**Jan Lewis, Peter S. Onuf**

## **Slave Children Of Thomas Jefferson:**

The Slave Children of Thomas Jefferson Sam Sloan, 1998      Slave Children of Thomas Jefferson Samuel H. Sloan, 1998-09-01      **Sally Hemings & Thomas Jefferson** Jan Lewis, Peter S. Onuf, 1999 The DNA tests would not have been conducted had there not already been strong historical evidence for the possibility of a relationship As historians from Winthrop D Jordan to Annette Gordon Reed have argued much more is at stake in this liaison than the mere question of paternity historians must ask themselves if they are prepared to accept the full implications of our complicated racial history a history powerfully shaped by the institution of slavery and by sex across the color line      **Thomas Jefferson and Sally Hemings** Annette Gordon-Reed, 1998-03-29 When Annette Gordon Reed s groundbreaking study was first published rumors of Thomas Jefferson s sexual involvement with his slave Sally Hemings had circulated for two centuries Among all aspects of Jefferson s renowned life it was perhaps the most hotly contested topic The publication of Thomas Jefferson and Sally Hemings intensified this debate by identifying glaring inconsistencies in many noted scholars evaluations of the existing evidence In this study Gordon Reed assembles a fascinating and convincing argument not that the alleged thirty eight year liaison necessarily took place but rather that the evidence for its taking place has been denied a fair hearing Friends of Jefferson sought to debunk the Hemings story as early as 1800 and most subsequent historians and biographers followed suit finding the affair unthinkable based upon their view of Jefferson s life character and beliefs Gordon Reed responds to these critics by pointing out numerous errors and prejudices in their writings ranging from inaccurate citations to impossible time lines to virtual exclusions of evidence especially evidence concerning the Hemings family She demonstrates how these scholars may have been misguided by their own biases and may even have tailored evidence to serve and preserve their opinions of Jefferson This updated edition of the book also includes an afterword in which the author comments on the DNA study that provided further evidence of a Jefferson and Hemings liaison Possessing both a layperson s unfettered curiosity and a lawyer s logical mind Annette Gordon Reed writes with a style and compassion that are irresistible Each chapter revolves around a key figure in the Hemings drama and the resulting portraits are engrossing and very personal Gordon Reed also brings a keen intuitive sense of the psychological complexities of human relationships relationships that in the real world often develop regardless of status or race The most compelling element of all however is her extensive and careful research which often allows the evidence to speak for itself **Thomas Jefferson and Sally Hemings An American Controversy** is the definitive look at a centuries old question that should fascinate general readers and historians alike      **Jefferson's Sons** Kimberly Brubaker Bradley, 2013 A fictionalized look at the last twenty years of Thomas Jefferson s life at Monticello through the eyes of three of his slaves two of whom were his sons by his slave Sally Hemings      **Jefferson's Children** Shannon LaNier, Jane Feldman, 2020-12-15 Now available in ebook format one of the important books that marked the beginning of the ongoing conversation about slavery and our nation s history From the sixth great grandson of Thomas Jefferson and enslaved

woman Sally Hemmings comes an anthology of Jefferson's living descendants Told in the style of a family photo album with a combination of photographs and interviews Jefferson's Children is the riveting story of Thomas Jefferson and Sally Hemming's sixth great grandson Shannon Lanier's travels across the country to meet his relatives from both sides of the family The profiles contained chart the multiple perspectives of Jefferson's and Hemming's descendants from those who embrace their heritage to those who want nothing to do with Jefferson's legacy A fascinating picture soon emerges one that begins with a pairing of two individuals with vastly disparate levels of power on the one side the third president of the United States and the author of the Declaration of Independence on the other the woman who was his property and that ultimately represents America's complicated history with issues of diversity and race and the unusual ways in which we define family An ALA Best Book for Young Adults The portraits that emerge are as generous and jumbled as America itself The New York Times A book about American history racial identity and the bonds of family that will help young people navigate these difficult areas Black Issues Book Review

Master of the Mountain Henry Wiencek, 2025-09-23 Is there anything new to say about Thomas Jefferson and slavery The answer is a resounding yes Master of the Mountain Henry Wiencek's eloquent persuasive book based on new information coming from archaeological work at Monticello and on hitherto overlooked or disregarded evidence in Jefferson's papers opens up a huge poorly understood dimension of Jefferson's world We must Wiencek suggests follow the money So far historians have offered only easy irony or paradox to explain this extraordinary Founding Father who was an emancipationist in his youth and then recoiled from his own inspiring rhetoric and equivocated about slavery who enjoyed his renown as a revolutionary leader yet kept some of his own children as slaves But Wiencek's Jefferson is a man of business and public affairs who makes a success of his debt-ridden plantation thanks to what he calls the silent profits gained from his slaves and thanks to a skewed moral universe that he and thousands of others readily inhabited We see Jefferson taking out a slave equity line of credit with a Dutch bank to finance the building of Monticello and deftly creating smoke screens when visitors are dismayed by his apparent endorsement of a system they thought he'd vowed to overturn It is not a pretty story Slave boys are whipped to make them work in the nail factory at Monticello that pays Jefferson's grocery bills Parents are divided from children in his ledgers they are recast as money while he composes theories that obscure the dynamics of what some of his friends call a vile commerce Many people of Jefferson's time saw a catastrophe coming and tried to stop it but not Jefferson The pursuit of happiness had been badly distorted and an oligarchy was getting very rich Is this the quintessential American story

*Thomas Jefferson and Sally Hemings* Del Sandeen, 2018-12-15 To say that Thomas Jefferson was complicated would be an understatement A founding father and third American president Jefferson wrote the Declaration of Independence It said that all men are created equal Yet Jefferson owned slaves including a woman named Sally Hemmings with whom scholars believe he fathered several children Some two hundred years after the birth of their first child interest in Hemmings and Jefferson has hardly died down Movies television shows newspaper articles and literature have

been devoted to the pair Jefferson's legacy has also suffered as details emerge about his ties to Hemings. Is he a man that Americans should respect? With the help of this fascinating book, readers will learn about the nature of Jefferson's connection to someone who was legally his property and about his descendants, both black and white. **A President in the Family**

Byron W. Woodson, 2001-02-28 A sixth generation descendant of Thomas Jefferson and Sally Hemings details the quest to corroborate family lore to locate missing family members and to reveal the truth about the complex day to day life at Monticello. 30 photos. *The Slave Families of Thomas Jefferson: Introduction : Occupation lists* B. Bernethia

Reed, 2007-01-01 Extensive compilation of primary documents, maps and photographs tracing the genealogical history of the more than six hundred enslaved men, women and children who lived and worked on Thomas Jefferson's Virginia plantations.

**"Those who Labor for My Happiness"** Lucia C. Stanton, 2012 Our perception of life at Monticello has changed dramatically over the past quarter century. The image of an estate presided over by a benevolent Thomas Jefferson has given way to a more complex view of Monticello as a working plantation, the success of which was made possible by the work of slaves. At the center of this transition has been the work of Lucia C. Stanton, recognized as the leading interpreter of Jefferson's life as a planter and master and of the lives of his slaves and their descendants. This volume represents the first attempt to pull together Stanton's most important writings on slavery at Monticello and beyond. Stanton's pioneering work deepened our understanding of Jefferson without demonizing him. But perhaps even more important is the light her writings have shed on the lives of the slaves at Monticello. Her detailed reconstruction for modern readers of slaves' lives vividly reveals their active roles in the creation of Monticello and a dynamic community previously unimagined. The essays collected here address a rich variety of topics from family histories including the Hemingses to the temporary slave community at Jefferson's White House to stories of former slaves' lives after Monticello. Each piece is characterized by Stanton's deep knowledge of her subject and by her determination to do justice to both Jefferson and his slaves. Published in association with the Thomas Jefferson Foundation.

**The Slave Families of Thomas Jefferson**, 2007 Extensive compilation of primary documents, maps and photographs tracing the genealogical history of the more than six hundred enslaved men, women and children who lived and worked on Thomas Jefferson's Virginia plantations. *Reclamation* Gayle Jessup White, 2021-11-16 A Black descendant of Thomas Jefferson and Sally Hemings, family explores America's racial reckoning through the prism of her ancestors, both the enslaver and the enslaved. Gayle Jessup White had long heard the stories passed down from her father's family that they were direct descendants of Thomas Jefferson. She firmly believed, though others did not. For four decades the acclaimed journalist and genealogy enthusiast researched her connection to Thomas Jefferson to confirm its truth, once and for all. After she was named a Jefferson Studies Fellow, Jessup White discovered her family lore was correct. Poring through photos and documents and pursuing DNA evidence, she learned that not only was she a descendant of Jefferson on his father's side, she was also the great great great granddaughter of Peter Hemings, Sally Hemings's brother. In *Reclamation*

she chronicles her remarkable journey to definitively understand her heritage and reclaim it and offers a compelling portrait of what it means to be a black woman in America to pursue the American dream to reconcile the legacy of racism and to ensure the nation lives up to the ideals advocated by her legendary ancestor *Thomas Jefferson* Fawn M. Brodie, 1974 An ambitious perceptive portrayal of a complex man this bestselling biography breaks new ground in its exploration of Jefferson's inner life Brodie has humanized Jefferson without in the least diminishing him Wallace Stegner Photos The Hemingses of Monticello Annette Gordon-Reed, 2009-09-08 Winner of the Pulitzer Prize Winner of the National Book Award New York Times Bestseller 1 on Esquire's List of the 50 Best Biographies of All Time A commanding and important book Jill Lepore The New Yorker This epic work named a best book of the year by the Washington Post Time the Los Angeles Times Amazon the San Francisco Chronicle and a notable book by the New York Times tells the story of the Hemingses whose close blood ties to our third president had been systematically expunged from American history until very recently Now historian and legal scholar Annette Gordon Reed traces the Hemings family from its origins in Virginia in the 1700s to the family's dispersal after Jefferson's death in 1826 Rethinking Thomas Jefferson's Writings on Slavery and Race M. Andrew Holowchak, 2020-01-10 Revisionism has been the historical vogue for well over two decades concerning Jeffersonian scholarship This movement has been an attempt to neutralize the avowed hagiographical scholarship on Jefferson by aiming to offer an all too human Thomas Jefferson The regrettable result has been a depiction iterated and reiterated uncritically by scholars of a less than human Jefferson presenting him as an inveterate hypocrite and racist Thus Jeffersonian scholarship as argued here has become an exercise in useless fatuous repetition of the same claims that has impeded attempts by serious scholars to gain fresh insights into the mind of one of the greatest Americans This book offers a stimulating provocative challenge to the stale revisionist claims on Jefferson concerning his hypocrisy and racism It will appeal to mavens of Jefferson as well as scholars intent on moving forward with Jeffersonian scholarship The book will also appeal to those persons who believe it is time to resituate Jefferson on his little mountain *Thomas Jefferson and the Fight against Slavery* Cara Rogers Stevens, 2024-01-29 In this groundbreaking work Cara Rogers Stevens examines the fascinating life of Thomas Jefferson's book *Notes on the State of Virginia* from its innocuous composition in the early 1780s to its use as a political weapon by both pro and antislavery forces in the early nineteenth century Initially written as a brief statistical introduction to Virginia for French readers Jefferson's book evolved to become his comprehensive statement on almost all facets of the state's natural and political realms As part of an antislavery education strategy Jefferson also decided to include a treatise on the nature of racial difference as well as a manifesto on the corrupting power of slavery in a republic and a plan for emancipation and colonization In consequence his book for better or worse defined the boundaries of future debates over the place of African descended people in American society Although historians have rightly criticized Jefferson for his racism and failure to free his own slaves his antislavery intentions for the *Notes* have received only cursory notice partly because the original

manuscript was not available for detailed examination until recently By analyzing Jefferson s complex revision process Thomas Jefferson and the Fight against Slavery traces the evolution of Jefferson s views on race and slavery as he considered how best to persuade younger slaveholders to embrace emancipation Rogers Stevens then moves beyond Jefferson to examine contemporary responses to the Notes from white and black intellectuals and politicians concluding with an attempt by Jefferson s grandson to implement elements of the Notes s emancipation plan during Virginia s 1831 1832 slavery debates

*A President in the Family* Byron Writt Woodson,2021-09-24 Thomas Woodson was Jefferson s first child by Sally Hemings He was banished at the age of 12 after a journalist exposed Jefferson s relationship with his young slave *A President in the Family* traces Thomas Woodson s journey *Historic Americans (Benjamin Franklin, George Washington, John Adams, Thomas Jefferson) ... Second Edition. [With a Preface by O. B. F., I.e. O. B. Frothingham.]* Theodore PARKER,1871

*Family, Slavery, and Love in the Early American Republic* Jan Ellen Lewis,2021-10-26 One of the finest historians of her generation Jan Ellen Lewis 1949 2018 transformed our understanding of the early U S Republic Her groundbreaking essays defined the emerging fields of gender and emotions history and reframed traditional understandings of the founding fathers and the U S Constitution As significant as her work was within each of these subfields her most remarkable insights came from the connections she drew among them Gender and race slavery and freedom feelings and politics ran together in the hearts minds and lives of the men and women she studied Lewis s brilliant research revealed these long buried connections and illuminated their importance for America s past and present *Family Slavery and Love in the Early American Republic* collects thirteen of Lewis s most important essays Distinguished scholars shed light on the historical and historiographical contexts in which Lewis and her peers researched wrote and argued But the real star of this volume is Lewis herself confident unconventional erudite and deeply imaginative
