Wiesner-Hanks, 2011-10-05 A History of World Societies introduces students to the global past through social history and the stories and voices of the people who lived it Now published by Bedford St Martin s and informed by the latest scholarship the book has been thoroughly revised with students in mind to meet the needs of the evolving course Proven to work in the classroom the book s regional and comparative approach helps students understand the connections of global history while providing a manageable organization With more global connections and comparisons more documents special features and activities that teach historical analysis and an entirely new look the ninth edition is the most teachable and accessible edition yet Test drive a chapter today Find out how [Making Agreements in Medieval Catalonia](#) Adam J. Kosto, 2001-05-03 This study examines the role of written agreements in eleventh and twelfth century Catalonia and how they determined the social and political order By tracing the fate of these agreements or *convenientiae* from their first appearance to the late twelfth century it is possible to demonstrate the remarkable stability of the fluid structures which they engendered in what is generally thought of as feudal society The process of documentary change reveals the true nature and pace of the transformation of the year 1000 Analysis of the *convenientia* as an instrument of power and its interaction with oral practices contributes to a deeper understanding of the role of the written word in medieval societies Finally a broad historiographical context establishes the significance of this study of Catalonia for a more general appreciation of the medieval Mediterranean world *Iberia and the Mediterranean World of the Middle Ages, Volume II* Kagay, Padilla, Paul Chevedden, 2021-09-20 Brill s series The Medieval Mediterranean has established itself as the main forum for studies exploring all aspects of the Mediterranean world during a period of 1000 years In the medieval period the Mediterranean experienced a multiplicity of developments in social political and economic structures and in populations religions and cultures The centuries between the Late Roman world of the fourth and fifth century and the early modern Braudelian Mediterranean of the sixteenth century were characterised by sweeping changes including the establishment of post Roman kingdoms in the west the emergence of Slav societies in the Balkans the struggle between Christians and Muslims in Spain and the movement of crusaders Founded in 1993 The Medieval Mediterranean series reflects the complexity of this period with a wide variety of high quality scholarly works from broad surveys to diachronic studies of particular areas or cities investigations of individual themes or issues conference proceedings text editions and fully annotated translations Top specialists in a range of fields have contributed to the series and the volumes which have appeared so far have been warmly welcomed by reviewers This series is indispensable for readers with interests in the history of later antiquity the Middle Ages Byzantium Islam the Balkans and the Black Sea area Publication schedule At present 3 volumes of around 350 pages each are published in the series each year The vast majority of the books in the series

are in the English language although works of outstanding quality in French or German may also be included Volumes contain illustrations and maps where appropriate

*Trusting Records* H. MacNeil, 2013-03-09 A trustworthy record is one that is both an accurate statement of facts and a genuine manifestation of those facts Record trustworthiness thus has two qualitative dimensions reliability and authenticity Reliability means that the record is capable of standing for the facts to which it attests while authenticity means that the record is what it claims to be This study explores the evolution of the principles and methods for determining record trustworthiness from antiquity to the digital age and from the perspectives of law and history It also examines recent efforts undertaken by researchers in the field of archival science to develop methods for ensuring the trustworthiness of records created and maintained in electronic systems Audience The target audience for this study is legal scholars working in the field of evidence law historians working in the field of historical methodology and recordkeeping professionals records managers information technology specialists archivists working on the design and implementation of contemporary organizational recordkeeping systems

*The Crusader World* Adrian Boas, 2015-10-14 The Crusader World is a multidisciplinary survey of the current state of research in the field of crusader studies an area of study which has become increasingly popular in recent years In this volume Adrian Boas draws together an impressive range of academics including work from renowned scholars as well as a number of though provoking pieces from emerging researchers in order to provide broad coverage of the major aspects of the period This authoritative work will play an important role in the future direction of crusading studies This volume enriches present knowledge of the crusades addressing such wide ranging subjects as intelligence and espionage gender issues religious celebrations in crusader Jerusalem political struggles in crusader Antioch the archaeological study of battle sites and fortifications diseases suffered

by the crusaders crusading in northern Europe and Spain and the impact of Crusader art The relationship between Crusaders and Muslims two distinct and in many way opposing cultures is also examined in depth including a discussion of how the Franks perceived their enemies Arranged into eight thematic sections The Crusader World considers many central issues as well as a large number of less familiar topics of the crusades crusader society history and culture With over 100 photographs line drawings and maps this impressive collection of essays is a key resource for students and scholars alike

**The Crusader Armies** Steve Tibble, 2018-08-21 A major history of the Crusades that illuminates the strength and sophistication of the Western and Muslim armies During the Crusades the Western and Muslim armies developed various highly sophisticated strategies of both attack and defense which evolved during the course of the battles In this ambitious new work Steve Tibble draws on a wide range of Muslim texts and archaeological evidence as well as more commonly cited Western sources to analyze the respective armies strategy adaptation evolution and cultural diversity and show just how sophisticated the Crusader armies were even by today's standards In the first comprehensive account of the subject in sixty years Tibble takes a fresh approach to Templars Hospitallers and other key Orders and makes the controversial proposition that the Crusades were driven as much by sedentary versus nomadic tribal concerns as by religious conflict This fluently written broad ranging narrative provides a crucial missing piece in the study of the West's attempts to colonize the Middle East during the Middle Ages Now Tibble takes a new approach one that adds to prior research and may well influence subsequent research This book is a must read for medievalists R J Powell Choice A book that welcomes everyone regardless of the reader's background in the subject Crusade historians like to complain that the general public knows nothing about their scholarship It is books like this that will change that Thomas F Madden Reading Religion The Crusader Armies offers more than the obligatory corrections to the historical ignorance of our age It is a full scale reassessment of the warfare armies and enemies of the Western Crusades in the Middle East readable expertly sourced and well organized Timothy D Lusch Chronicles The Crusader Armies 1099-1187 is a worthy and sound contribution to the literature on its subject Steve Tibble paints a compelling picture of continual systemic warfare Laurence W Marvin Michigan War Studies Review Selected for Choice's 2019 Outstanding Academic Titles List

*Women and the White Man's God* Myra Rutherdale, 2007-10-01 Between 1860 and 1940 Anglican missionaries were very active in northern British Columbia Yukon and the Northwest Territories To date histories of this mission work have largely focused on men while the activities of women either as missionary wives or as missionaries in their own right have been seen as peripheral at best if not completely overlooked Based on diaries letters and mission correspondence *Women and the White Man's God* is the first comprehensive examination of women's roles in northern domestic missions The status of women in the Anglican Church gender relations in the mission field and encounters between Aboriginals and missionaries are carefully scrutinized Arguing that the mission encounter challenged colonial hierarchies Rutherdale expands our understanding of colonization at the intersection of gender race and religion This book is

a critical addition to scholarship in women s Canadian Native and religious studies and complements a growing body of literature on gender and empire in Canada and elsewhere      England and the Crusades, 1095-1588 Christopher Tyerman,1996-12-15 Drawing on a wide range of archival chronicle and literary evidence Tyerman brings to life the royal personalities foreign policy political intrigue taxation and fundraising and the crusading ethos that gripped England for hundreds of years Amazon      **Letters from the East** Malcolm Barber,Keith Bate,2016-05-06 No written source is entirely without literary artifice but the letters sent from Asia Minor Syria and Palestine in the high middle ages come closest to recording the real feelings of those who lived in and visited the crusader states They are not of course reflective pieces but they do convey the immediacy of circumstances which were frequently dramatic and often life threatening Those settled in the East faced crises all the time while crusaders and pilgrims knew they were experiencing defining moments in their lives There are accounts of all the great events from the triumph of the capture of Jerusalem in 1099 to the disasters of Hattin in 1187 and the loss of Acre in 1291 These had an impact on the lives of all Latin Christians but at the same time individuals felt impelled to describe both their own personal achievements and disappointments and the wonders and horrors of what they had seen Moreover the representatives of the military and monastic orders used letters as a means of maintaining contact with the western houses providing information about the working of religious orders not found elsewhere Some of the letters translated here are famous others hardly known but all offer unique insight into the minds of those who took part in the crusading movement      **Letters from the East** Mr Keith Bate,Professor Malcolm Barber,2013-07-28 This volume presents translations of a selection of the letters sent by crusaders and pilgrims from Asia Minor Syria and Palestine There are accounts of all the great events from the triumph of the capture of Jerusalem in 1099 to the disasters of Hattin in 1187 and the loss of Acre in 1291 They convey the immediacy of circumstances which were frequently dramatic and often life threatening and show us the feelings of those who lived in and visited the crusader states Some of the letters translated here are famous others hardly known but all offer unique insight into the minds of those who took part in the crusading movement
