The Iron Road A Stand For Truth And Democracy In Burma:

The Iron Road James Mawdsley, 2002 Twenty eight year old Mawdsley spent much of the past four years in grim Burmese prisons The Iron Road is his story and the story of the regime that jailed him the way it jails tortures and kills hundreds of Burmese each day The Iron Road is the story of how one person can further the cause of justice through sheer will and determination The Iron Road James Mawdsley, 2015-07-07 A startling account of an evil regime and one young man's

efforts to defy it Twenty eight year old James Mawdsley spent much of the past four years in grim Burmese prisons The Iron Road is his story and the story of the regime that jailed him the way it jails tortures and kills hundreds of Burmese each day Mawdsley was working in New Zealand when he learned about the struggle of Daw Aung San Suu Kyi the Burmese Nobel laureate who is under house arrest Outraged he went to Burma staged a one man protest and was jailed There his own amazing story begins He is tortured interrogated released jailed again He turns his incarceration into a contest of wits going on a hunger strike toasting the year 2000 with a cigar and prison champagne and requesting 1 packet of freedom 1 bunch human rights and 2 bottles of democracy At the same time he asks himself What leads those of us in peaceful democracies to ignore others suffering just because it is happening over there to them James Mawdsley is a hero in a generation said to lack heroism The Iron Road named for a torture in which skin is scraped from bone with a piece of iron is an urgent call for an end to human rights abuses in Burma and is a keen analysis of the totalitarian mind set And it is the story at once moving and terrifying of how one person can further the cause of justice through sheer will and determination **Myanmar in Pictures**

Ho, 2015-01-31 When the world thinks of Burma it is often in relation to Nobel laureate and icon Aung San Suu Kyi But beyond her is another world one that

complicates the overdetermination of Burma as a pariah state and myths about the high status of Southeast Asian women. Highlighting and critiquing this fraught terrain, Tamara C. Ho's *Romancing Human Rights* maps Burmese women as real and imagined figures across the twentieth century and into the twenty-first century. More than a recitation of on-the-ground facts, Ho's groundbreaking scholarship, the first monograph to examine Anglophone literature and dynamics of gender and race in relation to Burma, brings a critical lens to contemporary literature, film, and politics through the use of an innovative feminist, queer methodology. She crosses intellectual boundaries to illustrate how literary and gender analysis can contribute to discourses surrounding and informing human rights and in the process offers a new voice in the debates about representation, racialization, migration, and spirituality. *Romancing Human Rights* demonstrates how Burmese women break out of prisons both real and discursive by writing themselves into being. Ho assembles an eclectic archive that includes George Orwell, Aung San Suu Kyi, critically acclaimed authors Ma Ma Lay and Wendy Law Yone, and activist Zoya Phan. Her close readings of literature and politicized performances by women in Burma, the Burmese diaspora, and the United States illuminate their contributions as authors, cultural mediators, and practitioner-citizens. Using flexible polyglot rhetorical tactics and embodied performances, these authors creatively articulate, alter, native epistemologies, regionally situated knowledges, and decolonizing viewpoints that interrogate and destabilize competing transnational hegemonies such as U.S. moral imperialism and Asian militarized dictatorship. Weaving together the fictional and non-fictional, Ho's gendered analysis makes *Romancing Human Rights* a unique cultural studies project that bridges postcolonial studies, area studies, and critical race, ethnic studies. A must-read for those with an interest in fields of literature, Asian and Asian American studies, history, politics, religion, and women's and gender studies.

Eyewitness to Early Reform in Myanmar Trevor Wilson, 2016-03-17 By 2000, a ruthless military regime had ruled Myanmar for more than a decade, polarising opinion inside and outside Burma. Myanmar, with Western countries locked into non-UN sanctions and Asian countries and the rest of the world locked into unenthusiastic cooperation with Myanmar. While the United Nations and its agencies faced numerous obstacles as they sought to encourage national reconciliation in Myanmar, conditions in Myanmar were slowly starting to change. With a reform faction in charge, the military regime itself, after 1999, slowly began experimenting with modest changes before committing in 2008 to transfer power via a constitutional referendum and national elections, both of which it effectively controlled. This book provides the first eyewitness account of the early reform experiments.

For Us, Surrender Is Out of the Question Mac McClelland, 2010-02-10 The human rights journalist and author of *Irritable Hearts: A PTSD Love Story* shines a light on the Karen refugees fleeing Burma's genocide. There's a civil war, the world's longest running, in fact, raging between the Burmese government and ethnic rebels. But since Burma is a country nearly shut out from the rest of the world, the only footage of the carnage comes via groups of young, tough, booze-loving refugees who run into war zones to collect it. And with these refugees is where we find Mac McClelland embedded in her staggering debut *For Us, Surrender Is Out of the Question*. Mac McClelland

weaves a narrative that is part investigative journalism part popular history and part memoir of a Midwestern twenty something girl living with refugee activists on the Burma Thailand border Driven by the community McClelland is illegally aiding a small group of brave young men and women For Us Surrender Is Out of the Question is an urgent and fascinating look at a weary conflict told by a bright new voice Alternately poignant and raucous angry and heartbreaking McClelland s reporting is very much from the ground up far livelier than we will ever get from the average foreign correspondent Adam Hochschild New York Times bestselling author Any reporting on the notoriously under documented Burmese war is critical reading a page turner like this one is not to be missed San Francisco Magazine Gritty informed passionate McClelland s gonzo sensibility big heart and keen eye for weird details bring this tale of inhuman cruelty and human resilience vividly alive Gary Kamiya cofounder of Salon
