Guide to Psychic Power Rosemary Ellen Guiley, 1950-07-10 **Reason, Virtue and Psychotherapy** Antonia Macaro, 2006-06-14 In recent years philosophy has become increasingly popular as an alternative source of inspiration in helping people to lead a good life Ancient Greek philosophy in particular was conceived as a practical endeavour intended to have an impact on how people lived This book loosely organised around the structure of Aristotle s Nicomachean Ethics draws on Aristotle s ideas about virtue and on contemporary virtue ethics to create a framework that can be used by psychotherapists and counsellors in helping their clients or themselves to live flourishing lives It provides a clear discussion of Aristotle s key ideas about virtue and the good life and places these within the context of other philosophical and psychological theories both ancient and contemporary It goes on to address the practical relevance of these ideas to the everyday work of the therapist providing suggestions for practice and a number of useful exercises These will be particularly helpful for practitioners working with issues such as finding value and meaning in life making difficult decisions developing helpful character traits managing disruptive emotions and increasing self control Reason Virtue and Psychotherapy bridges the gap between academic philosophy and real life It will be of interest to practising counsellors and psychotherapists as well as students and trainees in these areas Since it is written in a clear jargon free style it is also appropriate for all those who are curious about how ancient understandings can improve their life *Your Body* Josephine Chia, 2009-07-16 In the quest for spiritual advancement or enlightenment people often view the body as an unimportant element or worse a hinderance *Your Body Gateway To The Divine* suggests that it is this erroneous idea which gives rise to our continual battle and obsession with our body and body image In this book Josephine Chia presents a celebration of the physical body of the Creator who created it and is a tool towards understanding how we can use our body and our five senses to find our way home to The Divine **Midlife Clarity** Cynthia Black, Laura Carlsmith, 2012-05-01 A woman s wisdom is one of the Earth s greatest natural resources With a perspective that only a certain number of years on Earth can bring the thirty two women in Midlife Clarity show that midlife can be a release of our true self a chance to be free of others expectations and a time to inventory our blessings With personal anecdotes essays short poetry and plenty of humor Midlife Clarity focuses on issues common to every woman Whether the topic is men self discovery death or struggle each woman finds those small moments of satisfaction and joy that after all are what life is all about Their midlife musings are at once basic and sublime obvious and

profound individual and global They inspire us to welcome change in our own lives with the same humor grit and strength

The Inspired Journey Alexis Mason, Sandye Brown, 2005-05-27 A woman begins her spiritual journey through her heart It is this heart connection that allows women to reach out for guidance as they move deeper within for spiritual discovery In The Inspired Journey authors Brown and Mason provide women with a nurturing yet challenging guide to lead them through their essential journey to God The journey is an experiential one Women will be inspired through the myths and stories within each chapter as well as through the revelations of the authors own life lessons Journaling and meditation exercises serve as useful tools to help women uncover the blocks that keep them from tapping into their God given greatness Whether studied alone or as part of a womens study group The Inspired Journey empowers women to choose more consciously to listen more deeply to surrender more willingly and to awaken more joyfully Deep within each womans heart the soft voice of Eternal Spirit longs to be acknowledged The Inspired Journey offers women the opening to hear the voice and respond to its urgings by creating a passionate spirit filled life
