Rites and Passages Jay R. Berkovitz,2010-08-03 In September 1791 two years after the Revolution French Jews were granted full rights of citizenship Scholarship has traditionally focused on this turning point of emancipation while often overlooking much of what came before In Rites and Passages Jay R Berkovitz argues that no serious treatment of Jewish emancipation can ignore the cultural history of the Jews during the ancien r gime It was during the late seventeenth and eighteenth centuries that several lasting paradigms emerged within the Jewish community including the distinction between rural and urban

communities the formation of a strong lay leadership heightened divisions between popular and elite religion and the strain between local and regional identities Each of these developments reflected the growing tension between tradition and modernity before the tumultuous events of the French Revolution Rites and Passages emphasizes the resilience of religious tradition during periods of social and political turbulence Viewing French Jewish history through the lens of ritual Berkovitz describes the struggles of the French Jewish minority to maintain its cultural distinctiveness while also participating in the larger social and economic matrix In the ancien régime ritual systems were a formative element in the traditional worldview and served as a crucial repository of memories and values After the Revolution ritual signaled changes in the way Jews related to the state French society and French culture In the cities especially ritual assumed a performative function that dramatized the epoch making changes of the day The terms and concepts of the Jewish religious tradition thus remained central to the discourse of modernization and played a powerful role in helping French Jews interpret the diverse meanings and implications of emancipation Introducing new and previously unused primary sources Rites and Passages offers a fresh perspective on the dynamic relationship between tradition and modernity The New Larned History for Ready Reference, Reading and Research Josephus Nelson Larned, 1923 Comparing Jewish Societies Todd M. Endelman, 2025-08-14 Having unfolded in the diverse communities of the diaspora Jewish experience lends itself almost effortlessly to comparative treatment The contributors to this volume take up the challenge examining Jewish societies from medieval to modern times in Western and Eastern Europe North and South America North Africa India China and the Middle East The essays use the methodological strategies and theoretical insights of history sociology anthropology and political science to explore such topics as Jewish and African nationalism Arab and Jewish railway workers in British ruled Palestine East European Jewish immigrants in New York London and Paris ritual murder trials in fin de siècle Central Europe and Catholic and Jewish enlightenment movements Further because of their comparative structure and method these essays stimulate fresh questions about the larger societies in which Jews lived their values practices and structures Comparing Jewish Societies will appeal to students and scholars at all levels who wish to break out of old frameworks to observe the Jews and their religion with a new methodologically sophisticated eye Todd M Endelman is William Haber Professor of Modern Jewish History University of Michigan Collect and Record! Laura Jockusch, 2015 This volume tells the largely unknown story of Holocaust survivors who founded Jewish historical commissions and documentation centers in Europe immediately after World War II Their initiatives collected thousands of Nazi documents along with 20 000 testimonies 10 000 questionnaires and large numbers of memoirs diaries songs poems and artifacts of Jewish victims They pioneered the development of a Holocaust historiography that used both victim and perpetrator sources to describe the social economic and cultural aspects of the everyday life and death of European Jews under the Nazi regime while placing the experiences of Jews at the center of the story The Early Methodist Class Meeting David Lowes Watson, 2002-04-22
