Prison Doctor of Auschwitz Bogdan Musial, 2024-09-30 After over half a century of secrecy a Swiss bank safe was opened it contained the long lost research notes of Josef Mengele as well as those of his chief assistant in Auschwitz They had been deposited there by the assistant who himself had been a Jewish doctor Sent to Auschwitz he was forced to participate in Josef Mengele s gruesome human experiments Following the war he completely disappeared assuming a new identity and shrouding himself in silence He did write his story down but ordered the documents to be sealed away until decades after his death With the release date drawing closer his granddaughter a well connected Vatican doctor wanted to have the documents examined by a professional historian Thus a great investigation was launched to track him down and pin down his place in the medical system in Auschwitz and the horrendous medical experiments conducted there However after some time doubts regarding the authenticity of the documents began to emerge Thus what promised to be a sensational historical breakthrough soon turned into a criminal investigation into one of the greatest historical fraud attempts in recent decades At the end of the second investigation the person behind the forged documents was brought to trial and sentenced on 22 counts of fraud This book thoroughly examines the way the fraud evolved over the span of three decades and how it succeeded in convincing so many people while also comparing it to other historic hoaxes particularly those concerning the Holocaust

Boller Jr. Emeritus Professor of History Texas Christian University,Oklahoma John George Jr. Professor of Political Science and Sociology Central State University,1989-05-18 Abraham Lincoln never said You cannot fool all the people all the time Thomas Jefferson never said That government is best which governs least And Horace Greeley never said Go west young man In They Never Said It Paul Boller Jr and John George examine hundreds of misquotations incorrect attributions and blatant fabrications outlining the origins of the quotes and revealing why they should be consigned to the historical trashcan Many of the misquotes are quite harmless Some are inadvertent misquotes that have become popular Shakespeare actually said The best part of valor is discretion others the inventions of reporters embellishing a story Franklin Roosevelt never opened a speech to a DAR group with the salutation My fellow immigrants But some of the quotes such as Charles Darwin s supposed deathbed recantation of evolution are blatantly dishonest and falsify

the historical record And others are chillingly vicious filled with virulent racial and religious prejudices that completely distort the views of the person supposedly quoted and spread distrust and hatred among the gullible These include the forged remarks attributed to Benjamin Franklin that Jews should be excluded from America and the fabricated condemnation of Catholics attributed to Lincoln An entertaining and yet thought provoking book They Never Said It sorts out a great deal of history and sets it right going beyond a mere catalog of popular misconceptions to reveal how conservatives and liberals atheists and evangelists all have at times twisted and even invented the words of eminent figures to promote their own ends It is the ultimate debunking reference a perfect complement to handbooks of quotations **Fake?** Mark Jones, Paul T. THE SATANIC VERSES OF THE BIBLE** Maximillien De Lafayette, **Navigating Fake News, Alternative Facts, and Misinformation in a Post-Truth World** Dalkir, Kimiz, Katz, Rebecca, 2020-02-28 In the current day and age objective facts have less influence on opinions and decisions than personal emotions and beliefs Many

individuals rely on their social networks to gather information thanks to social media's ability to share information rapidly and over a much greater geographic range. However, this creates an overall false balance as people tend to seek out information that is compatible with their existing views and values. They deliberately seek out facts and data that specifically support their conclusions and classify any information that contradicts their beliefs as false news. Navigating Fake News: Alternative Facts and Misinformation in a Post Truth World is a collection of innovative research on human and automated methods to deter the spread of misinformation online such as legal or policy changes, information literacy workshops, and algorithms that can detect fake news dissemination patterns in social media. While highlighting topics including source credibility, share culture, and media literacy, this book is ideally designed for social media managers, technology and software developers, IT specialists, educators, columnists, writers, editors, journalists, broadcasters, newscasters, researchers, policymakers, and students.

"Fake News" Theology Kenton L. Sparks, 2020-02-27 No matter what side you're on or how you look at it, we're living in a world that's filled with fake news and with lots of people who believe it. How does Christianity fit into this world? In this book, Kenton Sparks argues that certain approaches to biblical authority, which assume that the Bible is a perfect book, make Christians especially susceptible to the deceptions of fake news and cause us to embrace false understandings of the Bible. And because of this, about natural science, social science, various academic disciplines, politics, morals, ethics, and loads of other things, the resulting damage to faith and Christian witness is significant. Is there a better way to understand and honor biblical authority? Yes. We must restore God as the final authority over our interpretations of Scripture. The path forward for this theological agenda was modeled by Jesus Christ in his interpretations of Scripture. Whereas his contemporaries often followed the letter of the law or something akin to it, Jesus taught that love for God and neighbor provided the proper foundation and destination for healthy readings and applications of the Bible. If love required more radical internal commitments to the law, Jesus demanded this of his audience where love required that we set aside the law's violent judgments; he pointed his audience in the opposite direction. In modeling this approach to Scripture, Jesus taught as one with authority and thus showed us that when we interpret Scripture through the lens of divine love, we give ourselves the best opportunity to read Scripture under the authority of God.

Russian-Speaking Jews in Germany's Jewish Communities, 1990-2005 Joseph Cronin, 2019-10-29 This book explores the transformative impact that the immigration of large numbers of Jews from the former Soviet Union to Germany had on Jewish communities from 1990 to 2005. It focuses on four points of tension and conflict between existing community members and new Russian-speaking arrivals. These raised the fundamental questions: who should count as a Jew? how should Jews in Germany relate to the Holocaust? and who should the communities represent? By analyzing a wide range of source material, including Jewish and German newspapers, Bundestag debates, and the opinions of some prominent Jewish commentators, Joseph Cronin investigates how such conflicts arose within Jewish communities and the measures taken to deal with them. This book provides a unique insight into a Jewish population little

understood outside Germany but whose significance in the post Holocaust world cannot be underestimated

Uncomfortable Conversations with a Jew Emmanuel Acho, Noa Tishby, 2025-03-18 For Emmanuel Acho and Noa Tishby no question about Jews is off limits They go there They cover Jews and money Jews and power Jews and privilege Jews and white privilege The Black and Jewish struggle Emmanuel asks Did Jews kill Jesus To which Noa responds Why are Jewish people history's favorite scapegoat They unpack Judaism itself Is it a religion culture a peoplehood or a race And Are you antisemitic if you're anti Zionist The questions and answers might make you squirm but together they explain the tropes stereotypes and catalysts of antisemitism in America today The topics are complicated and Acho and Tishby bring vastly different perspectives Tishby is an outspoken Israeli American Acho is a mild mannered son of a Nigerian American pastor But they share a superpower an uncanny ability to make complicated ideas easy to understand so anyone can follow the straight line from the past to our immediate moment and then see around corners Acho and Tishby are united by the core belief that hatred toward one group is never isolated if you see the smoke of bigotry in one place expect that we will all be in the fire
