**Android Avenger** Ted White,2013-10-02 All of a sudden I was moving faster than usual The other passengers standing on the subway platform seemed rooted to their places It took me only seconds to reach the top of the six flights of stairs and then I was out of the station and moving down Fulton Street at better than forty miles an hour What was happening to me It was as though I were the helpless passenger in a runaway car Something else had assumed control and was guiding me My body turned into an office building and raced down the corridor to a room where a man was sitting at a console He d begun to swing around in his chair when my mouth opened and a thin blood red ray shot out cleaving the man from head to abdomen Then it was over My mouth closed and I stood there stunned Up to today I was Bob Tanner an average

sane Citizen Now what was I man or murder machine      *Phoenix Prime* Ted White,2011-09-29 The dream of being a superman came true for Max Quest and immediately turned into a nightmare He was not alone There were Others with extraordinary powers and the last thing they wanted was another superman on Earth especially one working for good instead of evil They couldn't kill him But they could send him elsewhere Elsewhere was the viciously hostile world of Qanar where Max's powers didn't work and sorcery was a more potent weapon than science where shadows were as menacing as steel Max Quest still had to save Earth from the corrupt threat of the Others but he found his destiny intricately linked with that of Qanar as well And somewhere in space time was his lost love      **Forbidden World** Ted White,David Bischoff,2013-06-24 An
