Tips for Parents on Talking to Their Children About Alcohol State of Illinois Liquor Control Commission,Birk Digital,2015-01-27 Underage drinking is a serious problem that carries serious consequences for children and teens as well as for their parents The sooner parents start talking with their kids about alcohol the better the results In fact did you know that up until eighth grade kids still look to their parents for approval about their life choices Once they get to high school peer group approval starts to become a factor Parents This means that you have a window of opportunity to speak to your kids about not drinking

and to have your words make a difference Of course the big question is how That s where we come in The Illinois Liquor Control Commission as part of our new Talk It Up Campaign has put together this tip book on ways to start the conversation with your eighth grader and keep it going Our best advice is to make talking about alcohol not THE talk but an ongoing discussion What follows are some ways to do that Our second piece of advice Start today It is never too early to talk with your child or teen about drinking Never

Understanding Adolescents' Political Agency Håkan Stattin,2024-06-07 This ground breaking volume shows that young people largely shape their own political development and that to understand young people s political development we must consider their political agency H kan Stattin explores the findings of an extensive longitudinal study of the political socialization of young people in Sweden from the ages of 13 to 28 which shows that contrary to popular belief it is not parents peers teachers or other key adults who are the primary agents in shaping young people s political development it is their own self directed political interest Given that political interest is both an input and an output the book examines how political interest affects young people s political interactions with their parents and why young people and their parents perceive these interactions differently It covers key issues such as the impact of political interest triggering events and civil unrest the role of school and peers parental involvement and the path from political interest to future political and civic engagement Launching a new field of research internationally this volume is essential reading for researchers students educators and policy developers interested in young people s political and civic attitudes engagement communication core values and the emergence of intrinsic political sophistication
