This 25 year index constitutes an invaluable index for students academics and practitioners alike Soviet Strategy John Baylis, Gerald Segal, 2021-01-26 This book first published in 1981 is an analysis of the Soviet Union's military strategy taking in both sides of the hawks and doves views of the USSR's intentions It examines the Soviet approach to nuclear war defence and deterrence in the nuclear age and the calculation of risk in the use of the military instrument One of the main themes running through the chapters is that although the Soviet Union clearly does not view military issues in the same way as does the West their approach is not necessarily aggressive and dangerous in all respects Union List of Serials of the California State University California State University, 1991 EJKM Volume 8 Issue 1 , War Or Peace in the South China Sea? Timo Kivimäki, 2002 Not only is the South China Sea of strategic importance it is also rich in oil and other natural resources As such it is the subject of overlapping territorial disputes between several East and Southeast Asian countries as well as the scene of military tensions and potentially dangerous conflicts But disputes over the South China Sea are much more complex than simply issues of military security Environmental values economic security and political developments are also involved Spanning the full complexity of the situation this volume covers its historical and legal background analyses its environmental economic military and political dimensions assesses the potential for containing and resolving disputes as well as transforming the

structures of conflict in the region Unconventional Warfare Pum Khan Pau, 2025-02-26 The book probes the lesser known history of the Great Wars in the India Myanmar borderland from the perspective of the indigenous people of the area It critically studies how the indigenous hill people saw the Wars as an opportunity to defend their land and free themselves from the bondage of colonial rule The volume provides an in depth analysis of the effectiveness of unconventional warfare during the First and Second World Wars where conventional methods of fighting seemed to be irrelevant in the mountainous Indo Burma frontier and studies the role played by the indigenous hill people who had traditional expertise in jungle warfare An important contribution to indigenous studies this book will be an essential read for scholars and researchers of history Northeast India frontier studies military history insurgency and counterinsurgency colonialism tribal studies and the history of modern Southeast Asia Facing Down the Soviet Union Kristan Stoddart, 2014-10-16 Facing Down the Soviet Union reveals for the first time the historic deliberations regarding the Chevaline upgrade to Britain's Polaris force the decisions to procure the Trident C 4 and then D 5 system from the Americans in 1980 and 1982 It also details the decision to base Ground Launched Cruise Missiles in the UK in 1983 Complex Sciences Jie Zhou, 2009-06-26 I was invited to join the Organizing Committee of the First International Conference on Complex Sciences Theory and Applications Complex 2009 as its ninth member At that moment eight distinguished colleagues General Co chairs Eugene Stanley and Gaoxi Xiao Technical Co chairs I nos Kert sz and Bing Hong Wang Local Co chairs Hengshan Wang and Hong An Che Publicity Team Shi Xiao and Yubo Wang had spent hundreds of hours pushing the conference half way to its birth Ever since then I have been amazed to see hundreds of papers flooding in reviewed and commented on by the TPC members Finally more than 200 contributions were lected for the proceedings currently in your hands They include about 200 papers from the main conference selected from more than 320 submissions and about 33 papers from the five collated workshops Complexity Theory of Art and Music COART Causality in Complex Systems ComplexCCS Complex Engineering Networks ComplexEN Modeling and Analysis of Human Dynamics MANDYN Social Physics and its Applications SPA Complex sciences are expanding their colonies at such a Organizational Learning and dazzling speed that it comes literally impossible for any conference to cover all the frontiers Competitive Advantage Bertrand Moingeon, Amy Edmondson, 1996-08-13 In this volume contributors from the fields of both strategic management and organizational behaviour have been brought together to explore the relationship between organizational learning and competitive advantage In their editorial introduction Edmonson and Moingeon trace changes within the fields of strategy and organizational development that have encouraged a more integrative approach On the strategy side the emergence of the resource view of the firm has drawn attention to the importance of firm specific resources including knowledge and how it is acquired as sources of competitive advantage On the other hand organizational development practitioners have become increasingly interested in relating their traditional tasks more firmly to strategic business issues and concerns The topic of organizational learning can thus be seen as a bridge which is the intention of this

volume to begin constructing between these two fields The papers presented in this book offer a rich variety of concepts frameworks and provovative ideas on organizational learning and its strategic implications In addition the theoretical presentations are often supported by reports of the results of original research in a number of companies Management Learning This book takes an important first step towards integrating theories of competitive advantage and organizational learning a rapprochement which can come none too soon for the management practitioner Peter Senge Director of the Center for Organizational Learning MIT Sloan School of Management USA Organizations need to develop learning strategies to survive and develop in increasingly uncertain and changing markets In this book researchers from Europe and the United States explore theories of strategic management and organizational behaviour to establish a link between learning processes and competitive advantage within a variety of organizational settings. The diverse multidisciplinary approach takes an important step towards developing a new integrative theory of management *Library of Congress Catalogs* Library of Towards Strategic Pragmatism in Foreign Policy Charles Chao Rong Phua, 2021-10-31 What is Congress, 1980 pragmatism Is it a means to an end or an end in itself Is it antithetical to ideology or morality Arguing that pragmatism is a skill much more than an attribute Phua examines how viewing it in this way can help achieve better foreign policy outcomes He examines and contrasts the ways in which the United States China and Singapore have incorporated pragmatism into their approaches to foreign policy In doing so he debunks dualistic myths around pragmatism and ideology and promotes the view of pragmatism as a skill that can be developed An essential primer for students analysts and policymakers with a fresh and practical approach to pragmatism High-Frequency Trading Irene Aldridge, 2009-12-22 A hands on guide to the fast and ever changing world of high frequency algorithmic trading Financial markets are undergoing rapid innovation due to the continuing proliferation of computer power and algorithms These developments have created a new investment discipline called high frequency trading This book covers all aspects of high frequency trading from the business case and formulation of ideas through the development of trading systems to application of capital and subsequent performance evaluation It also includes numerous quantitative trading strategies with market microstructure event arbitrage and deviations arbitrage discussed in great detail Contains the tools and techniques needed for building a high frequency trading system Details the post trade analysis process including key performance benchmarks and trade quality evaluation Written by well known industry professional Irene Aldridge Interest in high frequency trading has exploded over the past year This book has what you need to gain a better understanding of how it works and what it takes to apply this approach to your trading endeavors

Reconstructing the Authoritarian State in Africa George Kieh, Jr., Pita Agbese, 2013-10-01 This work seeks to examine the nature and dynamics of authoritarianism in Africa and to suggest ways in which the states covered in the book can be democratically reconstituted In 1990 a wave of euphoria greeted the third wave of democratization that swept across the African Continent The repression wearied subalterns were hopeful that the third wave would have set into motion the

process of democratically reconstituting the authoritarian state on the continent More than two decades thereafter although some progress has been made by and large the authoritarian state remains the dominant construct in the region Even in some of the countries in which democratic transitions have taken place the process of democratic consolidation remains an elusive quest as these states are sandwiched between authoritarianism and democracy Against this background the purpose of this book is to examine the travails of the authoritarian state in Africa including the Herculean task to democratically reconstruct it In order to do this six of Africa s perennial authoritarian states Cameroon the Democratic Republic of the Congo Egypt Liberia Rwanda and Uganda are used as the case studies The book has two major objectives First the various chapters probe the nature and dynamics of authoritarianism in Africa Second the chapters suggest ways in which the various authoritarian states covered in the book can be democratically reconstituted ICTR 2021 4th International Conference on Tourism Research Prof Cândida Silva, Prof Mónica Oliveira, Prof Susana Silva, 2021-05-20 Conference Proceedings of 4th International Conference on Tourism Research The Neoliberal Regime in the Agri-Food Sector Steven Wolf, Alessandro Bonanno, 2013-12-04 For the last three decades the Neoliberal regime emphasising economic growth through deregulation market integration expansion of the private sector and contraction of the welfare state has shaped production and consumption processes in agriculture and food These institutional arrangements emerged from and advanced academic and popular beliefs about the virtues of private market based coordination relative to public state based problem solving This book presents an informed constructive dialogue around the thesis that the Neoliberal mode of governance has reached some institutional and material limits Is Neoliberalism exhausted How should we understand crisis applied to Neoliberalism What are the opportunities and risks linked to the construction of alternatives The book advances a critical evaluation of the evidence supporting claims of rupture of or incursions into the Neoliberal model It also analyzes pragmatic responses to these critiques including policy initiatives social mobilization and experimentation at various scales and points of entry The book surveys and synthesizes a range of sociological frames designed to grapple with the concepts of regimes systemic crisis and transitions Contributions include historical analysis comparative analysis and case studies of food and agriculture from around the globe These highlight particular aspects of crisis and responses including the potential for continued resilience a neo productivist return as well as the emergence and scaling up of alternative models October-November 2020: Pandemics and politics The International Institute for Strategic Studies (IISS), 2023-04-21 Survival the IISS s bimonthly journal challenges conventional wisdom and brings fresh often controversial perspectives on strategic issues of the moment In this issue Adam Roberts explores pandemics and politics through the ages arguing that trust in leadership is essential in the struggle against infectious diseases Rebecca Barber and Sarah Teitt contend that ASEAN should take a more activist approach to the Rohingya crisis to salvage its credibility Greg Austin assesses the strategic implications of China's weak cyber defences ystein Tunsj casts doubt on the prospect of the Arctic becoming a theatre of great power
