**Soul Evolutions and the Elemental Connection** Abraham (Spirit), Erica Reppel, 1992 *Australian National Bibliography*, 1993 **The Evolution of the Soul and Other Essays** Thomson Jay Hudson, 1904 *The Evolution of the Soul* Thomson Jay Hudson, 1904 THE EVOLUTION OF THE GOD ILLUSION Ir. Jim K K Wong, 2012-06-16 As one may have read Cicero in *The Nature Of The Gods* ancient people were vivid observers of the sky and the celestial bodies because of their livelihood they were mostly engaged in agriculture and animal husbandry The cycles of nature and seasons were the most important factors affecting farming civilizations The brilliant stars Jupiter Saturn Venus and the zodiac were also objects of great interest These heavenly bodies were regarded as deities even by learned philosophers Cicero and Socrates had a field day demolishing these strongly held prevailing ideas One popular god illusion of the West and Middle East began with patriarch Abraham who was an astronomer from Mesopotamia He studied Jupiter avidly and could predict its behavior which he used it to his advantage in his migration to the Fertile Crescent and in his encounters with hostile inhabitants Abraham had the delusion that Jupiter Yahweh was a deity who could be depended to assist him in troubled times The Yahweh Delusion was passed down from Abraham to son Isaac and grandson Jacob Jacob s 12 sons migrated to Egypt multiplied and eventually became slaves Moses a pariah Egyptian prince became the rebel leader of the Hebrew slaves when he discovered his roots At the opportune moment c 1450 BCE Venus erupted from unstable fast spinning Red Giant Jupiter and shot into the inner solar system like a billiard ball along a highly elliptical orbit It had several close encounters with Earth Moon and Mars and created stunning phenomena or miracles such as the much exaggerated Ten Plagues parting of the Red Sea the rain of manna apparent stopping of the Earth s rotation and even the destruction of the mighty army of Sennacherib near Jerusalem Moses and his successors apparently knew and could predict more or less unusual celestial phenomena and attributed them to a tribal deity Yahweh who was connected with their deliverance and survival Every successful prediction or expectation resulted in augmenting the god illusion The god illusion evolved through stupendous sagas cross fertilized by neighbors and reformers roughly from 1500 BCE to 500 BCE However the Hebrews had a confused idea of this savior deity and its feminine aspects such as the Celestial Cow giving manna milk In the evolutionary process Yahwist patriarchs literally wrote off the influential Goddess and made Yahweh a lone male god of Judaism and Christianity The underlying motive developing this god illusion is Moses and Israel s covetousness of the fertile Holy Land Moses needed a justification to commit genocide to rob loot destroy and drive out people inhabiting the land of milk and honey The justification is a tribal god of Israelites who gives mandate to his chosen race to rob and steal the Promise Land from evil worshippers of false gods The underlying theory for this god illusion evolution hypothesis is based on Immanuel Velikovsky s bestseller of the 1950s *Worlds in Collision* This hypothesis met fierce opposition in academia and Establishment Science The AAAS Symposium 1974 was convened to address the serious challenge Here the author produces abstracts from various

experts in various disciplines of sciences and arts to counter objections to the underlying theory The god illusion presented here is my own interpretation of the psychological impacts and aspects of these astounding celestial phenomena I am using appropriate knowledge in several disciplines to support my thesis such as radiation chemistry upper atmosphere chemistry and behavioral science My training as a stock analyst to read the underlying environment enables me to read in between the lines to speculate and connect the gaps and dots together and present a satisfying version of the god illusion

**Portrait** Luigi Morelli, 2021-07-20 This essay forms a continuation of American historical themes already explored from a phenomenological and symptomatic perspective It is added to the portraits of Franklin Washington Pocahontas Black Elk Martin Luther King and others The book tries to explain why scholars and historians from the 40s to the present consistently rank Lincoln as the best president in American history It seems his success rested on a unique individuality aided by personal connections fortuitous events synchronicities without which the nation would have ceased to be what it once was Lincoln achieved the feat of rescuing the soul of America without weakening its Republican institutions In Lincoln we can surmise an initiate of old His spiritual beliefs went beyond anyone of his time equal or second to Emerson Thoreau and the Transcendentalists alone He wanted no less than to reconnect the nation to its original impulses in fact rededicate it and reconsecrate it This endeavor looks at the best of existing scholarship It assembles all the facets of a personality the frontier man the lawyer the politician the writer the orator the humorist the Commander in Chief and leader the thinker the Christian and spiritual leader until it can bring back to life his indomitable spirit and offer a full portrait **Littell's Living Age**, 1928

*Staying Connected* Rudolf Steiner, 1999 The idea of maintaining continuing and enhancing our relationships with those who have died was a fundamental part of Rudolf Steiner's work This volume collects a rich harvest of Steiner's thoughts on this subject gathered over many years Steiner speaks from his own experiences providing some of the meditation practices and verses that worked for him We learn of the value of reading to the dead of using verbs rather than nouns when talking with them of the importance of the sacred moments while falling asleep and awaking for asking questions and receiving answers of the way our memories of the dead are like art to them and of key moods we must develop community with the world gratitude confidence in the current of life **Roman Faith and Christian Faith** Teresa Jean Morgan, 2015 This study investigates why faith *pistis fides* was so important to early Christians that the concept and praxis dominated the writings of the New Testament It argues that such a study must be interdisciplinary locating emerging Christianities in the social practices and mentalities of contemporary Judaism and the early Roman empire This can therefore equally be read as a study of the operation of *pistis fides* in the world of the early Roman principate taking one small but relatively well attested cult as a case study in how micro societies within that world could treat it distinctively Drawing on recent work in sociology and economics the book traces the varying shapes taken by *pistis fides* in Greek and Roman human and divine human relationships whom or what is represented as easy or difficult to trust or believe in where *pistis fides* is deferred and reified in practices such as oaths and proofs how *pistis fides* is related to fear doubt and scepticism and which foundations of *pistis fides* are treated as more or less secure The book then traces the evolution of representations of human and divine human *pistis* in the Septuagint before turning to *pistis pisteuein* in New Testament writings and their role in the development of early Christologies incorporating a new interpretation of *pistis Christou* and ecclesiologies It argues for the integration of the study of *pistis pisteuein* with that of New Testament ethics It explores the interiority of Graeco Roman and early Christian

pistis fides Finally it discusses eschatological pistis and the shape of the divine human community in the eschatological kingdom     **The Flaming Sword** ,1920     *Conscious Evolution* Barbara Marx Hubbard,2015-01-27 A Seminal Work of Visionary Hope Updated for the 21st Century In this era of government gridlock economic and ecological devastation and seemingly intractable global violence our future is ever more ripe for and in need of fresh creative reimagining With her clear eyed inspiring and sweeping vision of a possible global renaissance in the new millennium Barbara Marx Hubbard shows us that our current crises are not the precursors of an apocalypse but the natural birth pains of an awakened universal humanity This is our finest hour Conscious Evolution highlights the tremendous potential of newfound scientific knowledge technological advances and compassionate spirituality and illustrates the opportunities that each of us has to fully participate in this exciting stage of human history As we do we will bring forth all that is within us and not only save ourselves but evolve our world
