Sire, 2009-09-20 At key moments in his life on earth Jesus Christ the very Son of God turned to the Psalms for words to express his deepest thoughts and emotions It is not hard to imagine Jesus his mind and heart saturated with the words and thoughts of the Psalms as they were prayed aloud in the Temple going off early in the morning to pray How much must he have mouthed the words of the Psalms and given them a fulfillment They became his answering speech to his heavenly Father In these pages you will discover how the psalms that relate closely to the mission of Jesus can also become our answering speech We will begin our journey into the mind of Christ by immersing ourselves in several psalms which Jesus himself refers to and fulfills And then in the second half of the book we will immerse ourselves in psalms that Jesus would have meditated on during his time on earth focusing on the heart and mind of Jesus as he prayed the psalms Structural analysis of each psalm will help us grow our ability to read the Psalms The guided personal prayer liturgy with each chapter will help us go deeper in the experience of praying the Psalms Through these psalms we will discover more of the human life of our Lord and Savior And in the process we will discover more of who we are as we come before our holy God Also included a group discussion and prayer experience to accompany each chapter      Praying the Psalms Elmer L. Towns, Elmer Townes, 2004 The Psalms are about passion and you should feel passionately when you read them The Psalmist poured out his soul to God concerning the things that deeply moved him As you read the Psalms you are taking a peek into his heart As you do you will cry when he weeps shout when he rejoices burn when he gets angry and fall on your face when he worships God Praying the Psalms is a wonderful way to meet God every day in your private devotions You cannot get closer to God than when you pray the Scriptures since the book of Psalms reflects the heart of God Therefore you will get close to His heart when you pray the Psalms DR BILL BRIGHT      *Praying Through the Psalms* Yohanna Katanacho, 2018-03-14 Join with Yohanna Katanacho a Palestinian Israeli Christian in praying through the Psalms After completing his PhD on the book of Psalms Yohanna Katanacho felt led to pray every psalm in the context of the Middle East These prayers transformed him They helped him expand his understanding of Psalms as he prayed out his theology They also enabled him to express all of his frustrations hopes joys and many other emotions His feelings were sanctified in the presence of the Lord and this experience created a healthy theology of tears in the midst of oppressive realities Lastly these prayers strengthened him to face the harsh realities of the Middle East from a biblical perspective This collection of 150 beautiful and unique prayers inspired by each of the Psalms and birthed in the same land as Jesus will help you grow in understanding the struggles of Christians in the Middle East and deepen your love for God      **30 Days of Praying the Psalms** Julie Meyer, 2021-08-17 Walk in the footsteps of a king King David is regarded as one of the Bible s

*Prayer as Joy, Prayer as Struggle* Mark Braaten,2008 Mark Braaten describes the experience of seeing the sun rise on a northern Minnesota lake and spontaneously offering thanks to God He describes sitting beside his children s bed as they sleep and resting in the awareness of God s blessings Confronted by such beauty prayer flows out of us That is to say there are times when we are easily aware that we are in the presence of God our awe comes naturally and our prayer is full of joy But Braaten also points out that at times prayer is a struggle Life is often not awe inspiring and prayer is often not easy We find our praying frustrating and difficult Our prayer life is a journey of both joy and struggle It is learning to recognize and reach out to God even more it is recognizing how God is constantly reaching out to us Braaten explores many types of prayer including thanksgiving confession praise wrestling petition intercession listening and hope He also explores what it means when the answer to prayer is no and how we experience prayer in doubt and in confidence In each chapter he uses an extended biblical example of prayer and also provides the text of prayers we can use in our own practice For all who seek joy in prayer even as we struggle Braaten offers an engaging personal and pastoral reflection on the ways we pray
