Sociology Canada An Introductory Text:

Sociology Canada Stewart Crysedale, Christopher Beattie, 1973 *Aboriginal Voices and the Politics of Representation in Canadian Introductory Sociology Textbooks* John Steckley, 2003 The philosophical underpinnings of this textbook make it a most interesting read for scholars of Aboriginal Studies the social sciences humanities and cultural studies and humanistic curriculum development John Steckley's familiarity with and respect for the epistemology of the Huron Mohawk and Ojibwa peoples enlightens and enables his research In this book he provides a critical framework for assessing Aboriginal content in introductory sociology textbooks He defines what is missing from the seventy seven texts included in his study of the manifestation of cultural hegemony in Canadian sociology textbooks This critique is suitable for students and professors of sociology as Dr Steckley addresses the impact of the ellipses from the textbooks they have traditionally used **Literary**

History of Canada Carl F. Klinck, Alfred G. Bailey, Claude Bissell, Roy Daniells, Northrop Frye, Desmond Pacey, 1976-12-15 Hailed as a landmark in Canadian literary scholarship when it was originally published in 1965 the *Literary History of Canada* is now being reissued revised and enlarged in three volumes This major effort of a large group of scholars working in the field of English language Canadian literature provides a comprehensive up to date reference work It has already proven itself invaluable as a source of information on authors genres and literary trends and influences It represents a positive attempt to give a history of Canada in terms of writings which deserve attention because of significant thought form and use of language Volume 3 has been newly written for this edition of the History and covers the years from about 1960 to 1974 The contributors to this volume are Claude Bissell Desmond Pacey Lauriat Lane jr Michael S Cross Thomas A Goudge John Webster Grant John H Chapman William E Swinton Henry B Mayo Malcolm Ross Brandon Conron Clara Thomas Sheila A Egoff John Ripley William H New George Woodcock and Northrop Frye **Civilizing the Wilderness** A.A. den

Otter, 2012-07-02 In this collection of essays A A den Otter explores the meaning of the concepts civilizing and wilderness within an 1850s Euro British North American context At the time den Otter argues these concepts meant something quite different than they do today Through careful readings and researches of a variety of lesser known individuals and events den Otter teases out the striking dichotomy between civilizing and wilderness leading readers to a new understanding of the relationship between newcomers and Native peoples and the very lands they inhabited Historians and non specialists with an interest in western Canadian native settler and environmental economic history will be deeply rewarded by reading *Civilizing the Wilderness* **Canadiana**, 1991 [White Lies about the Inuit](#) John Steckley, 2008-01-01 In this lively book designed specifically for introductory students Steckley unpacks three white lies the myth that there are fifty two words for snow that there are blond blue eyed Inuit descended from the Vikings and that the Inuit send off their elders to die on ice floes

Canadian Sociologists in the First Person Stephen Harold Riggins, Neil McLaughlin, 2021-08-15 Social scientists autobiographies can yield insight into personal commitments to research agendas and the very project of social science itself

But despite the long history of life writing sociologists have tended to view the practice with skepticism Canadian Sociologists in the First Person is the first book to survey the Canadian sociological imagination through personal recollections Exploring the lives and experiences of twenty contributors from across the country this book connects the unique and shared features of their careers to broad social dynamics while providing a guide to their own research and administrative contributions to their universities their profession and their broader society and communities The contributors teach in different types of institutions are prominent in the discipline and in their specializations and represent significant and diverse intellectual currents political perspectives and life and career experiences Aiming to start a broad conversation about what social science and the academic profession look like in Canada from an insider s perspective Canadian Sociologists in the First Person offers invaluable lessons for younger scholars as they envision a diverse sociological imagination for the twenty first century *Canadian Society in the Twenty-First Century, Fourth Edition* Trevor W. Harrison, John W. Friesen, 2021-03-03 Confederation may have established Canada s nationhood in 1867 but the relationships framing Canada s modern existence go back much further Employing a unique socio historical perspective Canadian Society in the Twenty First Century examines three formative relationships that have shaped the country Canada and Quebec Canada and the United States and Canada and Indigenous nations Now in its fourth edition this engaging text offers students an overview of Canadian society through a series of connections rather than a collection of statistics Trevor W Harrison and John W Friesen weave together complex aspects of the nation s economic political and socio cultural development They guide readers to use this interdisciplinary framework to consider some of the tough questions that Canada is likely to face in adjusting to demands and challenges in the next few decades Reflecting the most current scholarship in the field this revised edition features new discussions on issues such as the current crisis of neo liberal globalization Canada s petroleum industry global warming the Wet suwet en dispute in 2020 and the COVID 19 pandemic Exploring the unique character of Canada today this text is a vibrant resource for sociology courses on Canadian society as well as courses in Canadian studies and Canadian history *Ideological Perspectives on Canada* M. Patricia Marchak, 2011-06-15 Marchak argues that liberalism and socialism have many commonalities such as the goals of equality and freedom for citizens Corporatism however is opposed to equality and promotes an authoritarian hierarchy resembling the older conservative ideology To support her argument Marchak provides a general overview of the study of ideologies analyzes liberalism and socialism in the context of Canada and uses Marxist theory to explain past and present class structure and the emergence of a corporatist social structure A valuable contribution to the debate about the society we live in Ideological Perspectives on Canada attempts to look at ideologies from an objective standpoint while admitting that analysts can never fully remove themselves from the web of their own society which in the Canadian case is steeped in liberalism socialism and corporatism *Canadian Books in Print* , 1989 **Environmental Sociology** Michael D. Mehta, Eric Ouellet, 1995 Canadian Library Journal , 1977

Professions and Metaphors Andreas Liljegren, Mike Saks, 2016-07-22 Professions and Metaphors Understanding

Professions in Society explores the way that two traditions have contributed to our understanding of both theory and society over recent decades In the first tradition the growing literature on metaphors has helped to guide thinking providing insights into such phenomena as the study of organizations In the second there has been an increased interest in professions from lawyers and university academics to doctors and social workers This edited collection brings together these two traditions for the first time providing a unique and systematic overview at macro and micro level of the use of metaphors in the sociology of professions A range of professional fields are explored from law and medicine to social work and teaching showing how metaphors can enhance our understanding of the operation of professional groups By demonstrating how metaphors can add to our understanding of professions in society as well as in professional practice this ground breaking book makes an invaluable contribution to advanced students and researchers in fields such as the sociology of professions and work and organization as well as informing professionals and policy makers themselves *Schools, Teachers and Teaching (RLE Edu*

N) Len Barton, Stephen Walker, 2012-04-27 This volume considers how various sociological approaches to the exploration of the conditions of teachers might be co ordinated so as to produce a more penetrating and reliable understanding of the main dimensions of teachers work Three dimensions are selected for special attention historical institutional and interactional contexts in which teachers operate In different way the papers in this collection explore the contribution such an investigation of these contexts can make to our understanding of wider educational concerns *Management Education in*

Canada Kristin S. Williams, Albert J Mills, Heidi Weigand, 2025-05-23 Management Education in Canada Historical Reflections offers a fresh and critical look at the evolution of management education in Canada Nearly 25 years after the seminal work Capitalizing Knowledge by Barbara Austin this edited collection revisits and expands upon the debates that shaped the field while introducing new perspectives and overlooked histories Featuring ten scholarly essays from leading academics this volume explores a range of critical and historiographic approaches to management education highlighting the ways in which history is written privileged and at times neglected Through a variety of themes including the gendered experiences of female Ph D graduates Africentric and Indigenous leadership approaches and the role of globalization in shaping management curricula the book prompts readers to reflect on the past present and future of management education in Canada Chapters cover topics such as the influence of the Administrative Sciences Association of Canada the underrepresentation of French language business education and the critical interrogation of management textbooks Together these chapters offer a rich and comprehensive analysis of the cultural institutional and intellectual forces shaping the discipline This volume will engage scholars educators and students in business schools faculties of management and those interested in the broader history of higher education as well as anyone seeking to understand the historical development of management education in Canada It is an essential contribution to the ongoing conversation about what

management education has been and what it could become
