

A photograph of two individuals standing in front of a wall. On the left is a woman wearing a blue hijab and a white jacket. On the right is a man with a mustache wearing a grey suit and a light blue shirt. Behind them is a wall with a large golden lion emblem on the left and a flag with green, white, and red vertical stripes on the right. The text "Struggle For Freedom Using Cultic Methods" is overlaid in red.

# The Iranian Mojahedin

**Association of Committed Professors  
of Iranian Universities**

## **The Iranian Mojahedin:**

The Iranian Mojahedin Ervand Abrahamian, 1989-01-01 A first rate study that not only goes far in explaining the key events of the last decade but also implicitly substantiates the classic Crane Brinton analysis Bernard Weiss History Review of New Books      **Facts and Myths on the People's Mojahedin of Iran** Association of Committed Professors of Iranian Universities, 1990      **Self-sacrifice** Struan Stevenson, 2015 There is much we can learn from Stevenson's disturbing account of mistakes duplicities and blunders that have led directly to the rise of ISIS and the catastrophic events that now engulf the Middle East From the Foreword by Patrick J Kennedy Struan Stevenson served as a Conservative MEP for Scotland from 1999 to 2014 During those years he became an active supporter of the People's Mojahedin Organisation of Iran PMOI MeK despite the fact that they were at the time listed as a terrorist organisation in the UK the European Union and the United States The PMOI the only effective de      **Radical Islam** Ervand Abrahamian, 1989 Studie over de rol van de islamitisch marxistische groepering in de Iraanse revolutie      The Iranian Revolution Then And Now Dariush Zahedi, 2018-02-13 In The Iranian Revolution Then and Now Dariush Zahedi assesses the Islamic Republic's potential for revolution through an in depth theoretically informed comparative analysis of the present with 1979 pre Revolutionary Iran Zahedi discusses how the potential for a revolutionary coup is based on two things the inherent defects and vulnerabilities in the regime and the coordinated actions of the social groups and individuals opposed to the regime He also identifies two ideal typical forms of revolutionary change In The Iranian Revolution Then and Now Dariush Zahedi assesses the Islamic Republic's potential for revolution through an in depth theoretically informed comparative analysis of the present with 1979 pre Revolutionary Iran Zahedi discusses how the potential for a revolutionary coup is based on two things the inherent defects and vulnerabilities in the regime and the coordinated actions of the social groups and individuals opposed to the regime He also identifies two ideal typical forms of revolutionary change the regime collapses on its own or the regime is overthrown He concludes that the chances for overthrowing the present regime are moderate      *Facts and Myths on the People's Mojahedin of Iran*, 1990      **Iran and Palestine** Seyed Alavi, 2019-06-27 Examining the nature of relations between Iran and Palestine this book investigates the relationship between state and authorities in the Middle East Analysing the connections of the Iranian revolutionary movements both the Left and the Islamic camps perspectives are scrutinized To provide a historical background to the post revolutionary period the genealogy of pro Palestinian sentiments before 1979 are traced additionally Demonstrating the pro Palestinian stance of post revolutionary Iran the study focuses on the causes of roots of the ideological outlook and the interest of the state Despite a growing body of literature on the Iranian Revolution and its impacts on the region Iran's connection with Palestine have been overlooked This new volume fills the gap in the literature and enables readers to unpack the history of the two states This unique and comprehensive coverage of Iran and Palestine's relationship is a key resource for scholars and students interested in international relations politics Islamic and

Middle East studies      Iran Abbas Amanat,2017-10-24 A masterfully researched and compelling history of Iran from 1501 to 2009 This history of modern Iran is not a survey in the conventional sense but an ambitious exploration of the story of a nation It offers a revealing look at how events people and institutions are shaped by currents that sometimes reach back hundreds of years The book covers the complex history of the diverse societies and economies of Iran against the background of dynastic changes revolutions civil wars foreign occupation and the rise of the Islamic Republic Abbas Amanat combines chronological and thematic approaches exploring events with lasting implications for modern Iran and the world Drawing on diverse historical scholarship and emphasizing the twentieth century he addresses debates about Iran s culture and politics Political history is the driving narrative force given impetus by Amanat s decades of research and study He layers the book with discussions of literature music and the arts ideology and religion economy and society and cultural identity and heritage

**The Iran National Front and the Struggle for Democracy** Masoud Kazemzadeh,2022-05-09 The Iran National Front and the Struggle for Democracy 1949 Present explores the activities of the Iran National Front INF The INF is a coalition of parties groups and individuals and Iran s oldest and main pro democracy political party This book presents a political history of the INF from 1949 to the present day It discusses the current platform of the INF its leadership policies strategies as well as criticisms and weaknesses The volume draws on a rich range of primary sources INF documents and interviews including translated transcripts with the top leader of the INF As it is one of the major political parties opposing the current regime in Iran the book also examines the current situation in the country It provides an analysis of the nature of the political systems under the Shah and the Islamic Republic

**Revolution in Iran** Parviz Daneshvar,2016-07-27 Revolutions are watershed events that attempt to transform the existing political order and replace it with a new but better one Yet the hallmark of most revolutions has been violence war and dictatorship The Iranian Revolution of 1979 has been no exception This book offers a critical analysis of the Iranian Revolution It focuses on the upheavals that led to the fall of the Shah It provides the reader with an appreciation for the interplay of forces in the making of the 1979 revolution and the emergence of the Islamic regime

**The Left in Contemporary Iran (RLE Iran D)** Sepehr Zahir,2012-04-27 This book examines the structure and ideology of all the main leftist groups in Iran It considers their role in the Revolution and analyses their relations with Khomeini and his colleagues It also explains why the majority of the leftist organisations had defected from the Islamic regime by the summer of 1981 A second important theme of the book is the way in which the Soviet Union responded to the treatment of the Left by the Islamic government Based on extensive analysis of original source material in Farsi and other languages and numerous interviews with leftist leaders and participants the book provides a detailed portrait of the Left in contemporary Iran

**The New Iranian Leadership** Yonah Alexander,Milton Hoenig,2007-12-30 Since his election President Mahmoud Ahmadinejad of Iran has reversed the more moderate and pluralistic policies of his predecessor and projected himself onto the public scene with headline grabbing speeches regarding Jews and the state of Israel open defiance of the UN Security

Council on the nuclear issue and an apparent vision of his country becoming the dominant power in the Middle East This book documents Ahmadenijad s background and rise to power It explains the current structure of the Iranian revolutionary government the competing centers of power and the major players In separate sections it details the terrorist groups funded and armed by Iran primarily Hezbollah and Hamas And it provides a comprehensive picture of Iran s apparent aspirations to acquire nuclear weapons as well as the related implications for regional and global security concerns Iran s nuclear ambitions are in direct conflict with the wishes of the United States the European Union and many of the governments of the Middle East leading to consequences that remain uncertain Iran is a focus of attention in the most recent war in Lebanon expanding its influence as a the major supporter and supplier of Hezbollah And Iran is cited in the most recent annual U S State Department report on terrorism as the country that is the most active sponsor of terrorism

**Class, Politics, and Ideology in the Iranian Revolution** Mansoor Moaddel,1993 Thirteen years after the Shah of Iran was swept away in a tide of revolutionary fervor the cruelty and brutality of the new regime remains shocking In Class Politics and Ideology in the Iranian Revolution Mansoor Moaddel provides the theoretical underpinnings for a richer and clearer understanding of Iran s tumultuous recent history Analyzing the causes and processes of the revolution through the prisms of class politics and ideology Moaddel argues that the currently dominant theories of revolution insufficiently address the requisite question of ideology Ideology is not simply another factor that adds an increment to the causes of revolution Ideology is the constitutive feature of revolution Moaddel explains how revolutionary conditions in Iran were created by a combination of state economic policies favoring international capital which enraged segments of the powerful bourgeoisie and fluctuations in the world economy that financially weakened Iran But the central element of the revolutionary crisis of the late 1970s was the development of Shi i revolutionary discourse as the dominant ideology As liberalism and communism declined the potent discourse of revolutionary Islam with its martyrdom its religious rituals its symbolic structures formed a powerful conduit for popular mobilization Karl Marx likened the French Revolution to a gigantic broom which swept away all the medieval rubbish Drawing from his abundant theoretical historical and sociological knowledge Moaddel illuminates the process by which the gigantic broom of the Iranian Revolution swept all the medieval rubbish back in *Developments in the Middle East, April 1987* United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Europe and the Middle East,1987

**The Mystery of Contemporary Iran** Mahnaz Shirali,2017-07-28 The mystery of how an Islamic dictatorship came to power remains more than thirty years after the Islamic Republic s inception in Iran The precise nature of a regime that calls itself both a republic and Islamic but is neither is little understood The ayatollahs unpopularity may have reached unprecedented heights but their power seems more secure Such paradoxes weigh heavily and judgments diverge While public opinion wonders how an archaic theocratic regime could survive so long some explain it in terms of Iran s continued modernization and the clergy s ability to reconcile itself with politics Understanding the modernization process propelled by

the Constitutional Revolution is difficult and raises questions How and why could ideological Islam continue to dominate Iranian society since the late 1970s How did it gain power and influence and overcome the reforms molded by the Constitutional Revolution Mahnaz Shirali analyzes twentieth century Iranian history to understand the Shiite clergy's role in a modernized country's social and political organization She explains what enabled the clergy to take over prevailing political forces and gain control of the state Studying Iran's history for the past one hundred years reveals the force of a religious conservatism opposing political modernity repelling any attempt at democracy by Iranians thanks to its constant metamorphoses Shirali studies the curse of the Shiite clergy on political modernity It is a convincing in depth criticism of the ideological Islam imposed on Iran

Islamism and Post-Islamism in Iran Yadullah Shahibzadeh,2016-06-01 This book is a study of overlooked themes in Iran's contemporary political and intellectual history It investigates the way Iranian Muslim intellectuals have discussed politics and democracy As a history of Iranian Islamism and its transformation to post Islamism this work demonstrates that Muslim intellectuals have enriched the Iranian society epistemologically aesthetically ethically and politically This book examines the internal conflicts of the Islamist ideology as the intellectual underpinnings of the 1979 Revolution its contribution to the formation of the post revolutionary state and the post Islamist response to the democratic deficits of the post revolutionary state Seeking to overcome the shortcomings of historiographical approaches this book demonstrates the intellectual and political agency of Muslim intellectuals from the 1960s to the present

**The Unthinkable Revolution in Iran** Charles Kurzman,2005-09-06 The shah of Iran Mohammad Reza Pahlavi would remain on the throne for the foreseeable future This was the firm conclusion of a top secret CIA analysis issued in October 1978 One hundred days later the shah despite his massive military fearsome security police and superpower support was overthrown by a popular and largely peaceful revolution But the CIA was not alone in its myopia as Charles Kurzman reveals in this penetrating work Iranians themselves except for a tiny minority considered a revolution inconceivable until it actually occurred Revisiting the circumstances surrounding the fall of the shah Kurzman offers rare insight into the nature and evolution of the Iranian revolution and into the ultimate unpredictability of protest movements in general As one Iranian recalls The future was up in the air Through interviews and eyewitness accounts declassified security documents and underground pamphlets Kurzman documents the overwhelming sense of confusion that gripped pre revolutionary Iran and that characterizes major protest movements His book provides a striking picture of the chaotic conditions under which Iranians acted participating in protest only when they expected others to do so too the process approaching critical mass in unforeseen and unforeseeable ways Only when large numbers of Iranians began to think the unthinkable in the words of the U S ambassador did revolutionary expectations become a self fulfilling prophecy A corrective to 20/20 hindsight this book reveals shortcomings of analyses that make the Iranian revolution or any major protest movement seem inevitable in retrospect

*Vanguard of the Imam* Afshon Ostovar,2016-03-03 Iran's Revolutionary Guards are one of the most important

forces in the Middle East today As the appointed defender of Iran s revolution the Guards have evolved into a pillar of the Islamic Republic and the spearhead of its influence Their sway has spread across the Middle East where the Guards have overseen loyalist support to Bashar al Assad in Syria and been a staunch backer in Iraq s war against ISIS bringing its own troops Lebanon s Hezbollah and Shiite militias to the fight Links to terrorism human rights abuses and the suppression of popular democracy have shrouded the Revolutionary Guards in controversy In spite of their prominence the Guards remain poorly understood to outside observers In Vanguard of the Imam Afshon Ostovar has written the first comprehensive history of the organization Situating the rise of the Guards in the larger contexts of Shiite Islam modern Iranian history and international affairs Ostovar takes a multifaceted approach in demystifying the organization and detailing its evolution since 1979 Politics power and religion collide in this story wherein the Revolutionary Guards transform from a rag tag militia established in the midst of revolutionary upheaval into a military and covert force with a global reach The Guards have been fundamental to the success of the Islamic revolution The symbiotic relationship between them and Iran s clerical rulers underpins the regime s nearly unshakeable system of power The Guards have used their privileged position at home to export Iran s revolution beyond its borders establishing client armies in their image and extending Iran s strategic footprint in the process Ostovar tenaciously documents the Guards transformation into a power player and explores why the group matters now more than ever to regional and global affairs The book simultaneously serves as a history of modern Iran and provides a crucial and engrossing entryway into the complex world of war politics and identity in the Middle East Iranian Cinema Uncensored Shiva Rahbaran,2015-12-18 The New Iranian Cinema is considered by many to be the most fascinating cultural phenomenon produced within the Islamic Republic of Iran Containing twelve first hand interviews with the most renowned film makers living and working in contemporary Iran this book provides insights into film making within a society often at odds with its rulers Reflecting upon the 1979 revolution and its influence on their work as well as the effect of their films on Iranian audiences film makers such as Abbas Kiarostami and Jafar Panahi highlight the key issues surrounding the reception of Iranian cinema in the West and also its role in the development of Iran s global image Through these conversations Shiva Rahbaran reveals that the seeds of the New Iranian Cinema were sown long before the revolution and that Iranian film makers gave rise to a cinema which became a global phenomenon despite censorship sanctions and political isolation

*Developments in the Middle East, October 1994* United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Europe and the Middle East,1994 Distributed to some depository libraries in microfiche

## Reviewing **The Iranian Mojahedin**: Unlocking the Spellbinding Force of Linguistics
