Haynes, 2018-09-13 The figure of Dietrich Bonhoeffer 1906 1945 has become a clay puppet in modern American politics Secular radical liberal and evangelical interpreters variously shape and mold the martyr s legacy to suit their own pet agendas Stephen Haynes offers an incisive and clarifying perspective A recognized Bonhoeffer expert Haynes examines populist readings of Bonhoeffer including the acclaimed biography by Eric Metaxas Bonhoeffer Pastor Martyr Prophet Spy In his analysis Haynes treats among other things the November 2016 election of Donald Trump and the Bonhoeffer moment announced by evangelicals in response to the US Supreme Court s 2015 decision to legalize same sex marriage The Battle for Bonhoeffer includes an open letter from Haynes pointedly addressing Christians who still support Trump Bonhoeffer s legacy matters Haynes redeems the life and the man      **Prayerbook of Christ** Brad Pribbenow, 2018-08-31 The contributions of Dietrich Bonhoeffer to the fields of systematics ethics sociology and theology have become well known in recent decades What has been overlooked however is the significant contribution he has also made to the study and interpretation of the Psalms Bonhoeffer s approach to the Psalms is built upon an understanding of its relationship to prayer and to Jesus Christ the Crucified One Employing methods drawn from both premodern and modern exegetes Bonhoeffer develops a Christological interpretation of the Psalms which in certain key aspects has not been seen in the history of interpretation His is an interpretation informed by the historical reality of Jesus Christ praying the prayers of the Psalms in his incarnation As the church of today prays the Psalms it is encouraged by understanding that they are also praying the very words which Jesus prayed The Psalms are not only the prayerbook of the church more fundamentally they are the prayerbook of Jesus Christ In this book Pribbenow explores Bonhoeffer s unique Christological interpretation of the Psalms by means of a concentrated analysis of its development coherence and significance tracing it from its formation at Berlin University into the years of development at the Confessing Church Preacher s Seminary in Finkenwalde and through the months of interrogation and imprisonment at the hands of the Third Reich      *Reaching Out Without Dumbing Down* Marva J.
