The Hidden Years Neil Boyd,1984      *The Hidden Years* Rachel Hore,2023-09-14 A dramatic warm hearted wonderfully written read DAILY MAIL Gorgeous GOOD HOUSEKEEPING A gripping read HELLO Sunday Times bestseller Rachel Hore's captivating novel of secrets loss and betrayal set on the beautiful Cornish coast during World War Two and the heady days of the 1960s When talented musician Gray Robinson persuades Belle to abandon her university studies and follow him to Silverwood home to an artistic community on the Cornish coast Belle happily agrees even though they've only just met She knows she is falling in love and the thought of spending a carefree summer with Gray is all she can think about But being with Gray isn't the only reason Belle agrees to accompany him to Silverwood Why does the name Silverwood sound so familiar What is its connection to a photo of her as a baby taken on a nearby beach And who is Imogen Lockhart a wartime nurse who lived at Silverwood many years ago As the summer months unfold Belle begins to learn the truth about secrets from the past that have been kept hidden but also about the person she wants to be A glorious story *The Hidden Years* steals your heart I loved it LIZ FENWICK Gripping and beautifully written KATE FURNIVALL An intriguing dual timeline story set in beautiful Cornwall and brimming with sense of place A gorgeous tale I raced through the pages TRACY REES      **The Hidden Years** W.D. Spruill,2022-02-24 In the course of the apostles writing the Synoptic Gospels many questions were raised but not answered This literary work in no means infringes on the writing of the apostles and their effort to detail the life of Christ Jesus What I have tried to do is answer some age old questions that have gone unanswered since the scriptures were put together at the Council of Trent I tried to write answering the questions in an informative way and also fun to read I did take some liberties with locations and timelines In doing so I tried to set the stage in many instances for the parables that Christ used in his teachings the characters that Christ called to his ministry the bond between him and John the Baptist and his friends Mary Martha and Lazarus and how Judas Iscariot targeted Christ's ministry to become a hanger on Some events and timelines are taken out of the Infancy Gospel attributed to Apostle Thomas Other events such as why John the Baptist his mother Elizabeth and his father Zechariah escaped the decree of Herod the Great to slaughter all the infants two years of age or younger in and around Bethlehem and Judea Both Jesus and John the Baptist were within six months of age This question was not answered in the books of Matthew Mark Luke and John In Cana at the wedding did Jesus tell his mother that his time had not come and then turn and change the water to wine In no way is this work authenticated by Bible scholars but is used strictly as a reference point in my narrative of Christ's early life that is not covered in the Scriptures I thank you and ask you to read this work with an open mind and heart and enjoy it as much as I have enjoyed writing and trying in my own humble way to answer some questions that have plagued me since I started reading the Bible      The Hidden Years John Oxenham,2021-01-26      *The Hidden Years* Penny Jordan,1991-09      **The Hidden Years of Jesus** Dr. George Lamsa,2023-03-01 Dr George M Lamsa translator of The Bible from Aramaic into English answers the age old and much

studied questions Where was Jesus in his formative years Where did he get his education and provides comparative scriptures providing evidence that Jesus taught from the Torah and came to fulfill the law not to start a new religion

**Hidden Years** James Exparza,2013-03 The life of Jesus is intertwined with biblical characters Portrayed as fully human Jesus with the help of Mary and John the Baptist must go through a difficult discernment process before he begins his public ministry Both Mary and Jesus reminisce about their lives and how each faced significant crises in their lives John the Baptist becomes a catalyst who helps Jesus discover his unique call to preach the Kingdom of God Living in Capernaum Jesus forms unique relationships with Peter James John and Andrew which serve as the basis for them to leave all and follow him *The Hidden Wordsworth* Kenneth R. Johnston,2001 This is a Wordsworth we have never quite seen before Hermione Lee The New York Times *The Hidden Light* Jennifer Moorcroft,2013-11-05 Saint Dominic has been described by one of his biographers Guy Bedouelle OP as hidden in the light Unlike most other founders of religious orders he says we have only three brief letters and almost none of his words preserved we know nothing of Dominic s life except what we can see through the eyes of his followers or his friends The fact that our access to St Dominic is so indirect reveals his discretion and in a sense his detachment from himself This detachment in turn is an eloquent statement of the place he wished to hold within the Church *Johnny Clegg* Michael Drewett,Lucilla Spini,2025-10-01 This book examines the profound legacy of Johnny Clegg 1953 2019 the South African musician anthropologist and cultural activist who revolutionised the nation s musical landscape From his groundbreaking collaboration with Sipho Mchunu in the 1970s through to his success with Juluka and

Savuka and as a solo artist Clegg navigated apartheid era censorship while reshaping South African cultural politics Drawing on unprecedented access to archival materials and band member interviews this interdisciplinary research analyses Clegg's unique position as both scholar and performer The study presents three critical interventions an examination of his synthesis of music dance and political philosophy as embodied resistance to apartheid an analysis of his transnational impact and navigation of the global cultural boycott and an investigation of cultural appropriation and decolonial practice through his engagement with and reinterpretation of Zulu traditions Situated at the intersection of ethnomusicology anthropology and African studies this volume offers fresh theoretical frameworks for understanding cultural hybridity and postcolonial performance It positions Clegg's work within broader discussions of race power and cultural production in the Global South

The Quest for the Fictional Jesus Margaret E Ramey, 2017-03-31 For almost two millennia Jesus story has been retold in various forms and fashions but in the last century a new way of reimagining the man from Galilee has sprung up in the form of novels about the life of Jesus While the novels themselves are as varied as their authors this work aims to introduce readers to some common literary strategies and theological agendas found in this phenomenon by surveying a few prominent examples It also explores the question of what happens when we examine the intertextual play between these reimaginings and their Gospel progenitors as we allow these contemporary novels to pose new questions to their ancient counterparts An intriguing hermeneutical circle ensues as we embark on our quest for the fictional Jesus and accompany his incarnations as they lead us back to re-examine the canonical portraits of Jesus anew
