Taming Our Monkey Mind Insight Detachment Identity:

Taming Our Monkey Mind Phyllis Krystal, 1994-02-01 In *Taming Our Monkey Mind* Phyllis Krystal explains how we often allow ourselves to get trapped by our desires. She equates this behavior to the monkey jar or gourd. The fistful of candy is too big to go through the small opening and he can't run from the hunters because his fist is stuck in the jar. Impulsive, curious, impatient, and driven by its senses, the monkey serves to illustrate how the undisciplined mind's attachments can become a prison. By taming our monkey mind, overcoming our greed and desire, we find the way to free ourselves from the material world so we can enter the world of the Divine. Phyllis Krystal shares Sai Baba's insights along with her own growth techniques in this exciting and very practical book. Think Stewart A. Zelman, 2012-07-23 Do you struggle with food issues or your weight? THINK will change your mind so you can finally achieve your weight loss goals. Whether you are 10, 40, or even 100 pounds or more overweight, you have likely struggled for years frustrated with your inability to take charge of your own body and behaviors. You are unique, and your reasons for being overweight are unique to you. But regardless of the roots of your issues, you are not alone. Dr. Stewart Zelman has led people of all ages and from all backgrounds to their weight loss goal. Now for the first time, he is offering you the same professional techniques and empowering information he offers in his private weight loss groups. THINK uniquely combines psycho-education and hypnotherapy to give you the tools you need to change your personal psychology and manage your weight permanently. You too will see a positive change both in your weight and in your own psychology when you apply these lessons to your own life. Ready for your new life to begin? *The Triple Incarnations of Sai Baba* Satya Pal Ruhela, 2015-06-11 This unique book provides comprehensive profiles of the three great incarnations of Sai Baba: Shirdi Sai Baba (1858-1918), Sathya Sai Baba (1926-2011), and the future Sri Prema Sai Baba, whose advent in the present century has been prophesied. They carry the triple message of work, worship, and wisdom. Shirdi Sai Baba laid the base for secular integration and gave the message of duty as work. Sathya Sai Baba's mission was to make every one realize that the same God resides in everyone. The future Prema Sai Baba will promote the evangelic news that not only God resides in everyone, but everyone is GOD. The special features of this book are: It presents research-based new information on the first two Incarnations which will enable readers to understand their lives, messages, miracles, and their status and unique roles as prophets/harbingers of the New Age Spirituality. It presents the thrilling future scenario of Prema Sai Baba's divine life as revealed by Sathya Sai Baba to his closest devotee, Vasantha Sai, who has been assured that she would be his wife, Prema, when he incarnates as Raja, who would later be known as Prema Sai Baba, and the mother of their only son, Rama. This book clears the prevailing confusion about Prema Sai Baba and gives a microscopic view of the New Age Spirituality. **Mindfulness and Meditation at University** Andreas de Bruin, 2021-04-16 Why should mindfulness and meditation be taught at universities? What impact could the establishment of such programs have on students and on the education system itself? Andreas de Bruin showcases the remarkable results of the first ten years of the Munich Model.

Mindfulness and Meditation in a University Context a program started in the year 2010 in which 2000 students have already participated Through meditation journal entries featured in the book students describe the effects of mindfulness and meditation on their studies and in their daily lives In addition to an overview of cutting edge research into mindfulness and meditation along with in depth analyses and explanations of key terms the book also contains numerous practical exercises with instructions

Unmasking Theatre Design: A Designer's Guide to Finding Inspiration and Cultivating Creativity Lynne Porter, 2014-12-15 Every great design has its beginnings in a great idea whether your medium of choice is scenery costume lighting sound or projections Unmasking Theatre Design shows you how to cultivate creative thinking skills through every step of theatre design from the first play reading to the finished design presentation This book reveals how creative designers think in order to create unique and appropriate works for individual productions and will teach you how to comprehend the nature of the design task at hand gather inspiration generate potential ideas for a new design and develop a finished look through renderings and models The exercises presented in this book demystify the design process by providing you with specific actions that will help you get on track toward fully formed designs Revealing the inner workings of the design process both theoretically and practically Unmasking Theatre Design will jumpstart the creative processes of designers at all levels from student to professionals as you construct new production designs **Library Journal**, 1994 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately
