Julian Strube

Tantric Revisionings:

Tantric Revisionings Geoffrey Samuel, 2017-09-08 Tantric Revisionings presents stimulating new perspectives on Hindu and Buddhist religion particularly their Tantric versions in India Tibet or in modern Western societies Geoffrey Samuel adopts an historically and textually informed anthropological approach seeking to locate and understand religion in its social and cultural context The question of the relation between popular folk domestic village shamanic religion and elite literary textual monastic religion forms a recurring theme through these studies Six chapters have not been previously published the previously published studies included are in publications which are difficult to locate outside major specialist libraries

Tantric Revisionings Geoffrey Samuel, 2005 Relating to Tibetan Buddhism and Indian religion this work is a collection of articles These articles are linked by their subject matter and they are also linked by a common approach to religion **The Vajrabhairava Tantra** Aleksandra Wenta, 2025-09-02 A groundbreaking work on the little studied Indian origins of an influential tantric Buddhist practice along with a fresh English translation The deity Vajrabhairava or Yamantaka is well known as the central figure of tantric practice in multiple lineages of Tibetan Buddhism and is also found in Chinese and Japanese Buddhism Less is known about its foundational Indian context The Vajrabhairava Tantra dedicated to the buffalo headed deity Vajrabhairava arose around the eighth century and had a considerable impact on the formation of religious praxis in the medieval Indian Buddhist world This book contains a translation of the Vajrabhairava Tantra from the recently discovered Sanskrit text and a comprehensive study of its elements of its origins and Indian commentators and of the history of its transmission to Tibet The annotation to the translation excerpts all six Indian commentaries on the tantra found in the Tibetan canon One highly innovative contribution this work makes to the fields of tantric Buddhist studies and more generally to South Asian religions is the way it breaks down traditional disciplinary boundaries between tantra and magic It shows that the genesis of tantric traditions cannot be reduced to a one way influence of Hindu Shaivism on Buddhism or vice versa but indicates a widespread culture of magic a common ritual syntax that crossed sectarian linguistic and socio cultural boundaries one that came to be significantly diminished in later Shaiva and Buddhist tantras The study comprises the first half of the book and the second half is the translation which explains the construction of the mandala the magical applications of the practice the extraction of the mantra the visualization and the preparation of the pata painting and the homa fire ritual A dozen color plates illustrate Vajrabhairava in his Solitary Hero and other forms along with mandalas of five different lineages keys for which are provided in the appendix Not only is the English translation of the Vajrabhairava Tantra the first to be based on a Sanskrit manuscript but also the comprehensive study of all six canonical commentaries is the first to investigate the key commentaries by Akshobhya and Krishnacharya *Transformations and Transfer of Tantra in Asia and Beyond* István Keul, 2012-01-27 The essays in this volume written by specialists working in the field of tantric studies attempt to trace processes of transformation and transfer that occurred in the history of tantra from around the seventh

century and up to the present The volume gathers contributions on South Asia Tibet China Mongolia Japan North America and Western Europe by scholars from various academic disciplines who present ongoing research and encourage discussion on significant themes in the growing field of tantric studies In addition to the extensive geographical and temporal range the chapters of the volume cover a wide thematic area which includes modern Bengali tantric practitioners tantric ritual in medieval China the South Asian cults of the mother goddesses the way of Buddhism into Mongolia and countercultural echoes of contemporary tantric studies **Global Tantra** Julian Strube,2022 Global Tantra explores the global exchanges that shaped a subject often associated with sexuality social liberation and bodily wellbeing but that also offers insights into political and religious developments in colonial India involving race education and national identity The study elides boundaries in disciplinary historical and regional contexts tackles issues such as revivalism and reformism and provides an integrative approach that suggests ideas to advance the debate about post colonialism and cultural appropriation

Opening the Hidden Land Saul Mullard,2011-10-28 Using seventeenth and eighteenth century sources from the former Himalayan kingdom of Sikkim this book examines the construction of Sikkimese historiography and presents an interpretation of the history of state formation of Sikkim **Labrang Monastery** Paul Kocot Nietupski,2012-07-10 The Labrang Tibetan Buddhist Monastery in Amdo and its extended support community are one of the largest and most famous in Tibetan history This crucially important and little studied community is on the northeast corner of the Tibetan Plateau in modern Gansu Province in close proximity to Chinese Mongol and Muslim communities It is Tibetan but located in China it was founded by Mongols and associated with Muslims Its wide ranging Tibetan religious institutions are well established and serve as the foundations for the community s social and political infrastructures The Labrang community s borderlands location the prominence of its religious institutions and the resilience and identity of its nomadic and semi nomadic cultures were factors in the growth and survival of the monastery and its enormous estate This book tells the story of the status and function of the Tibetan Buddhist religion in its fully developed monastic and public dimensions It is an interdisciplinary project that examines the history of social and political conflict and compromise between the different local ethnic groups The book presents new perspectives on Qing Dynasty and Republican era Chinese politics with far reaching implications for contemporary China It brings a new understanding of Sino Tibetan Mongol Muslim histories and societies This volume will be of interest to undergraduate and graduate student majors in Tibetan and Buddhist studies in Chinese and Mongol studies and to scholars of Asian social and political studies Buddhism, International Relief Work, and Civil Society H. Kawanami,G. Samuel,2013-12-17 Natural disasters in Asian countries have brought global attention to the work of local Buddhist communities and groups Here the contributors examine local Buddhist communities and international Buddhist organizations engaged in a variety of relief work in countries including India Thailand Sri Lanka China and Japan Historical Dictionary of Shamanism Graham Harvey,Robert J. Wallis,2015-12-15 A remarkable array of people have been called shamans while the

phenomena identified as shamanism continues to proliferate This second edition of the Historical Dictionary of Shamanism contains with examples from antiquity up to today and from Siberia where the term shaman originated to Amazonia South Africa Chicago and many other places Many claims about shamans and shamanism are contentious and all are worthy of discussion In the most widespread understandings terms seem to refer particularly to people who alter states of consciousness or enter trances in order to seek knowledge and help from powerful other than human persons perhaps spirits But this says only a little about the artists community leaders spiritual healers or hucksters travelers in alternative realities and so on to which the label shaman has been applied This second edition contains a chronology an introduction and extensive bibliography The dictionary contains over 500 cross referenced dictionary entries on individuals groups practices and cultures that have been called shamanic This book is an excellent access point for students researchers and anyone wanting to know more about Shamanism

Trans-Himalayan Borderlands Dan Smyer Yu, 2025-10-01 The societies in the Himalayan borderlands have undergone wide ranging transformations as the territorial reconfiguration of modern nation states since the mid twentieth century and the presently increasing trans Himalayan movements of people goods and capital reshape the livelihoods of communities pulling them into global trends of modernisation and regional discourses of national belonging This book explores the changes to native senses of place the conception of border simultaneously as limitations and opportunities and what the authors call affective boundaries livelihood reconstruction and trans Himalayan modernities It addresses changing social political and environmental conditions that acknowledge growing external connectivity even as it emphasises the importance of place

Yeah, reviewing a ebook **Tantric Revisionings** could add your close connections listings. This is just one of the solutions for you to be successful. As understood, realization does not recommend that you have astonishing points.

Comprehending as capably as contract even more than extra will meet the expense of each success. bordering to, the message as skillfully as acuteness of this Tantric Revisionings can be taken as with ease as picked to act.
