The Intertexture Of Apocalyptic Discourse In The New Testament Sbl Symposium 14:

The Intertexture of Apocalyptic Discourse in the New Testament Duane Frederick Watson, 2002 These essays examine the intertexture of apocalyptic discourse in the New Testament what the discourse represents refers to and uses of outside phenomena Intertexture includes references in the Hebrew Bible intertestamental and Greco Roman texts and social and cultural phenomena Paperback edition is available from the Society of Biblical Literature www.sbl-site.org **The Oxford Handbook of Hebrews and the Catholic Epistles** Patrick Gray, 2024 The study of Hebrews and the Catholic Epistles was never truly confined to their place in fraught ecclesiastical disputes Recent decades have witnessed a resurgence of interest in these writings The present volume seeks to assess the relevance of these works to various questions that are often posed to other parts of the New Testament canon to report on the current state of scholarship devoted to the interpretive issues they raise and to survey their rich and often overlooked afterlives **International Review of Biblical Studies, Volume 49 (2002-2003)** Bernhard Lang, 2004-02-01 Formerly known by its subtitle *Internationale Zeitschriftenschau f r Bibelwissenschaft und Grenzgebiete* the International Review of Biblical Studies has served the scholarly community ever since its inception in the early 1950 s Each annual volume includes approximately 2 000 abstracts and summaries of articles and books that deal with the Bible and related literature including the Dead Sea Scrolls Pseudepigrapha Non canonical gospels and ancient Near Eastern writings The abstracts which may be in English German or French are arranged thematically under headings such as e g Genesis Matthew Greek language text and textual criticism exegetical methods and approaches biblical theology social and religious institutions biblical personalities history of Israel and early Judaism and so on The articles and books that are abstracted and reviewed are collected annually by an international team of collaborators from over 300 of the most important periodicals and book series in the fields covered

Qumran Wisdom and the New Testament Benjamin Wold, 2022-12-22 When taken together the diverse writings found at Qumran and in the New Testament demonstrate participation in a common wisdom worldview *The Eschatological Implications of Isa 65 and 66 as the Conclusion of the Book of Isaiah* Emmanuel Uchenna Dim, 2005 What can one say about eschatology in the Old Testament For a number of scholars there is no eschatology in the Old Testament and for many others eschatology only occurs at the fringes of that section of the Bible Biblical Studies have tried to clarify the issues around eschatology but different views remain It is from this general background that this book examines the eschatology of the unit of Isa 65 and 66 The author throws new light on what Old Testament eschatology really is and offers a practical view of the unit of Isa 65 and 66 situating it within the larger Isaian tradition **Rhetoric, Ethic, and Moral Persuasion in Biblical Discourse** Thomas H. Olbricht, Anders Eriksson, 2005-10-27 A collection of essays from the Heidelberg conference on rhetoric and the New Testament [Thomasine Traditions in Antiquity](#) Jon Ma. Paul and the Rhetoric of Reversal in 1 Corinthians Matthew R. Malcolm, 2013-07-25 The first letter to the Corinthians is one of the most discussed biblical books in New Testament scholarship today Despite this there has been no consensus on its arrangement and central theme in particular why the topic of the resurrection was left until the end of the letter and what its theological significance would have been to the Corinthian church Matthew R Malcolm analyses this rhetoric of reversal examines the unity of the epistle and addresses key problems behind particular chapters He argues that while Jewish and Greco Roman resources contribute significantly to the overall arrangement of the letter Paul writes as one whose identity and rhetorical resources of structure and imagery have been transformed by his preaching or kerygma of Christ The study will be of interest to students of New Testament studies Pauline theology and early Christianity

Inaugurated Resurrection in Earliest Christianity Daniel W. Hayter, 2025-09-04 Daniel W Hayter explores the concept of inaugurated resurrection within earliest Christianity the view that believers have experienced a present resurrection with Christ in advance of their final resurrection at his return He argues that belief in inaugurated resurrection is already discernible in Paul s own writings in large part due to the influence of Scripture suggesting that the influence of Ezekiel 36 37 on Paul s understanding of the gift of the Spirit helps to explain this belief Paul saw inaugurated resurrection as a way of speaking of receiving the Spirit Hayter thus examines the reception of Ezekiel 36 37 in Second Temple Jewish literature in order to situate Paul s own understanding of these chapters in the wider Jewish context and follows with an extensive exploration of Ezekiel 36 37 in Paul s own writings He argues that Paul understood Ezekiel s vision of the resurrection of dry bones to have been fulfilled in the present in the gift of God s Spirit to those in Christ that Paul s understanding of Ezekiel is then brought to bear on a close exegesis of Romans 6 1 14 and that Paul s view of the Spirit in light of Ezekiel 36 37 helps to explain the strong connection between inaugurated resurrection and baptism Hayter concludes that far from being non bodily inaugurated resurrection by baptism in one Spirit implies incorporation into the resurrected body of Christ

Exploring Intertextuality B. J. Oropeza, Steve Moyise, 2016-09-20 This book aims to provide advanced students of biblical

studies seminarians and academicians with a variety of intertextual strategies to New Testament interpretation Each chapter is written by a New Testament scholar who provides an established or avant garde strategy in which 1 The authors in their respective chapters start with an explanation of the particular intertextual approach they use Important terms and concepts relevant to the approach are defined and scholarly proponents or precursors are discussed 2 The authors use their respective intertextual strategy on a sample text or texts from the New Testament whether from the Gospels Acts Pauline epistles Disputed Pauline epistles General epistles or Revelation 3 The authors show how their approach enlightens or otherwise brings the text into sharper relief 4 They end with recommended readings for further study on the respective intertextual approach This book is unique in providing a variety of strategies related to biblical interpretation through the lens of intertextuality

1 Corinthians B. J. Oropeza, 2017-10-27 This compact commentary on 1 Corinthians is both readable and full of insights that will engage students ministers and scholars alike The Apostle Paul writes to a relatively new church in which members are failing to maintain solidarity with other members They struggle to find their unique place in Roman society as Gentile followers of Jewish leaders that proclaim Christ as Lord Their many problems include competition over leadership and social prestige sexual impropriety household conflicts idol foods table fellowship protocols on gender and the use of spiritual gifts and confusion about death immortality and Christ's return Oropeza addresses Paul's response to these and other issues as he engages ancient biblical Jewish and Greco Roman sources along with recent scholarship This is a must read for those who want to understand the Corinthian situation and Paul's response in a new way

Discovering Revelation David A. deSilva, 2021-04-29 The book of Revelation has been received over the past several centuries with both fascination and aversion but one thing is certain it has profoundly shaped Christian history and culture And the way it has shaped history and culture has been determined in large part by how the book has been variously and sometimes irresponsibly interpreted David A deSilva addresses the interpretation and reception history of Revelation in this compact up to date and student friendly introduction to the book of Revelation focusing on its structure content theological concerns key interpretive debates and historical reception *Discovering Revelation* draws on a range of methodological approaches author text and reader centered as complementary rather than mutually exclusive ways of interpreting the text DeSilva pays special attention to defining features of Revelation such as its use of sequences of seven as a major structuring device its nonlinear plotline and its deployment of contrast and parody As deSilva writes A text as rich and multidimensional as Revelation calls for its readers to adopt a rich and multidimensional approach that draws upon a variety of interpretative angles and skills

Receiving Back One's Deeds Benjamin M. Dally, 2022-11-16 This book investigates the relationship between justification by faith and final judgment according to works as found in Paul's second epistle to the Corinthians within a Protestant theological framework Benjamin M Dally first demonstrates the diversity and breadth of mainstream Protestant soteriology and eschatology beginning at the time of the Reformation by examining the confessional standards of its four primary ecclesial theological streams Lutheran Reformed Anabaptist and Anglican The soteriological structure of each is assessed i e how each construes the relationship between justification and final judgment with particular attention given to how each speaks of the place of good works at the final judgment This initial examination outlines the theological boundaries within which the exegesis of Second Corinthians can legitimately proceed and illuminates language and conceptual matrices that will be drawn upon throughout the remainder of the book Then drawing upon the narrative logic of Paul's Early Jewish thought world Dally examines the text of Second Corinthians to discern its own soteriological framework paying particular attention to both the meaning and rhetorical function of the judgment according to works motif as it is utilized throughout the letter The book concludes by offering a Protestant synthesis of the relationship between justification and final judgment according to works in Second Corinthians giving an explanation of the role of works at the final judgment that arguably alleviates a number of tensions often perceived in other readings devoted to this key aspect of Pauline exegesis and theology Dally ultimately argues a three fold thesis 1 For the believer one's earthly conduct taken as a whole is best spoken of in the language of inferior secondary cause and or basis as far as its import at the last judgment 2 One's earthly conduct again taken as a whole is soteriologically necessary not solely but secondarily nonetheless and not simply of importance for the bestowal of non soteriological eschatological rewards 3 There are crucial resources from within mainstream Protestantism to authorize such ways of speaking and to simultaneously affirm these contentions in conjunction with a robust strictly forensic imputational traditional Protestant understanding of the doctrine of justification by faith alone

The Rhetoric of the New Testament Duane F. Watson, 2019-05-21 A new comprehensive bibliography of books and articles on the rhetoric of the New Testament published since AD 1500 The bibliography is arranged by categories which include Jewish heritage invention arrangement style hermeneutics with specific listings for each book of the NT It is prefaced with a select bibliography of primary and secondary sources on classical and modern rhetoric An invaluable research tool

Religion & Alcohol Charles Kevin Robertson, 2004 Religion and Alcohol

Sobering Thoughts is an intriguing and thought provoking collection of ten essays divided into two main parts The first part focuses on the use or prohibition of alcohol in various religious traditions with chapters exploring the Christian New Testament Judaism Islam Hinduism and tribal religions The second half of the book considers alcohol in its historical context with chapters examining drinking in medieval monasticism Victorian England the American South and films as well as the influence of movements such as Alcoholics Anonymous Annihilation Or Renewal? Mark B. Stephens,2011 Slightly revised version of the author's thesis Ph D Macquarie University 2009 *The Intertextuality of Paul's Apocalyptic Discourse* Doosuk Kim,2023-05-08 This book attempts to investigate two strands in a single work apocalyptic Paul and intertextuality First what does apocalyptic Paul mean Is it synonymous to eschatology as a theological notion or the end time mystery Many seminal works have delved into the intriguing yet unorganized notion of the apocalyptic Instead of attempting to provide a universal definition of the apocalyptic the author presents his understanding of the phenomenon particularly in the cultural realm The author contends that apocalyptic is neither all about the end time event nor merely a literary genre but an interpretive lens to understand the world and social phenomena one that is shaped and developed through culture and society Accordingly the term apocalyptic Paul implies how Paul views and understands the world history and supernatural phenomena through interaction with his cultural texts and context Second the author also suggests that intertextuality is not only about comparative literature study Rather intertextuality refers to cultural semiotics a sign system to deliver the meaning of text Based on this notion of intertextuality the author interprets how Paul envisages multiple phenomena heavenly ascent resurrection afterlife the origins of sin and two ages within his cultural context *A Pentecostal Commentary on Revelation* Jon K. Newton,2021-02-15 This new commentary approaches Revelation from a Pentecostal perspective but you may be surprised at what this does and doesn't mean in this case This is a serious commentary based on the Greek text and includes discussion of all the standard topics authorship date audience etc It gives interpretive priority to the original context and audience while also discussing application today Newton eschews all populist interpretations of Revelation and questions many assumptions built on futurist or historicist readings but includes a survey of recent scholarly Pentecostal work on Revelation and an extended discussion of what an authentic Pentecostal reading of Revelation might look like The commentary highlights features of Revelation that Pentecostals often look for such as its pneumatology but also draws attention to features that Pentecostal readers should take more seriously than they often do such as its missional focus the narrative flow intertextual references and the focus on atonement This makes it a more optimistic commentary than many available The commentary interacts in depth with five leading commentaries over the past twenty five years as well as over two hundred other books and articles including the oldest existing commentary on Revelation
