into McCarthy's writings. There is a strong and growing interest amongst philosophers in the relevance of McCarthy's writings to key debates in contemporary philosophy for example debates on trauma and violence on the relationship between language and world and the place of the subject within history temporality and borders. To this end the contributors to this collection focus on how McCarthy's writings speak to various philosophical themes including violence war nature history materiality and the environment. Emphasizing the form of McCarthy's texts the chapters attend to the myriad ways in which his language effects a philosophy of its own beyond the thematic content of his narratives. Bringing together scholars in contemporary philosophy and McCarthy Studies and informed by the release of the Cormac McCarthy Papers the volume reflects on the theoretical relationship between philosophical thinking and literary form. This book will appeal to all scholars working in the rapidly growing field of McCarthy Studies Philosophy and Literature and to philosophers working on a wide range of problems in ethics aesthetics epistemology Philosophy of Nature and Philosophy of Film across ancient modern and contemporary philosophy.

ranchers Publishers Weekly On Hell s Bottom Ranch a section of land below the Front Range there are women like Renny who prefer a little Hell swirled with their Heaven and men like Ben her husband who s gotten used to smoothing over Renny s excesses There is a daughter who maybe plays it too safe and a daughter plagued by only half wanting what life has to offer The ranch has been the site of births and deaths of both cattle and children as well as moments of amazing harmony and clear vision Set in the unpredictable West these stories remind us that we cannot escape the messiness and obsessions of ordinary life Patricia Henley author of Hummingbird House Displays the talent of a brilliant new writer The Rocky Mountain News With the rugged beauty of the Rocky Mountains as backdrop Pritchett s spare yet richly evocative stories portray the stark reality of life on a Colorado cattle ranch where three generations of one family tend the land and animals devoting and losing themselves to an existence few would understand or choose to follow Regardless of whether the songs she hears are sung by a meadowlark or a jailbird Pritchett excels at juxtaposing the sensuous with the severe the rapturous with the repugnant Booklist The stories jump back and forth in time but their message is clear this family s ties are as quixotic fierce and enduring as the land that binds them together School Library Journal **Wolf Journal** Brian A.
