The Arab Spring and Arab Thaw John Davis, 2016-04-01 What were the unifying principles or strategies that governed the protest movements that swept the Middle East and North Africa in the spring of 2011 Who were the protestors and how did the different authoritarian regimes respond to them How did regional and international institutions react to a region in turmoil The Arab Spring and Arab Thaw Unfinished Revolutions and the Quest for Democracy addresses these questions by examining a range of successful and unsuccessful protest strategies and counter revolutionary tactics employed by protestors and autocratic regimes Contributors explore the reactions of the USA EU and Arab League to events in the region and provide insight as to the gendered dimensions of the struggle along with the ethnic and tribal divisions that continue to impact the post revolt period By addressing these critical queries the book demonstrate how the Arab Spring has

evolved into a protracted Arab Thaw that continues to profoundly affect regional and international politics

Hands-On High Performance with Spring 5 Chintan Mehta, Subhash Shah, Pritesh Shah, Prashant Goswami, Dinesh Radadiya, 2018-06-12

A hands on guide to creating monitoring and tuning a high performance Spring web application

Key Features

- Understand common performance pitfalls and improve your application s performance
- Build and deploy strategies for complex applications using the microservice architecture
- Understand internals of JVM the core of all Java Runtime Environments

Book Description

While writing an application performance is paramount

Performance tuning for real world applications often involves activities geared toward detecting bottlenecks

The recent release of Spring 5 0 brings major advancements in the rich API provided by the Spring framework which means developers need to master its tools and techniques to achieve high performance applications

Hands On High Performance with Spring 5 begins with the Spring framework s core features exploring the integration of different Spring projects

It proceeds to evaluate various Spring specifications to identify those adversely affecting performance

You will learn about bean wiring configurations aspect oriented programming database interaction and Hibernate to focus on the metrics that help identify performance bottlenecks

You will also look at application monitoring performance optimization JVM internals and garbage collection optimization

Lastly the book will show you how to leverage the microservice architecture to build a high performance and resilient application

By the end of the book you will have gained an insight into various techniques and solutions to build and troubleshoot high performance Spring based applications

What you will learn

- Master programming best practices and performance improvement with bean wiring
- Analyze the performance of various AOP implementations
- Explore database interactions with Spring to optimize design and configuration
- Solve Hibernate performance issues and traps
- Leverage multithreading and concurrent programming to improve application performance
- Gain a solid foundation in JVM performance tuning using various tools
- Learn the key concepts of the microservice architecture and how to monitor them
- Perform Spring Boot performance tuning monitoring and health checks

Who this book is for

If you re a Spring developer who d like to build high performance applications and have more control over your application s performance in production and development this book is for you

Some familiarity with Java Maven and Eclipse is necessary

Spring Notes From Tennessee Bradford Torrey, 2024-02-05

Spring Notes from Tennessee is a collection of essays written by Bradford Torrey an American naturalist and essayist

Torrey was active during the late 19th and early 20th centuries and he wrote extensively about birdwatching nature and outdoor observations

The essays in *Spring Notes from Tennessee* likely focus on Torrey s observations of the natural world during the spring season in Tennessee

Torrey had a keen interest in ornithology and was known for his descriptive and evocative writing style which captured the beauty of the landscapes and the behaviors of birds

For readers interested in nature writing birdwatching and observations of the changing seasons *Spring Notes from Tennessee* offers a glimpse into the naturalist s perspective during the springtime in the specific region of Tennessee

Tunisia's International Relations since the 'Arab Spring' Tasnim

Abderrahim, Laura-Theresa Krüger, Salma Besbes, Katharina McLarren, 2017-09-22 When popular protests started in Tunisia in late 2010 few anticipated the implications these events would have for the entire Arab region In the following years this region witnessed deep changes increased divisions and even failing states Meanwhile Tunisia managed to assert itself as a new democracy How did this small country manage its democratic transition within such a short period And what implications has this had for its foreign policy and its role in international politics This book assesses Tunisia's transition inside and out from four angles Tunisian polity and politics which provide the framework for its foreign policy since the Arab Spring bilateral relations before and after the Arab Spring Tunisia's activism in international organisations as well as their presence in Tunisia and transnational issues in Tunisia Drawing on a broad range of primary sources including authors own interview material conducted with politicians and representatives of civil society and international NGOs involved in the transition process the book shows that since 2011 Tunisia has not only developed fundamentally at the domestic level but also at the level of external relations New and old alliances a broadening of relations and new activism of civil society and of Tunisia in international organisations certify that Tunisia has the potential to play an increasingly important role regionally as well as internationally Providing an encompassing picture of Tunisia's changed role and successful transition from an autocracy to a democracy the book allows students and scholars in the field to understand the last country standing better a country that both the scientific community and the political scene should not underestimate for the promises it holds

Treatise on Clock and Watch Making Thomas Reid, 1832 *New Experiments Physico-mechanical, Touching the Spring of the Air, and Its Effects, (made, for the Most Part, in a New Pneumatical Engine) Written by the Way of Letter to the Right Honorable Charles Lord Vicount of Dungarvan, ... By the Honorable Robert Boyle ..* Robert Boyle, 1662 *Spring Man* Petr Janecek, 2022-10-31 *Spring Man* A Belief Legend between Folklore and Popular Culture deconstructs the nationalistic myth of Spring Man that was created after the Second World War in visual culture and literature and presents his original form as an ambiguous ghostly denizen of oral culture Petr Janecek analyzes the archetypal character social context and cultural significance of this fascinating phenomenon with the help of dozens of accounts provided by period eyewitnesses oral narratives and other sources At the same time the author illustrates the international origin of the tales in the originally British migratory legend of Spring heeled Jack that reaches back to the second third of the nineteenth century and Janecek also draws parallels between the Czech myth of Spring Man and similar urban phantom narratives popular in the 1910s Russia 1940s United States and Slovakia and 1950s Germany as well as other parts of the world **Spring Training**

Handbook Josh Pahigian, 2013-06-12 Spring training is a time of renewal for baseball when teams and fans descend on Florida and Arizona to begin the ever hopeful new season The pace is a little slower the fans are closer to the action and the players are more accessible the sport returns to its idyllic roots When the first edition of this book was released 18 of the MLB teams trained in Florida and 12 in Arizona As 2013 arrives each league consists of 15 teams together they utilize 14

parks in Florida and 10 in Arizona This heavily illustrated work dedicates a chapter to each park including modern Cactus League marvels like Camelback Ranch and Salt River Fields and Grapefruit League bastions like Joker Marchant Stadium and McKechnie Field Florida's Fenway Park replica which opened in 2012 is included In addition to profiling the five parks that have opened since the first edition the author has updated the other chapters Each provides a description of the park and a recounting of its history followed by a summary of the home team or teams spring history Next is a review of the park's seating concessions and fan traditions Each chapter concludes with information about nearby baseball landmarks and attractions

Spring Design and Manufacture for Home Machinists Tubal Cain, 2025-08-12 This book explains the properties for each type of spring plus essential materials and methods Few mechanical devices are entirely devoid of springs of one sort or another but satisfactory operation rests on details such as spring strength and degree of movement Yet information on calculating and making springs is not easily available Designing springs can be difficult due to the number of variables and the complexity of the formula The book also introduces the designer to charts and nomograms which greatly simplify the process Topics include tension and compression spring principles compression and spring design examples for winding coil springs how to design make and coil a leaf spring torsion spring and I C engine valve springs

Forcing the Spring Jo Becker, 2015-05-19 A New York Times Notable Book of the Year A Washington Post Best Book of the Year A riveting legal drama a snapshot in time when the gay rights movement altered course and public opinion shifted with the speed of a bullet train Becker's most remarkable accomplishment is to weave a spellbinder of a tale that despite a finale reported around the world manages to keep readers gripped until the very end The Washington Post A groundbreaking work of reportage by Pulitzer Prize winning journalist Jo Becker Forcing the Spring is the definitive account of five remarkable years in American civil rights history when the United States experienced a tectonic shift on the issue of marriage equality Focusing on the historic legal challenge of California's ban on same sex marriage Becker offers a gripping behind the scenes narrative told with the lightning pace of a great legal thriller Taking the reader from the Oval Office to the Supreme Court ruling from state by state campaigns to an astounding shift in national public opinion Forcing the Spring is political and legal journalism at its finest
