struggling because of social factors which have resulted in them missing a lot of school Whatever the reason this book Writing 1 will help students begin to write more clearly accurately and confidently Activities in this book link to the Australian Curriculum for Years 5 and 6 so children feel that what is being asked of them is actually achievable To make the tasks more manageable they have been broken down into small parts which gives each student the opportunity to process one idea at a time Time limits have been either abandoned or made flexible for students so success becomes a habit rather than a rarity
