Targum And Scripture

**Alberdina Houtman, E. van Staaldoune-
Sulman, Hans-Martin Kirn**

Targum And Scripture:

Translation and Interpretation in the Targum to the Books of Kings Carol Dray, 2005-12-01 The non literal interpretative renderings in the Targums are a source of fascination This study examines translation techniques in the Targum to the books of Kings and other Targums particularly in the areas of contemporization reverential rendering treatment of figurative language and halakic harmonization Common theological concerns for example the uniqueness of God and the use of the innovative divine title Memra have been considered Divergences from the biblical text have been systematically compared with translations in the other ancient versions Close examination of the text leads to the conclusion that the preponderance of apparently didactic readings would conform with the Targum s function as a tool in the synagogue and the school and for private study

The Targums Paul V.M. Flesher, Bruce D. Chilton, 2011-08-25 The value and significance of the targums translations of the Hebrew Bible into Aramaic the language of Palestinian Jews for centuries following the Babylonian Exile lie in their approach to translation within a typically literal rendering of a text they incorporate extensive exegetical material additions and paraphrases that reveal important information about Second Temple Judaism its interpretation of its bible and its beliefs This remarkable survey introduces critical knowledge and insights that have emerged over the past forty years including targum manuscripts discovered this century and targums known in Aramaic but only recently translated into English Prolific scholars Flesher and Chilton guide readers in understanding the development of the targums their relationship to the Hebrew Bible their dates language and place in the history of Christianity and Judaism and their theologies and methods of interpretation With clear presentation of current research and the issues involved including the Targums and the New Testament and a rich bibliography this is the most complete and up to date introduction to the Targums An outstanding highly recommended achievement Martin McNamara Emeritus Professor of Scripture Milltown Institute Dublin Ireland

Targum and Scripture Paul V.M. Flesher, 2021-11-15 If Greek was the language by which Palestinian Jews talked to the Empire then Aramaic and Hebrew were the languages by which they talked to themselves In this context what resulted when they translated the Hebrew Bible into Aramaic Moments of the inner Jewish conversation about the meaning and relevance of Hebrew Scriptures frozen in Aramaic renditions The scholars in this volume use these Aramaic translations known as the Targums like dioramas peering through them to glimpse these moments in the development of Judaism and its theology Dedicated to Ernest G Clarke the essays explore the variety of interpretations preserved in the different Targums from the Second Temple and post Temple periods during which they were composed

Targum and Testament Martin McNamara, 1972 **Targum and Testament Revisited** Martin McNamara, 2010-07-26 Updated ed of *Targum and Testament* 1972 *A Jewish Targum in a Christian World* Alberdina Houtman, E. van Staalduine-Sulman, Hans-Martin Kirn, 2014-02-20 What is the use of a Targum in a cultural setting where Aramaic is not a common language anymore And why would Christians be interested in a typically Jewish text in an otherwise anti Jewish

milieu These and related questions have served as guides for Alberdina Houtman Eveline van Staalduine Sulman and Hans Martin Kirn in bringing together the articles for the present book which consists of three parts 1 Uses and Functions of Targum in Europe 2 Editing Targums and their Latin Translations 3 Targums and Christianity A number of the articles deal with the codicological and paratextual aspects of the relevant manuscripts and editions as witnesses of their cultural historical situations The intended readership includes specialists in Targum Jewish and medieval studies church historians codicologists and Christian theologians **The Targum of Lamentations** ,2024-05-15 This work provides a definitive translation into English of the Targum of Lamentations based on a critical reading of all the extant versions with textual annotations and extensive notes An appendix offers in addition a translation and annotation of the Yemenite version

Targum and New Testament Martin McNamara,2011 The relevance of the Targums Aramaic translations of the Hebrew Bible for the understanding of the New Testament has been a matter of dispute over the past three hundred years principally by reason of the late date of the Targum manuscripts and the nature of the Aramaic The debate has become more focused by reason of the Qumran finds of pre Christian Aramaic documents 1947 and the identification of a complete text of the Palestinian Targum of the Pentateuch in the Vatican Library Codex Neofiti 1956 Martin McNamara traces the history of the debate down to our own day and the annotated translation of all the Targums into English He studies the language situation Aramaic and Greek in New Testament Palestine and the interpretation of the Scriptures in the Targums with concepts and language similar to the New Testament Against this background relationships between the Targums and the New Testament are examined A way forward is suggested by regarding the tell like structure of the Targums with layers from different ages and a continuum running through for certain texts **Targums and the Transmission of Scripture into Judaism and Christianity**

Hayward,2009-12-16 This collection of seventeen previously published essays and two hitherto unpublished articles examines strategies adopted by ancient Aramaic translators of the Hebrew Bible in their attempts to transmit the meaning of Scripture to their own generations The intricate interpretations of Targum Pseudo Jonathan feature prominently analysis of them suggests a date for the substance of this Targum rather earlier than is commonly assumed The biblical exegesis of Jerome ca 342 420 CE often reflects Targumic interpretation of Scripture as well as helping to date items of Jewish interpretation Jerome s writings also witness to continuing close contacts between Christians and Jews at a crucial stage in the history of both communities The essays also demonstrate the relationship of the Targums both to other Rabbinic texts and to early translations of the Bible like Septuagint the versions of Aquila Symmachus and Theodotion and the Peshitta

The Message of the New Testament and the Aramaic Bible Roger Le Déaut,1982

Recognizing the mannerism ways to get this ebook **Targum And Scripture** is additionally useful. You have remained in right site to start getting this info. get the Targum And Scripture colleague that we meet the expense of here and check out the link.

You could buy guide Targum And Scripture or acquire it as soon as feasible. You could speedily download this Targum And Scripture after getting deal. So, similar to you require the book swiftly, you can straight acquire it. Its therefore no question easy and suitably fats, isnt it? You have to favor to in this atmosphere
