The Irish Hunger Strike:

Biting at the Grave Padraig O'Malley,1991-10-31 In an eloquent and haunting book O Malley makes the fanaticism of the hunger strikers and their supporters the obdurate and morally discredited tactics of the British Government and the hopeless combat of the Protestant and Roman Catholic factions in the Northern Ireland struggle explicable and exposes the politics behind it The New York Times Book Review **The Irish Hunger Strike** Tom Collins,1987 **The 1981 Irish Hunger Strike** Michael C. Mentel,2024-01-19 The hunger strike of 1981 is regarded as one of the most tragic events in Irish history Ten men died over a period of 217 days in the H Blocks of Long Kesh Maze prison while exercising the most extreme form of civil disobedience available to them The Troubles that gave rise to the hunger strike had roots in the centuries of socio economic subjugation and religious persecution in Ireland In 1971 the British government began internment without trial for persons suspected of belonging to paramilitary organizations Eventually the British government granted Special Category Status to these prisoners before later stripping it from the prisons by 1976 leading to a five year prisoner protest that culminated in the 1981 hunger strike This book critically examines declassified British government documents that detail how the government's policies led to the 1981 hunger strike how Margaret Thatcher exacerbated the strike by refusing steps to end it and how the hunger strike eventually led to peace in the north Analysis also illustrates how the 1981 hunger strike and the ten men who died on it forced a revolutionary change in the political and governmental structure of the north and paved a road to peace that concluded with the signing of the 1998 Good Friday Agreement **One Day In My Life** Bobby Sands Trust,2001-01-01 Bobby Sands was 27 years old when he died He spent almost nine years of his life in prison because of his Irish republican activities He died in prison on 5 May 1981 on the sixty sixth day of his hunger strike at Long Kesh Prison outside Belfast This book documents a day in the life of Bobby Sands It is a tale of human bravery endurance and courage against a backdrop of suffering terror and harassment It will live on as a constant reminder of events that should never have happened and hopefully will never happen again *Writings From Prison* Bobby Sands Trust,1998-01-01 In this book the author chronicles the abuse by the British state of emergency laws harassment and intimidation of civilians injuries and deaths caused by rubber and plastic bullets collusion between British security forces British intelligence and loyalist paramilitaries unjust killings and murders by the security forces excessive punishments and degrading strip searches in prisons abuses ignored by all but a handful of individuals and civil rights organisations **Ten Men Dead** David Beresford,1997 In 1981 ten men starved themselves to death inside the walls of Long Kesh prison in Belfast While a stunned world watched and distraught family members kept bedside vigils one soldier after another slowly went to his death in an attempt to make Margaret Thatcher's government recognize them as political prisoners rather than common criminals Drawing extensively on secret IRA documents and letters from the prisoners smuggled out at the time David Beresford tells the gripping story of these strikers and their devotion to the cause An intensely human story Ten Men Dead offers a searing

portrait of strife torn Ireland of the IRA and the passions on both sides that Republicanism arouses The Year of the Irish Hunger Strike, 198? **Kevin Lynch and the Irish Hunger Strike** Aidan Hegarty, 2006-01-01 This book contains an excellent concise account of the 1981 prison hunger strike in the North of Ireland. It is a very accessible book for students and others wishing to acquire information on and an understanding of that historic event in recent Irish History. It also gives an incredible insight into the important role played by the families of the men on hunger strike particularly the parents of Kevin Lynch. Blanketmen Richard O'Rawe, 2005 Richard O'Rawe was a senior IRA prisoner in the H Blocks of Long Kesh prison. One of the Blanketmen he took part in the dirty protests that led to the hunger strikes of the early 1980s. Now O'Rawe gives his personal account of those turbulent times that saw British and Irish governments entering unprecedented negotiations with the IRA Army Council and the prisoners themselves. Passionate, disturbing and controversial, Blanketmen is a landmark book in the cruel history of Northern Ireland. Back cover **Biting at the Grave** Padraig O'Malley, 1990 Nothing But an Unfinished Song Denis O'Hearn, 2005-12-29 Bobby Sands was twenty seven years old when he died. He spent almost nine years of his life in prison because of his activities as a member of the Irish Republican Army (IRA). When he died on 5 May 1981 on the sixty sixth day of his hunger strike against repressive prison conditions in Northern Ireland's H Block, prisons, parliaments across the world stopped for a minute silence in his honor. Nelson Mandela followed Sands' example and led a similar hunger strike in South Africa and Fidel Castro compared his suffering to that of Jesus. Bobby Sands' remarkable life and death have made him an Irish Che Guevara. He is an enduring figure of resistance whose life has been an inspiration to millions around the world. In Hollywood, actors like Sean Penn, Mickey Rourke and Brad Pitt have flirted with a biopic of his life. But until the publication of Nothing But an Unfinished Song, no book has adequately explored the motivation of the hunger strikers nor recreated this period of history from within the prison cell. Denis O'Hearn's powerful biography with new material based on primary research and interviews illuminates for the first time this enigmatic, controversial and heroic figure. *Sacred and Secular Martyrdom in Britain and Ireland since 1914* John Wolffe, 2019-11-28 During and immediately after the First World War, there was a merging of Christian and nationalist traditions of martyrdom expressed in the design of war cemeteries and war memorials and the state funeral of the Unknown Warrior in 1920. John Wolffe explores the subsequent development of these traditions of sacred and secular martyrdom, analysing the ways in which they operated, sometimes in parallel, sometimes merged together and sometimes in conflict with each other. Particular topics explored include the Protestant commemoration of Marian and missionary martyrs and the Roman Catholic campaign for the canonization of the saints and martyrs of England. Secular martyrdom is discussed in relation to military conflicts, especially the Second World War and the Falklands. In Ireland, there was a particularly persistent merging of sacred and secular martyrdom in the wake of the Easter Rising of 1916, although by the time of the Northern Ireland Troubles in the later twentieth century, these traditions diverged. In covering these themes, the book also offers historical and comparative context.

for understanding present day acts of martyrdom in the form of suicide attacks *The Catholic Church and the Northern Ireland Troubles, 1968-1998* Margaret M. Scull, 2019-09-11 Until surprisingly recently the history of the Irish Catholic Church during the Northern Irish Troubles was written by Irish priests and bishops and was commemorative rather than analytical This study uses the Troubles as a case study to evaluate the role of the Catholic Church in mediating conflict During the Troubles these priests and bishops often worked behind the scenes acting as go betweens for the British government and republican paramilitaries to bring about a peaceful solution However this study also looks more broadly at the actions of the American Irish and English Catholic Churches as well as that of the Vatican to uncover the full impact of the Church on the conflict This critical analysis of previously neglected state Irish and English Catholic Church archival material changes our perspective on the role of a religious institution in a modern conflict Margaret Thatcher, the Conservative Party and the Northern Ireland Conflict, 1975-1990 Stephen Kelly, 2021-01-14 Winner of the 2022 CHOICE Outstanding Academic Titles The first woman elected to lead a major Western power and the longest serving British prime minister for 150 years Margaret Thatcher is arguably one the most dominant and divisive forces in 20th century British politics Yet there has been no overarching exploration of the development of Thatcher's views towards Northern Ireland from her appointment as Conservative Party leader in 1975 until her forced retirement in 1990 In this original and much needed study Stephen Kelly rectifies this From Thatcher's no surrender attitude to the Republican hunger strikes to her nurturing role in the early stages of the Northern Ireland peace process Kelly traces the evolutionary and sometimes contradictory nature of Thatcher's approach to Northern Ireland In doing so this book reflects afresh on the political relationship between Britain and Ireland in the late 20th century An engaging and nuanced analysis of previously neglected archival and reported sources Margaret Thatcher the Conservative Party and the Northern Ireland Conflict 1975 1990 is a vital resource for those interested in Thatcherism Anglo Irish relations and 20th century British political history more broadly *The Fast* John Oakes, 2024-02-13 With fasting at an all time high in popularity here is an enlightening exploration into the history science and philosophy behind the practice essential to many religions and wellness routines Whether for philosophical political or health related reasons fasting marks a departure from daily routine Based on extensive historical scientific and cultural research and reporting The Fast illuminates the numerous facets of this act of self deprivation John Oakes interviews doctors spiritual leaders activists and others who guide him through this practice and embarks on fasts of his own to deliver a book that supplies anyone curious about fasting with profound new understanding appreciation and inspiration In recent years fasting has become increasingly popular for a variety of reasons from weight loss to detoxing to the faithful who fast in prayer to seekers pursuing mindfulness to activists using hunger strikes as protest Notable fasters include Moses Buddha Jesus Muhammad Gandhi George Washington Abraham Lincoln Emily Dickinson Mark Twain Cesar Chavez and a long list of others who have drawn on its power over the ages and across borders and cultures The Fast looks at the complex science
