlying theory used in practice The book also draws out particular issues for how critical reflection might be better practised within organisations and develops a framework for a better understanding of this The book is divided into four parts discussing critical reflection in Professional Practice Supervision and Management Research Education Including an up to date overview of the framework written by Jan Fook this helpful text makes a significant contribution in terms of the practical theorizing of critical reflection It will be of use to health and social care professionals keen to practice creatively and effectively especially those undertaking short courses or further development in supervision

critical reflection advanced practice and leadership and management Protecting Children in Time Harry Ferguson, 2004-06-11 Protecting Children in Time provides a highly original analysis of the origins and development of the taken for granted notion that it is possible through social intervention to protect children from avoidable harm and even death to protect children in time By using case studies which span the past 120 years of modern practices and drawing on the work of leading social theorists of modernity and risk society it provides a new way of thinking about constructions of child abuse as a social problem and child protection as a late modern expert system and experience It proposes new ways of conceptualizing relationships between professionals children at risk and families and deepens our understanding of what effective interventions have to involve Social Work and the Transformation of Adult Social Care Lymbery, Mark, Postle, Karen, 2015-04-15 Reforms as well as cuts in services and finances are part of the everyday fabric of the social work landscape Taking a critical approach to the transformation agenda in social work this book outlines the implications of these changes for adult health and social care Fully informed by theory research policy and legislation it takes a problem based learning approach through the application of case studies explaining and exploring the overlapping roles of social care and social policy The authors argue for the continued significance and importance of social work within the context of adult social care social work they show can make a vital difference in the lives and experiences of many of those who are perceived to be the most vulnerable people in society It is essential reading for students educators and practitioners of social work and social policy and health and social care The Professional Social Worker Neil Thompson, 2017-09-16 In this ground breaking text book bestselling author Neil Thompson turns his attention to the question of What does it mean to be truly professional in the field of social work Notions of professionalism in social work have changed over time Early traditional ideas showed themselves to be elitist and inconsistent with the fundamental principles of social work and have been followed by a period of uncertainty as to whether or not social workers are professionals at all Now with a move towards a new form of professionalism beginning to take shape this book presents a cogent argument for reaffirming this vital aspect of social work Informed by extensive experience and expertise Thompson examines the role of the modern day social worker in four parts as problem solver thinker manager and professional Whether a student new to the complexities of this demanding rewarding field taking a social work practice or placement module or a qualified practitioner seeking a source of guidance this book will help meet the challenge of developing a professionalism that is consistent with the values of contemporary social work

The Routledge Handbook of Critical Pedagogies for Social Work Christine Morley, Phillip Ablett, Carolyn Noble, Stephen Cowden, 2020-01-20 The Routledge Handbook of Critical Pedagogies for Social Work traverses new territory by providing a cutting edge overview of the work of classic and contemporary theorists in a way that expands their application and utility in social work education and practice thus providing a bridge between critical theory philosophy and social work Each chapter showcases the work of a specific critical educational philosophical and or social theorist including

Henry Giroux Michel Foucault Cornelius Castoriadis Herbert Marcuse Paulo Freire bell hooks Joan Tronto Iris Marion Young Karl Marx Antonio Gramsci and many others to elucidate the ways in which their key pedagogic concepts can be applied to specific aspects of social work education and practice The text exhibits a range of research based approaches to educating social work practitioners as agents of social change It provides a robust and much needed alternative paradigm to the technique driven conservative revolution currently being fostered by neoliberalism in both social work education and practice The volume will be instructive for social work educators who aim to teach for social change by assisting students to develop counter hegemonic practices of resistance and agency and reflecting on the pedagogic role of social work practice more widely The volume holds relevance for both postgraduate and undergraduate qualifying social work and human services courses around the world
