Changing Teachers, Changing Times Andy Hargreaves, 2001-01-01 The rules of the world are changing It is time for the rules of teaching and teachers work to change with them This is the challenge which Andy Hargreaves sets out in his new book on teachers work and culture in the postmodern world Drawing on his current research with teachers at all levels Hargreaves shows through their own vivid words what teaching is really like how it is already changing and why He argues that the structures and cultures of

teaching need to change even more if teachers are not to be trapped by guilt pressed by time and overburdened by decisions imposed upon them Provocative yet practical this book is written for teachers and those who work with teachers and for researchers who want to understand teaching better in the postmodern age **The SAGE Handbook of School**

Organization Michael Connolly, David H. Eddy-Spicer, Chris James, Sharon D. Kruse, 2018-12-10 The SAGE Handbook of School Organization provides a substantial review of the history current status and future prospects of the field of school organization Bringing together chapters exploring key issues important debates and points of tension the Handbook highlights school and system organisational structure processes and dynamics coupled with insights into important theoretical foundations from diverse perspectives This volume is designed to provide a much needed critically informed and coherent account of the field against a backdrop of increasing complexity in which schooling as an institution and schools as organisations operate
