The Judas Cloak:

The Judas Cloak Walter Winward,1990 Judas Cloak Winward Walter Winward,1999-12-31 **Feeling Persecuted** Anthony Bale,2012-01-01 In *Feeling Persecuted* Anthony Bale explores the medieval Christian attitude toward Jews which included a pervasive fear of persecution and an imagined fear of violence enacted against Christians As a result Christians retaliated with expulsions riots and murders that systematically denied Jews the right to religious freedom and peace Through close readings of a wide range of sources Bale exposes the perceived violence enacted by the Jews and how the images of this Christian suffering and persecution were central to medieval ideas of love community and home The images and texts explored by Bale expose a surprising practice of recreational persecution and show that the violence perpetrated against medieval Jews was far from simple anti Semitism and was in fact a complex part of medieval life and culture Bale s comprehensive look at medieval poetry drama visual culture theology and philosophy makes *Feeling Persecuted* an important read for anyone interested in the history of Christian Jewish relations and the impact of this history on modern culture

The Beauty of Holiness Brian Leslie Bishop,2020-01-07 In this book Brian Bishop simply pauses to look at fifty seven beautiful images that feature the life and death of Jesus and the supper at which he appeared three days after his burial to two broken hearted disciples He finds the visual approach to the gospel stories rewarding and attempts to place the paintings in some historical context as an aid to understanding but essentially offers pauses for thought and reflection upon world changing events The book may be dipped into as time and interest allows The beautifully produced color images of wonderful works of art provide constant companionship **Destiny and Decision** Fred R. Zimmerman,2013-08-06 In this autobiography of a Christian minister Fred R Zimmerman tells the story of his life on the stage of world events that affected him either directly or indirectly Born to be a minister he first became aware of his calling early on in his boyhood Orphaned at eighteen months during the flu pandemic of 1918 19 he was fortunate enough to be adopted by a childless couple In their capacity as committed church going Christians he was wisely nurtured in his mission to become a minister During his college and seminary years crises accompanying this destiny began to arise As his ministry developed through the years destiny and decision became the yoke Matthew 11 27 30 under which he exercised the burden of being a pastor This is therefore a story not primarily of a person but of a God appointed ministry The Costessey Collection of Stained Glass Grosvenor

Thomas,Maurice Drake,1920 **A Corpus of Rembrandt Paintings** J. Bruyn,B. Haak,S.H. Levie,P.J.J. van Thiel,2012-12-06 Since the second half of the last century art historians realizing that the image of Rembrandt s work had become blurred with time have attempted to redefine the artist s significance both as a source of inspiration to other artists and as a great artist in his own right In order to carry on the work started by previous generations a group of leading Dutch art historians from the university and museum world joined forces in the late 1960s in order to study afresh the paintings usually ascribed to the artist The researchers came together in the Rembrandt Research Project which was established to provide the art

world with a new standard reference work which would serve the community of art historians for the nearby and long future They examined the originals of all works attributed to Rembrandt taking full advantage of today s sophisticated techniques including radiography neutron activation autoradiography dendrochronology and paint sample analysis thereby gaining valuable insight into the genesis and condition of the paintings The result of this meticulous research is laid down chronologically in the following Volumes THIS VOLUME A Corpus of Rembrandt Paintings Volume I which deals with works from Rembrandt s early years in Leiden 1629 1631 published in 1982 A Corpus of Rembrandt Paintings Volume II covering his first years in Amsterdam 1631 1634 published in 1986 A Corpus of Rembrandt Paintings Volume III goes into his later years of reputation 1635 1642 published in 1990 Each Volume consists of a number of Introductory Chapters as well as the full Catalogue of all paintings from the given time period attributed to Rembrandt In this catalogue each painting is discussed and examined in a detailed way comprising a descriptive an interpretative and a documentary section For the authenticity evaluation of the paintings threedifferent categories are used to divide the works in A Paintings by Rembrandt B Paintings of which Rembrandt s authorship cannot be positively either accepted or rejected and C Paintings of which Rembrandt s authorship cannot be accepted This volume Volume I contains 730 pages starting of with four introductory chapters and discussing 93 paintings In clear and accessible explanatory text all different paintings are discussed larded with immaculate images of each painting Details are shown where possible as well as the results of modern day technical imaging In this volume the first ever works by Rembrandt are discussed also using his etchings as comparison

El Santo Ermitaño (The Holy Hermit) David Salazar,2012-06-04 Some of my earliest memories were of my Grandparents telling stories about The Santo Ermitano The Holy Hermit the miracles he performed and the legend he created I could only find a few excerpts of his life on this continent It has been over 150 years since he died I have spent years since my childhood wondering who he was and where he came from Most of his story as I see it has been a fantasy to me The facts of his travels here in the US and the way that he died are documented and based in reality

Bartimaeus, the Blind Beggar of Jericho George V. Sabol,2024-10-02 Bartimaeus is the name of the blind beggar that was cured by Jesus at the gate of Jericho as Jesus traveled to Jerusalem where he was to be crucified a few days later Although the gospels have many accounts of cures by Jesus the cure of Bartimaeus is told in the synoptic gospels of Matthew Mark and Luke Why did the three gospel writers include the same miracle narrative in their gospels and most

interesting why are Bartimaeus and his father Timaeus named in the gospel Could it be that Bartimaeus had a greater role in the early Christian church a role that was known by the apostles but was not disclosed possibly to avoid repercussions from the enemies of the church The question of who Bartimaeus was and what role he played in the early church is the basis of the story Bartimaeus s father Timaeus is a soldier in the palace guard of King Herod the Great at the time of the birth of Jesus Timaeus unknowingly becomes a participant in the slaughter of the baby boys in Bethlehem at the order of Herod After Timaeus discovered that Herod had ordered that tragic slaughter he disappeared as he returned home to his wife and newly born twin boys Bartimaeus and Barariel in Jericho Bartimaeus is raised by his mother in Jericho on the family horse breeding farm Like his father Bartimaeus becomes a soldier for Herod Antipas He is struck blind in a fall from a horse and because of that blindness Bartimaeus is labeled a sinner by his brother in law a fanatic Pharisee Saul who is later to become Paul the apostle During his blindness being rejected by his wife Gamela due to the condemnation of her brother Saul he is cared for by Monica the widow of his twin brother In their mutual grief Bartimaeus and Monica struggle with their love for each other Three years after being blinded Bartimaeus is cured at the gate of Jericho as Jesus passed by on his way to Jerusalem Jesus quickly departed after the cure and Bartimaeus was unable to thank Jesus A few days later Bartimaeus traveled to Jerusalem to find Jesus and to thank him only to discover that Jesus had been crucified With the help of the apostles Bartimaeus learned of Jesus and is a participant in the early events of the apostles in Jerusalem as related in the Acts of the Apostles When Saul is struck blind as he traveled to Damascus to arrest the early Christians Bartimaeus now a follower of Jesus is sent by Peter to determine if the reports of Saul now calling himself Paul and preaching in the synagogue are true Bartimaeus helps Paul escape from Damascus with the help of a man and his sons sneaking Paul out of the house through the streets of Damascus and over the wall in a basket Bartimaeus draws the enemies of Paul away as he flees Damascus in a daring horse escape disguised as Paul The mystery of the disappearance of Timaeus is interwoven in the story and is eventually revealed to Bartimaeus challenging his newfound Christian life The man responsible for his father s death must be forgiven and in so doing Bartimaeus finds the grace to save the life of his adversary The story is one of Bartimaeus s struggle to learn of Jesus and through that conversion to be an agent of good in the lives of others including his brother in law Paul The author has maintained historical and biblical fact where possible while constructing a Christian novel intertwining fictional characters into the gospel narrative of the apostles The author an experienced horse trainer and competitor incorporates horsemanship into the story and horses are key elements in the escape of Paul from Damascus

Maccabee David C. Carson, 2007 The year is 167 BCE The bloodthirsty Syrian king Antiochus IV has reneged on the promise of religious freedom made to the Jews by his forebear Alexander the Great Antiochus sets out to abolish every semblance of Jewish religion and culture replacing it with the revered ways of the Greeks Hundreds are slaughtered in the courts of the temple as they resist the king s desecration of their altar Antiochus changes the face of Jerusalem erecting a gymnasium where the men follow the common Greek practice of exercising nude Many of the young Jewish men betray their heritage by having their circumcisions surgically reversed to hide their distinction as Jews One elderly priest determines it would be better to die than see their nation thus corrupted With his five sons Mattathias ben Hasmoneus launches a guerilla war against the hated Syrians Judas his middle son proves to be the genius in battle and becomes known throughout Judea as the Maccabee the hammer As Judas leads the nation in the struggle for freedom one of his continuing motivations is love for the woman promised him since childhood but who has been caught in the midst of the conflict Only when Jerusalem is delivered from the Syrians can she become his Maccabee draws extensively on the ancient writings of Josephus and the apocryphal works 1 and 2 Maccabees An additional chapter has been placed at the end of Maccabee Author s Historical Notes for those interested in separating the fiction from the actual events

Guyfford of Weare Jeffery Farnol, 1928 In the darkness Sir Richard Guyfford aware that some one is breaking into his house stands rigid and alert A leap a faint cry followed by a fall and light of a candle reveals his victim Lady Helen D Arcy reigning beauty and toast She had come to steal a letter written to Sir Richard Taunting him for being the villain and reprobate that gossip asserted Lady Helen leaves with the letter in her possession The beginning of this delightful and typically Farnolesque novel of England in the early seventeenth hundreds is but a taste of what is to follow There is Cousin Julian who more than deserves Richard s reputation a group of

shady gentlemen in Julian's power an Irish duchess with a French name and many another equally picturesque And there is more much more as Sir Richard is accused of the murder of his double dealing cousin Needless to say the story is a network of intrigue and misunderstandings all of which are handled with Mr Farnol's extraordinarily skillful touch and with a literary charm reminiscent of his many successes

Rembrandt. The Painter Thinking Ernst Wetering, 2025-10-01 Even during the artist's lifetime contemporary art lovers considered Rembrandt van Rijn 1606-1669 to be an exceptional artist In this revelatory sequel to the acclaimed *Rembrandt The Painter at Work* renowned Rembrandt authority Ernst van de Wetering investigates the painter's considerations that determined the striking changes in his development from an early age onwards This gorgeously illustrated book explores how Rembrandt achieved mastery by systematic exploration of the foundations of the art of painting According to written sources from the seventeenth century which were largely misinterpreted until now these foundations were considered essential at that time From his first endeavours in painting Rembrandt embarked on a journey past these foundations thus becoming the pittore famoso whom Count Cosimo the Medici visited at the end of his life Rembrandt never stopped searching for solutions to the pictorial problems that confronted him this led over time to radical changes that cannot simply be attributed to stylistic evolution or natural development In a quest as rigorous and novel as the artist's Van de Wetering reveals how Rembrandt became the revolutionary painter that would continue to fascinate the art world This ground breaking exploration reconstructs Rembrandt's theories and methods shedding new light both on the artist's exceptional accomplishments and on the theory and practice of painting in the Dutch Golden Age
