The Jewel of an Earl's Heir

Linda Rae Sande,2021-08-22 Being color blind isn't the same as being blind unless you're in love Alexander heir to the Everly earldom has just discovered he's color blind The malady explains why he didn't do well in his natural science classes at Cambridge What's worse is it impairs his ability to choose gemstones for the jewelry he creates If only he had a second pair of eyes that could correctly identify colors The beguiling gray eyes or are those green belonging to the daughter of a renowned jeweler are only a temporary fix He's too young to marry and besides who wants a man who can't see colors correctly Margaret spends her days assisting her father in the creation of jewelry for the wealthy Her knowledge of gemstones is gleaned from years of watching him work and dealing with gem merchants Although she's old enough to be out in Society embarrassment over her withered arm keeps her in the shop What's she to do when her latest client insists she attend a ball He can secure an invitation and has promised her two dances but is it worth being subjected to the censure and gossip her arm is sure to elicit Or the wrath of the gem merchant to whom her father owes so much His proposal might solve the debt issue but at what price to her Meanwhile their impending wedding anniversary has Alexander's parents reacting in much different ways Middle age has Harold remembering his youth and fearing his mortality while Stella isn't ready to succumb to the preconceived notions of what it is to be a matron with grown children Their solution may require they meet in the middle of a bed

The Jewel Maker ,2017-10-19 The Great Perfection also known as the Atiyoga or Dzogchen rDzogs chen is a tradition of esoteric Buddhism that propounds instantaneous enlightenment and was first brought to Tibet in the Eighth Century of the Common Era The Indian manuscripts of this tradition have been lost in time and only the Tibetan translations remain The original teachings of this tradition are contained in books called Tantras and are generally divided into three categories The Mind Section the Space Section and the Upadesha Instruction Section The Upadesha Instruction section is devoted to the pointing out instructions or practical advice in the understanding and application of the Great Perfection It is generally described as having seventeen root scriptures The Jewel Maker here translated is considered to be the source for the other sixteen Tantras which form the body of the seventeen works As such we may say that this Tantra is the core of the core teachings on the Upadesha instructions of the Great Perfection This Tantra is also secret and is said to be under the guardianship of dakinis The Tantra itself proclaims the importance of keeping it copying it and preserving it This translation is part of an effort to preserve and maintain this ancient literature in keeping with the directives written in the Tantra itself

Olawu P. J. Leigh,2023-07-01 Set in a time and place unburdened by the devastation of colonialism Olawu is a refreshing tale about a brave girl with a bold dream Olawu is the eldest daughter of Kanakam's only physician Her strong will and compassionate nature are a constant source of conflict in her village In Kanakam there are many rules for girls and those who break them are often broken Despite Kanakam's restrictions against girls reading writing or working a trade her father

teaches her in secret Inspired by his skill and shielded by his status Olawu learns eagerly at his side hoping to one day follow in his footsteps Olawu s world is upended when the Dikebe tribe takes over Kanakam The Dikebe tribe has conquered dozens of villages west of the river as they wage a violent war against the Oloko tribe to the east When tragedy strikes Olawu and her family are left vulnerable to the harsh realities of Kanakam including the forced marriage ritual known as the Choosing As the eldest daughter Olawu s duty is to protect her family But her father instilled in her a greater purpose and the Choosing is no better than slavery Driven to desperation she seeks help from Dikembe the son of the tribal warlord who has taken over her village She hopes he will repay her father s past kindness and shield her family but hope is a fragile thing and time is running out Told in three parts Olawu is an inspiring coming of age story an immersive introduction to 19th century East Africa and a Quarter Finalist for the 2023 BookLife Prize for Fiction House Beautiful ,1914 **The Horological**

American Machinist ,1910 **A Spy Walks into This Bar** Gene Coyle,2022-08-18 It s 1990 and the Cold War is coming to an end but the game of espionage continues on as America and the West prepares for the First Gulf War with Iraq The career of longtime CIA officer William Wythe is also coming to a sad end at his final posting in Lisbon Portugal His last ten years have been spent mostly in an alcoholic blur since his wife died in a terrorist attack meant for him The Chief of Station wants to be rid of him a special counterintelligence section of the CIA suspects he may be a Russian mole and the high point of his dark weeks is anonymously playing piano at a local dive in the city two nights a week But as is often the case in the wilderness of mirrors of espionage all the facts and the people may not be as they seem An unhappily married Brazilian woman is frequenting this jazz club and growing fonder of William raising some hope that he may yet have a future worth living She joins him on a private search for missing Hungarian royal jewels which may have been hidden in Portugal towards the end of WWII A modern neo Nazi group is also on the hunt for those same jewels All the players cross paths at the Clube de Jazz which is run by an elderly Italian American who d been in America s wartime O S S the forerunner of the Central Intelligence Agency **Tares Among the Wheat Volume Two** H. Melvin James,2019-12-09 Tares among the Wheat By H Melvin James This second volume concludes the two established primary framed story lines that traverse the entirety of the novel Herein mysteries of mysticism religion and ancient legend as introduced in the previous book are granted explanation and plausibility As the story lines converge toward simultaneous conclusion at the end of the novel other mysteries arise and

are resolved Events and experiences described in this volume include extremes of sorrow horror joy and romance In this saga as in life there are those who meet more suffering than comfort but the balance of the aggregate inevitably and eventually tilts toward triumph justice peace and contentment Redemption as in reality is both compromised and realized Episodes herein expose the cruelty of humanity as the torments of warriors and the crimes of civilians Ultimately however the unconquerable collective of human decency determination and faith prevails Senseless murders punctuate the merciless decade of the horrific Dust Bowl and the Great Depression In this volume those murders as well as other crimes fraud assault and theft are brought to the justice of mortals while the non statutory transgressions of greed power vanity and selfishness are left to the infallible and certain justice of the Almighty Surprises for the reader pleasing and teasing are unveiled in this volume These story lines also reclaim the obvious axiom our predecessors often do not succeed for themselves in their own lifetimes but they plant the fields of wheat for their descendants to reap the harvest and since no soul takes anything from this earth in his departing is not one's legacy the only true tangible success
