The London Guide To Theatres And A Good Night Out:

London Guide to Theatres and a Good Night Out Roger Lascalles,1995-12-01 Good Nights Out Aleks Sierz,2019-12-12

London's West End is a global success story staging phenomenal hit shows that have delighted millions of spectators and generated billions of pounds in revenue In *Good Nights Out* Aleks Sierz provides a thematic survey of such popular theatre shows that were enormous commercial successes over the past 75 years He argues that these outstanding hits have a lot to say about the collective cultural social and political attitudes and aspirations of the country and about how our national identity and theatre's role in creating it has evolved over the decades The book spans a range of work from almost forgotten plays such as R F Delderfield's *Worm's Eye View* and Hugh Hastings's *Seagulls Over Sorrento* to well known mega hits such as *The Mousetrap* and *The Phantom of the Opera* Such popular work has tended to be undervalued by some critics and commentators mainly because it has not been thought to be a suitable subject for inclusion in the canon of English Literature By contrast Sierz demonstrates that genres such as the British musical light comedy sex farce or murder mystery are worth appreciating not only for their intrinsic theatrical qualities but also as examples of the dream life of the British people The book challenges the idea that mega hits are merely escapist entertainments and instead shows how they contribute to the creation of powerful myths about our national life The analysis of such shows also points towards the possibility of creating an alternative history of postwar British theatre The London Guide to Theatres and a Good Night Out ,1991 **A Good Night Out for the Girls** E. Aston,G. Harris,2012-11-29 Moving across the boundaries of mainstream and experimental circuits from the affective pleasures of commercially successful shows such as *Calendar Girls* and *Mamma Mia* to the feminist possibilities of new burlesque and stand up this book offers a lucid and accessible account of popular feminisms in contemporary theatre and performance *The Time Traveller's Guide to British Theatre* Aleks Sierz,Lia Ghilardi,2023-04-27

Literature and the Scottish Reformation David George Mullan,2016-12-05 Throughout the twentieth century Scottish literary studies was dominated by a critical consensus that critiqued contemporary anti Catholic by advancing a re reading of the Reformation This consensus understood that Scotland s rich medieval culture had been replaced with an anti aesthetic tyranny of life and letters As a result Scottish literature has consistently been defined in opposition to the Calvinism to which it frequently returns Yet as the essays in this collection show such a consensus appears increasingly untenable in light both of recent research and a more detailed survey of Scottish literature This collection launches a full scale reconsideration of the series of relationships between literature and reformation in early modern Scotland Previous scholarship in this area has tended to dismiss the literary value of the writing of the period largely as a reaction to its regular theological interests Instead the essays in this volume reinforce recent work that challenges the received scholarly consensus by taking these interests seriously This volume argues for the importance of this religiously orientated writing through the adoption of a series of interdisciplinary approaches Arranged chronologically the collection concentrates on major authors and texts while engaging with a number of contemporary critical issues and so highlighting for example writing by women in the period It addresses the concerns of historians and theologians who have routinely accepted the established reading of this period of literary history in Scotland and offers a radically new interpretation of the complex relationships between literature and

religious reform in early modern Scotland **Theatre Studies** Kenneth Pickering, Mark Woolgar, 2017-09-16 An interactive text covering the requirements of undergraduate and diploma courses in theatre drama and performing arts successfully integrating both practical and theoretical work The authors draw on considerable experience of contemporary practice and provide fascinating examples of theatre at work through text and improvisation [The Oxford Companion to Theatre and Performance](#) Dennis Kennedy, 2010-08-26 An authoritative reference covering primarily actors playwrights directors styles and movements companies and organizations [The Wooster Group and Its Traditions](#) Johan Callens, 2004 This is the first collection of critical essays to appear about the Wooster Group Since the 1970s this groundbreaking New York based performance company has led the way in crystallizing the conditions of contemporary stage practice at the intersection of several cultural and artistic traditions As demonstrated by the assembled critics each of them an authority in the field these traditions extend into the past as well as into the future through the Wooster Group's impact on the latest generation of performance artists The company's consequent institutionalization is posited and challenged in the essays constituting Part I of the collection Part II tackles the work in progress mapping its idiomatic stage vocabulary and providing case studies ranging from Frank Dell's *The Temptation of St Antony* to *To You The Birdie* Part III presents productions by kindred artists such as Elevator Repair Service the Builders Association Cannon Company and Richard Maxwell Lavishly illustrated with photographs this collection should prove invaluable to anyone with an interest in the current theatrical scene and its place in the wider institutional artistic and historical contexts **A Companion to Literary Evaluation** Richard Bradford, Madelena Gonzalez, Kevin De Ornellas, 2024-03-21 The first critical survey of its kind devoted solely to literary evaluation *Companion to Literary Evaluation* bridges the gap between the non academic literary world where evaluation is deeply ingrained and the world of academia where evaluation is rarely considered Encouraging readers to formulate and articulate arguments that balance instinctive judgment and reasoned assessment this unique volume addresses key issues regarding literary values from the perspective of analytical aesthetics and the philosophy of literature Bringing together a diverse panel of contributors the *Companion* explores competing theories of literary evaluation the reasons for evaluating theater and lyric poetry in performance the question of value in literary theory debates over Modernism's negative impact on literature the possibility of evaluating aesthetic beauty through scientific and formalist methods the nature and status of literary evaluation as a branch of criticism aesthetics in applied and community theater evaluation outside academia the perils of extreme relativism and subjectivism in literary evaluation evaluation in schools and much more Contributors question and reassess the reputations of authors across the canon from Shakespeare and James Shirley to T S Eliot Kathleen Raine Virginia Woolf Joyce and Beckett amongst others The *Companion* illustrates how seemingly divergent perspectives on the artistic qualities and value of literature can sometimes overlap Covers the standard range of literary genres while including others such as unfinished novels freelance journalism and lyric poetry in performance Offers methodologies that

demonstrate why literature can be treated as something different from other forms of language and therefore assessed as art
