**The Lost Soul: The Journey of Faith Leading Into the Heart Of a Soul** Rhonda Buchanan,2022-08-01 For thirty four years I lived my life placing God in the

category as the tooth fairy Santa Claus and the Easter bunny I attended a church for weddings and funerals I hated both Something about the chapels always made me anxious and nervous Maybe it was because of the way I felt about a God I didn't believe in At thirty four years old I was set in my ways when it came to any type of religion I was happy with my life I had a wonderful husband a company that was thriving a home I loved a nice car and we took vacations often I didn't want for anything I also worked for everything It was not handed to me on a silver platter I grew up in poverty a broken home along with bouncing from one place to another through my teens I was determined to be successful and by my standards I had made it The only thing that I failed at was the religion topic My husband would always try to get me to go to church or change my view For almost a decade he tried but it fell on deaf ears We would disagree about it and I refused to participate in anything religious I thought I was doing a great job and had my life together That could be far from the truth I couldn't see it It was not until God himself visited me in my living room He knew he would not find me sitting in a church pew or even near one That's the day I found out I had it all wrong also the day that my husband's prayers were answered However he never expected my reaction or how it would ultimately affect him as well and change his life God wanted me to give up everything I worked so hard for However my husband didn't sign up for that So he too was faced with very hard decisions Are you wondering what God told me Well he told me to find a lady named Hellen in another country Nicaragua to be exact Let's just say my life changed that instant First of all I had to tell my husband I am changing the way I live and placed my most prized assets on the back burner my marriage my career everything I struggled and worked so hard for All my time energy resources are now going to be devoted to God You know the one I knew nothing about
