fate When the war began these opposing temporalities informed how Americans grasped and waged the conflict In this creative history Jason Phillips explains how the expectations of a host of characters generals politicians radicals citizens and slaves affected how people understood the unfolding drama and acted when the future became present He reconsiders the war s origins without looking at sources using hindsight that is without considering what caused the cataclysm and whether it was inevitable As a result Phillips dispels a popular myth that all Americans thought the Civil War would be short and glorious at the outset a ninety day affair full of fun and adventure Much more than rational power games played by elites the war was shaped by uncertainties and emotions and darkened horizons that changed over time Looming Civil War highlights how individuals approached an ominous future with feelings thoughts and perspectives different from our sensibilities and unconnected to our view of their world Civil War Americans had their own prospects to ponder and forge as they discovered who they were and where life would lead them The Civil War changed more than America s future it transformed how Americans imagined the future and how Americans have thought about the future ever since *Mrs. Dred Scott* Lea VanderVelde,2010 In telling the life of Harriet Dred s wife and co litigant in the case this book provides a compensatory history to the generations of work that missed key sources only recently brought to light Moreover it gives insight into the reasons and ways that slaves used the courts to establish their freedom from publisher description **Sexuality and Slavery** Daina Ramey Berry,Leslie Maria Harris,2018-10-01 A Sarah Mills Hodge Fund publication Title page verso

 Colored Troops in the Civil War** James K. Bryant, II, 2014-01-02 During the Civil War African American war correspondent
 Thomas Morris Chester was so inspired by the men of the 36th United States Colored Troops that he declared the group to
 be a model regiment Composed primarily of former slaves recruited from Union occupied areas of eastern North Carolina
 and southeastern Virginia the 36th USCT participated in large scale expeditions to liberate slaves guarded Confederate
 prisoners at major POW camps served in the trenches before Petersburg and Richmond and stood as one of the first units to
 enter the abandoned Confederate capital on April 3 1865 This volume which includes a complete regimental roster explores
 the background of these former slaves and their families examines their initial recruitment and chronicles their military
 contributions throughout the war More than a unit history the story of the 36th USCT offers a vivid portrait of the

 original publication in Portuguese in 2008 this first English translation of Divining Slavery has been extensively revised and
 updated complete with new primary sources and a new bibliography It tells the story of Domingos Sodré an African born
 priest who was enslaved in Bahia Brazil in the nineteenth century After obtaining his freedom Sodré became a slave owner
 himself and in 1862 was arrested on suspicion of receiving stolen goods from slaves in exchange for supposed witchcraft
 Using this incident as a catalyst the book discusses African religion and its place in a slave society analyzing its double role
 as a refuge for blacks as well as a bridge between classes and ethnic groups such as whites who attended African rituals and
 sought help from African diviners and medicine men Ultimately Divining Slavery explores the fluidity and relativity of
 conditions such as slavery and freedom African and local religions personal and collective experience and identities in the
 lives of Africans in the Brazilian diaspora
