Enriching American Homestay – Where is the Flush? (Second Edition) Merryn Choong,2012-02-01 Have you ever wondered how it feels like to be the only Asian foreign student studying in an American high school Have you ever thought of how life is being hosted in an American family with two host mums and six host siblings far far away from town with only true nature as your companion And have you ever had the craving for Malaysian food yet the options given were potatoes or salad This book is about a real life experience of an 18 year old Malaysian student who has never been out of the country alone But now she was chosen as an exchange student under the Kennedy Lugar YES Program to travel to the United States and to experience things which she had never expected to encounter Everything seemed so freshly new and exciting to her from the compost toilet at home to the lockers at school and even the scent of pine trees around her in Lyndborough New Hampshire As you read through you can see how her life was full of discoveries and funny moments due to the different cultures and lifestyle of both countries Also see how beautiful the countryside is and the experience of American school life    *Miles On the Mountain: Skiing At Sixty-four and Other Adventures* Charlie Avera,2020-02-27 Miles on the Mountain tells the story of the author s four year journey learning to ski in Colorado s beautiful Rocky Mountains This book is a simple and honest narrative that describes the ups and downs and successes and failures of an older guy learning to ski later in life In 1992 Charlie moved his family from Michigan to Colorado and has never regretted that decision But raising six children did not leave much time or money to take up an expensive sport like skiing However things changed in December 2013 when his

daughter asked him if he wanted to try it just once From that first day on the bunny hill at the age of 60 to skiing blue and black diamond runs in some of Colorado s most popular ski resorts this book is more than just a chronicle of events Miles on the Mountain engages you in many friendly conversational and sometimes humorous stories as Charlie learned to ski as a senior citizen as well as the back story of why he waited so long to start his skiing career **Ski**,1988-03 **Ski**,1972-12

Frank,2013-10-31 Nowhere in the world was the sport of biathlon a combination of cross country skiing and rifle marksmanship taken more seriously than in the Soviet Union and no other nation garnered greater success at international venues From the introduction of modern biathlon in 1958 to the USSR s demise in 1991 athletes representing the Soviet Union won almost half of all possible medals awarded in world championship and Olympic competition Yet more than sheer technical skill created Soviet superiority in biathlon The sport embodied the Soviet Union s culture educational system and historical experience and provided the perfect ideological platform to promote the state s socialist viewpoint and military might imbuing the sport with a Cold War sensibility that transcended the government s primary quest for post war success at the Olympics William D Frank s book is the first comprehensive analysis of how the Soviet government interpreted the sport of skiing as a cultural ideological political and social tool throughout the course of seven decades In the beginning the Soviet Union owned biathlon and so the stories of both the state and the event are inseparable Through the author s unique perspective on biathlon as a former nationally ranked competitor and current professor of Soviet history Everyone to Skis will appeal to students and scholars of Russian and Soviet history as well as to general readers with an interest in skiing and the development of twentieth century sport **Everyone's Trash** Duncan Watson,2024-11-15 Each day every single person in the United States all 324 million discards about five pounds of waste Be it a bottle that gets placed in a recycling bin or a piece of paper crumpled and tossed into the waste bin every bit of the daily 1 6 billion pounds cast off has a story This book is full of those stories It will wake you up and give you hope As the author Duncan Watson says More people in America recycle than vote Recycling is more popular than Democracy Watson has been running the City of Keene s solid waste program for 33 years He has brought nation attention to the program for solid waste disposal that Keene NH has built He spins a good yarn and the rich characters who populate the dump in Keene New Hampshire provide endless entertainment and a lot of laughs He is also a yoga teacher dog lover and he visits Comic Cons all over the country as he was a voice actor of Charlie Brown in three movies in his youth Be My Valentine Charlie Brown You re a Good Sport Charlie Brown and Race for Your Life Charlie Brown By turns hilarious and heartwarming distressing and hopeful Everyone s Trash is about way more than recycling and trash It s a poignant Xray of a small city s soul and a
