The Jewish Political Tradition Volume I Authority:

The Jewish Political Tradition Michael Walzer, Menachem Lorberbaum, Noam J. Zohar, Yair Loberbaum, 2008-10-01
This book launches a landmark four volume collaborative work exploring the political thought of the Jewish people from biblical times to the present Each volume includes a selection of texts from the Bible and Talmud midrashic literature legal responsa treatises and pamphlets annotated for modern readers and accompanied by new commentaries written by eminent philosophers lawyers political theorists and other scholars working in different fields of Jewish studies These contributors join the arguments of the texts agreeing or disagreeing elaborating refining qualifying and sometimes repudiating the political views of the original authors The series brings the little known and unexplored Jewish tradition of political thinking and writing into the light showing where and how it resonates in the state of Israel the chief diaspora settlements and more broadly modern political experience This first volume Authority addresses the basic question of who ought to rule the community What claims to rule have been put forward from the time of the exodus from Egypt to the establishment of the state of Israel How are such claims disputed and defended What constitutes legitimate authority The authors discuss the authority of God then the claims of kings priests prophets rabbis lay leaders gentile rulers during the years of the exile and the Israeli state The volume concludes with several perspectives on the issue of whether a modern state can be both Jewish and democratic Forthcoming volumes will address the themes of membership community and political vision Among the contributors to this volume Amy Gutmann Moshe Halbertal David Hartman Moshe Idel Sanford Levinson Susan Neiman Hilary Putnam Joseph Raz Michael Sandel Allan Silver Yael Tamir [The Jewish Political Tradition: Authority](#) No'am Zohar, Yair Lorberbaum, 2000 This text launches a four volume collaborative work exploring the political thought of the Jewish people from biblical times to the present This volume addresses the basic question of who ought to rule a community

The Jewish Political Tradition Michael Walzer, Menachem Lorberbaum, Noam Zohar, Yair Lorberbaum, 2000-01-01 This book launches a landmark four volume collaborative work exploring the political thought of the Jewish people from biblical times to the present Each volume includes a selection of texts from the Bible and Talmud midrashic literature legal responsa treatises and pamphlets annotated for modern readers and accompanied by new commentaries written by eminent philosophers lawyers political theorists and other scholars working in different fields of Jewish studies These contributors join the arguments of the texts agreeing or disagreeing elaborating refining qualifying and sometimes repudiating the political views of the original authors The series brings the little known and unexplored Jewish tradition of political thinking and writing into the light showing where and how it resonates in the state of Israel the chief diaspora settlements and more broadly modern political experience This first volume Authority addresses the basic question of who ought to rule the community What claims to rule have been put forward from the time of the exodus from Egypt to the establishment of the state of Israel How are such claims disputed and defended What constitutes legitimate authority The authors discuss the

authority of God then the claims of kings priests prophets rabbis lay leaders gentile rulers during the years of the exile and the Israeli state The volume concludes with several perspectives on the issue of whether a modern state can be both Jewish and democratic Forthcoming volumes will address the themes of membership community and political vision Among the contributors to this volume Amy Gutmann Moshe Halbertal David Hartman Moshe Idel Sanford Levinson Susan Neiman Hilary Putnam Joseph Raz Michael Sandel Allan Silver Yael Tamir

Authority, Power, and Leadership in the Jewish Polity Daniel Judah Elazar, 1991 An informative exploration of the Jewish polity from biblical times to the present

Democracy and the Ten Commandments Robert Kimball Shinkoskey, 2016-07-12 For 2 000 years Western culture has leaned heavily on the Ten Commandments for guidance in religion ethics and morality The author drawing upon modern Biblical science demonstrates that those laws were designed for an entirely different purpose to provide alternatives to repressive policies Israel reeled under in Egypt The Decalogue is a political document designed to limit government intrusion into private lives Its precepts deal with matters like political parties and intellectual freedom central banking and taxation occupational choice free economy humane working conditions local government right to life and international relations land possession and inheritance equal justice and education and citizenship and public health The author's interpretation necessitates a wholesale repositioning of Biblical religion The Bible is not a book about religious worship but is rather a book about citizen empowered local democracy This essay suggests a way out of the woods for an American democracy that has lost its way in a headlong veer toward heavy handed central government

Justifying the Obligation to Die Ilan Zvi Baron, 2009-06-16 One of the state's key features is its ability to oblige its citizens to risk their lives on its behalf by being sent into war However what is it about the state or its equivalent that makes this obligation justifiable Justifying the Obligation to Die is the first monograph to explore systematically how this obligation has been justified Using key texts from political philosophy and just war theory it provides a critical survey of how this obligation has been justified and using illustrations from Zionist thought and practice demonstrates how the various arguments for the obligation have functioned The obligation to risk one's life for the state is often presumed by theorists and practitioners who take the state for granted but for the Zionists a people without a state but in search of one and who have little history of state based political thought it became necessary to explain this obligation As such this book examines Zionism as a Jewish political theory reading it alongside the tradition of Western political thought and critiques how Zionist thought and practice sought to justify this obligation to risk one's life in war_what Michael Walzer termed the obligation to die Finally turning to the political thought of Hannah Arendt the author suggests how the obligation could become justifiable although never entirely justified For the obligation to become at all justifiable the type of politics that the state enables must respect human diversity and individuality and restrict violence so that violence is not a continuation of politics

Jews and State Building, 2024-12-09 This volume aims to shed new light on the history of the Jews in Italy between the early modern period and the emergence of a unified Italian state explicitly placing Jews within

the history of the state building process It seeks to reconsider Jewish history systematically by stressing the relation of Jews and the state and to trace how Jews and their communities were reshaped in the early modern period *British Jews and Imperial Service* Stephanie M. Chasin,2023-12-28 In the wake of the devastating WWI three Jews headed the most valuable territory in the British Empire in addition to a strategically important new addition Edwin Montagu held the position of Secretary of State for India Rufus Isaacs Lord Reading was the newly appointed Viceroy of India and Herbert Samuel arrived in Jerusalem as the first High Commissioner of Palestine Their appointments came at a time of great upheaval as Indian nationalists clamoured for independence pan Islamists fought to keep the defeated Ottoman Empire intact and the sultan in Constantinople and Zionists sought to build on the wartime promise by the British government to create a Jewish homeland in Palestine in face of opposition by Palestinians and pan Islamists The task of tackling these issues was made all the more difficult by accusations that Jews were not loyal to the British Empire and its goals a view promoted by the appearance of the antisemitic Protocols of the Elders of Zion in English translation This book follows this web of divisive imperial politics and nationalist and pan Islamist aspirations in India and Palestine through the lives and work of these three men whose efforts were coloured by the post war fear of a declining empire that was being corroded from within **The Political Culture of Judaism** Martin Sicker,2001-08-30 Sicker examines the fundamental norms of civic conduct considered essential to the emergence and moral viability of the good society envisioned in the source documents and traditions of Judaism The principles underlying the desired behavioral norms constitute the ethical underpinnings of the unique civilization envisioned by Mosaic teaching a Judaic civilization characterized by instituted norms of civil conduct deemed necessary to ensure appropriate civil relations between persons individually and collectively The tensions in Judaic thought regarding the concept of democracy as a paradigm for Judaic government are examined including the theological as well as moral implications of democracy that cast doubt on its appropriateness as a political ideal Sicker considers the role of popular consent as a legitimating factor in the Judaic polity and the distinctively Judaic approach to the ordering of civil relations in society within the constitutional context of a nomocratic regime based on halakhah Judaism s own dynamic system of canon law Three fundamental societal issues are then explored The status of the individual within the properly constituted society and the relationship of the citizen to the state Included in this discussion is the question of the legitimacy of civil disobedience Sicker examines the practical implications for public policy of the Judaic imperatives regarding social justice and the idea of prescriptive equality He then takes a hard look at the classical Judaic approach to dealing with the problems of ensuring national security within the context of Judaic norms *Critical Issues in Israeli Society* Alan Dowty,2004-01-30 Fashioning a working political structure in Israel that will bring together all aspects of society from Jews to Arabs ultra Orthodox to assertively secular has never been easy However two developments have intensified this challenge demographic changes have sharpened the differences between the groups and open challenges of legitimacy have undermined the previous de

facto acceptance of pluralism There has been no strong civic framework of Israeliness to replace Zionism as a shared identity that would override more parochial identities and interests Added to these pressures are the collapse of the peace process in late 2000 and the influence of global developments on the Arab Israel conflict and on Israeli domestic society In this volume twelve noted scholars of Israel present authoritative and analytic overviews of these important issues The ability of the Israeli political system to bridge differences through a Jewish tradition of power sharing has in the past managed to overcome enormous divisions at least within the Jewish sector Economic progress and globalization have brought Israel closer to other developed societies in many respects while exposing Israel to pressures associated with these trends Closer analysis of these critical issues reveals that there are also positive forces at work as the nation seeks a broader synthesis of its Jewish legacy and universal liberal values

Poverty and Morality William A. Galston, Peter H. Hoffenberg, 2010-09-20 This multi authored book explores the ways that many influential ethical traditions secular and religious Western and non Western wrestle with the moral dimensions of poverty and the needs of the poor These traditions include Buddhism Christianity Confucianism Hinduism Islam and Judaism among the religious perspectives classical liberalism feminism liberal egalitarianism and Marxism among the secular and natural law which might be claimed by both The basic questions addressed by each of these traditions are linked to several overarching themes what poverty is the particular vulnerabilities of high risk groups responsibility for the occurrence of poverty preferred remedies how responsibility for its alleviation is distributed and priorities in the delivery of assistance This volume features an introduction to the types scope and causes of poverty in the modern world and concludes with Michael Walzer's broadly conceived commentary which provides a direct comparison of the presented views and makes suggestions for further study and policy

The Crown and the Courts David C. Flatto, 2020-11-10 A scholar of law and

religion uncovers a surprising origin story behind the idea of the separation of powers. The separation of powers is a bedrock of modern constitutionalism but striking antecedents were developed centuries earlier by Jewish scholars and rabbis of antiquity. Attending carefully to their seminal works and the historical milieu, David Flatto shows how a foundation of democratic rule was contemplated and justified long before liberal democracy was born. During the formative Second Temple and early rabbinic eras, the fourth century BCE to the third century CE, Jewish thinkers had to confront the nature of legal authority from the standpoint of the disempowered Jews. They struggled against the idea that a legal authority stemming from God could reside in the hands of an imperious ruler, even a hypothetical Judaic monarch. Instead, scholars and rabbis argued that such authority lay with independent courts and the law itself. Over time, they proposed various permutations of this ideal. Many of these envisioned distinct juridical and political powers with a supreme law demarcating the respective jurisdictions of each sphere. Flatto explores key Second Temple and rabbinic writings: the Qumran scrolls, the philosophy and history of Philo and Josephus, the Mishnah, Tosefta, Midrash, and Talmud to uncover these transformative notions of governance. *The Crown and the Courts* argues that by proclaiming the supremacy of law in the absence of power, postbiblical thinkers emphasized the centrality of law in the people's covenant with God, helping to revitalize Jewish life and establish allegiance to legal order. These scholars proved not only creative but also prescient. Their profound ideas about the autonomy of law reverberate to this day.

A Kingdom for a Stage Mark W. Hamilton, 2018-03-05. The political rhetoric of ancient Israel took several literary, architectural, and graphic forms. Much of the relevant material concerns kingship, but other loci of authority and submission also drew significant attention. Mark W. Hamilton illustrates how these texts interacted with other political rhetorics, especially those of the great Mesopotamian empires. By paying close attention to the argumentation of the Israelite literature as well as their function as epideictic oratory building solidarity with hearers, he reveals the complexity of Israelite intellectual activity both during and after the period of the monarchy. By doing this, he shows that this body of thought lies at the heart of Western political thought even today.

Jewish Book World, 2002

Citizen-Saints Julia Reinhard Lupton, 2014-02-11. Turning to the potent idea of political theology to recover the strange mix of political and religious thinking during the Renaissance, this bracing study reveals in the works of Shakespeare and his sources the figure of the citizen saint who represents at once divine messenger and civil servant, both norm and exception. Embodied by such diverse personages as Antigone, Paul, Barabbas, Shylock, Othello, Caliban, Isabella, and Samson, the citizen saint is a sacrificial figure, a model of moral and aesthetic extremity who inspires new regimes of citizenship with his or her death and martyrdom. Among the many questions Julia Reinhard Lupton attempts to answer under the rubric of the citizen saint are: how did states of emergency, acts of sovereign exception, and Messianic anticipations lead to new forms of religious and political law? What styles of universality were implied by the abject state of the pure creature at sea in a creation abandoned by its creator? And how did circumcision operate as both a marker of ethnicity and a means of conversion and civic naturalization? Written with

clarity and grace Citizen Saints will be of enormous interest to students of English literature religion and early modern culture

Management Ethics and Talmudic Dialectics Nathan Lee Kaplan, 2014-07-08 Nathan Lee Kaplan develops a talmudic perspective on management ethics By analyzing the central ethical dilemmas of corporate managers in light of applicable traditions from the Oral Torah this book offers a critical bridge between the contemporary business corporation and rabbinic Judaism's foundational tradition The issues studied thereby include organizational culture fraud and corruption whistle blowing investor and employment relations executive compensation corporate social responsibility and environmental sustainability

Intrigue and Revolution Yaron Harel, 2015-06-18 Yaron Harel has constructed a dramatic story of how eleven chief rabbis all became the subject of controversy and were subsequently dismissed This took place against a background of crime and licentiousness rarely documented in the context of Jewish society Set firmly in the social and political developments of the time this colourful picture is very different from the commonly accepted image of Jewish communities in the Ottoman Empire

The King Is in the Field Julie E. Cooper, Samuel Hayim Brody, 2023-06-06 If politics is about the state can a stateless people be political Until recently scholars were fiercely divided regarding whether Jews engaged in politics displayed political wisdom or penned works of political thought over the two millennia when there was no Jewish state But over the past few decades the field of Jewish political thought has begun to examine the ways in which Jewish individuals and communal organizations behaved politically even in diaspora The King Is in the Field centers writing from leading scholars that serves as an introduction to this exciting field providing critical resources for anyone interested in thinking about politics both within and beyond the state From kabbalistic theology to economic philanthropy from race and nationalism in the U S to Israeli legal discourse and feminist activism this key study of Jewish political thought holds the promise to reorient the field of political thought as a whole by expanding conceptions of what counts as political In a world in which statelessness now applies to 100 million individuals this volume illuminates ways to understand how diaspora Jewish political thought functioned in adopted homelands This approach allows the book to offer questions and analysis that add depth and breadth to academic studies of Jewish politics while simultaneously offering a blueprint for future volumes interrogating political action through multiple diasporas Contributors Samuel Hayim Brody Lihi Ben Shitrit Julie E Cooper Arye Edrei Meirav Jones Rebecca Kobrin Vincent Lloyd Menachem Lorberbaum Shaul Magid Assaf Tamari Irene Tucker Philipp Von Wussow Michael Walzer

Rabbi Meir of Rothenburg and the Foundation of Jewish Political Thought Joseph Isaac Lifshitz, 2016 This book examines the political thought of Rabbi Meir of Rothenburg the most important thirteenth century German Rabbi
