The Joy Of Discipleship:

The Joy of Discipleship Pope Francis, 2016-01-19 Dear friends be glad Do not be afraid of being joyful Pope Francis from The Joy of Discipleship Near the end of Luke's Gospel two disciples slowly make their way home from Jerusalem to the village of Emmaus At the outset they are deeply saddened by Jesus tragic death By that evening however they have made a 180 degree turn from dejected disciples to followers filled with joy a joy they simply must share with others as fast as they can What accounts for this change They have encountered the risen Christ In The Joy of Discipleship Pope Francis reminds us that joy should be one of the defining characteristics of any person who has truly encountered Jesus This skillfully curated collection of homilies speeches and other documents from Pope Francis compiled and edited by James P Campbell offers a fresh perspective on why Christian disciples should be so joyful in the first place and how that joy might manifest itself in our individual daily lives Covering a broad range of themes Christ's Resurrection mercy wealth and poverty the Christian family and more The Joy of Discipleship moves us to meditate on Christ and then inspires us to move out from our own four walls jubilantly proclaiming God's transforming love in word and deed For anyone who wants what Pope Francis has an active abiding authentic love for Jesus Christ for the Church and for the people of this world The Joy of Discipleship will point the way This volume gives us a portrait of the Pope and what amazing joy fills his life his mind his teaching his discipleship From the foreword by Daniel Cardinal DiNardo [The Joy of Discipleship](#) Richard J. Shropshire, 2009-11 To be a A a Disciple A a A is to be a learner A a to be one who yields to the teaching and discipline of another However the concept of A a Discipline A a A is a A a Dirty word A a in our contemporary culture We want to do things our own way with as little effort as possible A a A Work smart A a A often means getting by with doing the minimum But in scripture the concepts of A a Discipline A a A and A a Discipleship A a A are presented as that which gives meaning vibrancy and joy to living Explore those concepts in this book and may your life be enriched in the doing **The joy of discipleship** Harry James Carpenter, 1933 **Lukan Joy and the Life of Discipleship** Julie Newberry, 2023-01-02 In this study Julie Newberry advances scholarship on emotions in biblical literature by examining the conditions that is the circumstances dispositions practices and commitments that lead to joy in Luke's narrative Focused primarily on the Gospel the author traces joy's interconnection with the wider life of discipleship using an eclectically interdisciplinary approach that foregrounds literary theological and intertextual analysis Julie Newberry argues that for Luke the conditions that facilitate appropriate joy include both divine action to bring about joy conducive circumstances and human receptivity The latter is bound up with factors such as properly oriented hope trust and the generous use of possessions rendering intelligible Luke's portrayal of joy as mandatory praiseworthy or blameworthy in particular circumstances **The Joy of Discipleship** Harry James CARPENTER (Bishop of Oxford.), 1933 **Discipleship** George Campbell Morgan, 1897 [The Adventure of Discipleship](#) Daniel A. Keating, 2018-11-01 Jesus tells us that to be his disciple we must surrender everything and with his grace brave the path

provided for us by God Such a sojourn will surely be marked by joy suffering uncertainty and above all adventure Accordingly The Adventure of Discipleship presents the Gospel through the lens of great adventure stories from J R R Tolkien s The Lord of the Rings and C S Lewis s Chronicles of Narnia to popular adventure movies comic book superheroes and TV series While these stories we create and read and retell are but reflections and refractions of the great adventure of discipleship they provide us with genuine insight into life with Christ Author Daniel Keating shows why we must respond to the call of discipleship with venturesome faith as many great saints have before us Along the way of discipleship we come to understand the cost of following Jesus the importance of hope in light of setbacks and the gift of true friendship in this great adventure

The Message of Discipleship Peter Morden,2018-11-15 Soon after Jesus began his public ministry he called his first disciples He would teach and train them and then after his death and resurrection commission and empower them to go to the nations to make more followers The risen Jesus is still calling and sending people today If we heed his call the result can be just as transformative and exciting as it was for the first disciples While there are no explicit occurrences of the term disciple outside the Gospels and Acts with only two further biblical references to followers of Jesus it is Peter Morden s conviction that we need the entire Bible if we are going to be whole life disciples He reflects on Scripture and asks How do we live as committed disciples of Jesus today He explores the foundations resources and practice of discipleship in a range of Old and New Testament texts The result is a well rounded and satisfying picture of Christian discipleship one that is wonderfully attractive as well as deeply challenging With a fully integrated study guide suitable for both individuals and groups The Message of Discipleship will help you to see how the Bible s unified teaching on this vital theme can impact your life today The Bible Speaks Today series covers every book of the Old and New Testaments as well as Bible themes that run through the whole of Scripture

The Disciple's Joy Michael W. Foss,2007 Focusing on the powerful theme of discipleship The Disciple s Joy explores the joy of faith helping readers discover joy in the midst of struggle Foss explores the benefits of practicing discipleship and shows through recent research how a practicing faith provides meaning belonging and joy Intended for both personal reflection and small group study The Disciple s Joy builds on the six time tested marks of discipleship and introduces six practices for spiritual growth Includes questions for reflection and discussion

The Joy Maker Alden Eugene Bartlett,1918

The Meanings of Discipleship Andrew Hayes,Stephen Cherry,2022-07-22 Discipleship is a foundational concept of Christian life which has become a popular and ubiquitous description of belonging and growth in early 21st century ecclesiastical language Discipleship courses and popular writings abound and the term is used liberally in official church documents and strategies for growth and development particular in a western context But does recent use of the word risk reducing the wide range of meanings of discipleship to something less rich and inclusive than is warranted With contributions from an array of leading thinkers scholars and theologians including Rachel Mann Kirsteen Kim and Anthony Reddie this book argues that there is need for more clarity precision and depth in defining what

meaningfully and constructively is construed as discipleship Beginning with an overview of how the concept of discipleship has been understood in history the volume goes on to consider some of the key figures who have shaped our understanding of the concept and finally to reflect on what discipleship might look like in contemporary society 'Follow thou me'. Discipleship Catherine Pennefather,1881 The Joy of Discipleship Paul H. Dixon,1981 Personal Discipleship Benjamin Maira,2013 The term discipleship comes from the word disciple What is discipleship Who is a disciple These are two key questions we must answer if we want to understand personal discipleship Discipleship is adherence to the Master and Lord s faith Discipleship has to do with two things following Christ and making disciples Discipleship happens when a person believe Jesus Christ for their Salvation and continue to grow to be like him daily A disciple on the other hand is a devoted person to the Lord Jesus Christ an adherent or follower of the Lord s faith Personal discipleship is for today Personal discipleship is of God The Holy Spirit wants you to be a disciple and make other people disciples of the Lord To be a disciple you need to have the following salvation the Holy Spirit the anointing devotions witnessing local church and pastoral ministry Personal discipleship is new life of total commitment to the Lord I have written Personal Discipleship book with one aim to introduce to you the best thing in the world which is to know the Lord and make Him known to multitude of souls Making New Disciples Also like Jesus Christ brought to us two things apostleship and discipleship you too may be able to do these two things in your lifetime Notice Discipleship is to find and follow the Lord while Apostleship is sending away for the gospel and the work of the Lord **The Joy of Following Jesus** John Oswald Sanders,1998 Each fast moving chapter is packed with Scripture references establishing the essential elements of a disciple s life style Sanders spotlights twenty of those elements including the disciple s partnership with the Holy Spirit commitment to prayer and spiritual health relationship to others and the disciple s relationship to Christ back cover **Gospel Church Discipleship Series** Rev. Charles Paisley,2024-08-06 A complete set of 26 lessons on the essentials of the Christian faith *The Joy of Worship* Marianne H. Micks,2004 Featuring an ecumenical approach to the meaning of worship The Joy of Worship discusses the work of the Holy Spirit in worship Jesus own practice of worship the importance of worshiping with others and the practice of discipleship through personal prayer friendship and a rule of life Christians have been worshiping a long time and Micks has a rich store of wisdom and experience to draw on Her sources are both ancient and modern Protestant and Catholic Orthodox and Anglican Pope Francis and the Joy of the Gospel Edward Sri,2014-08-28 The call of Christ to each of us is as heart stopping as the moment captured by Caravaggio in his painting The Call of St Matthew Jesus points he invites and Matthew the tax collector must make a decision The Lord does not disappoint those who take that risk and choose him Pope Francis tells us in his Apostolic Exhortation The Joy of the Gospel Dr Edward Sri theologian author and speaker unpacks The Joy of the Gospel making it accessible and actionable In these brief reflections Sri explores Pope Francis call to be missionary disciples Christians who walk ever more closely in discipleship with the Lord and who have a profound sense of mission in
