

# SONNET 147

My love is as a fever, longing still  
For that which longer nurseth the disease,  
Feeding on that which doth preserve the ill,  
Th' uncertain sickly appetite to please.

My reason, the physician to my love,  
Angry that his prescriptions are not kept,  
Hath left me, and I desperate now approve  
Desire is death, which physic did except.  
Past cure I am, now reason is past care,  
And frantic-mad with evermore unrest  
My thoughts and my discourse as madmen's  
are,

At random from the truth vainly expressed  
For I have sworn thee fair, and thought thee  
bright,

Who art as black as hell, as dark as night

---

WILLIAM SHAKESPEARE
