Faith Shaping Ministry Paul E. Hoffman, 2013-09-16 What happens after a congregation welcomes new Christians into its ministry? Building on the work of the first volume in this series, Faith Forming Faith, Paul Hoffman interprets how a congregation that intentionally practices baptism and its renewal is itself reformed. Pastors, teachers, lay leaders, students of ministry, and people in the pew all will find the compelling story of the ministry of Phinney Ridge Lutheran Church in Seattle, Washington, one of our nation's most secular cities, to be an inspiring and practical primer for renewal. Who would have thought? Bringing others to the waters of baptism transforms those already at home in the congregation. In fact, this intentional spiritual practice completely transforms the parish and the lives of God's people. There are new discoveries to be made in the ancient treasures of the Church as these gifts are shared with those hungering and thirsting for a place at God's table.

Race Experts Elisabeth Lasch-Quinn, 2002-12-17 Controversial and strikingly original, Race Experts looks at how we capsized racial progress in the quest for self-esteem. Now available in paperback, it uncovers the hidden trajectory and terms of our thinking about race relations since the 1960s. Since segregation's dismantling, intense anxiety has surrounded interracial encounters, and a movement has arisen to engineer social relations through the specification of elaborate codes of conduct. Diversity Training in business, multicultural education in schools, and cross-cultural psychotherapy have created a world of prescriptions. Elisabeth Lasch-Quinn carefully examines the teachings of these self-appointed experts and offers a bold and searching analysis of the origins of their ideas in the human potential movement and the radical milieu of the 1960s. Casting race primarily as an issue of etiquette or therapy rather than of justice or equality has had dire consequences for American life, diverting attention from the deeper problems of poverty, violence, and continued inequality and discrimination. In this sobering analysis, Race Experts illuminates how far away we are from the issues that deserve our attention.
