Amanda Martinez Beck, 2022-05-24 Too often fatness has been viewed as a moral failing Fat Christian women in particular are shamed and marginalized by the message that they are failing God because they can t change their bodies More of You will challenge that status quo teaching readers to resist the shame and guilt that is pressed onto them by the world and instead to embrace their bodies take up space and learn to navigate the world in ways that allow them to flourish With wit and candor Amanda Martinez Beck a fat woman herself compiles her hard won wisdom to give the skinny on thriving in a fat body to others who have been pushed to the margins of acceptance Offering helpful tools like The Fat Girl s Bill of Rights and a script for a weight neutral doctor s visit this book addresses real needs in the fat acceptance community from how to find self love in a thin obsessed world to navigating a world built for butts smaller than yours to advocating for equality and justice for fat women s medical care **The Cold Equations & Other Stories** Tom Godwin, 2003 This is a collection of stories

by a master of science fiction adventure with added dimensions of speculation and cold hard realism **Thunder Road and Other Stories** Wayne Kyle Spitzer, 2022-04-29 From Thunder Road I don t know why we stared at that dead pterodactyl chick so long there wasn t anything particularly striking or even gross about it there were no flies for example no maggots just a couple of butterflies one white and the other burnt orange which matched the fading sunlight Maybe it was our nonstop ride all the way from Biggs Junction near the Washington border to Multnomah Falls which was closer to Portland I mean it s a lot of work peddling a BMX bicycle some 70 plus miles even across level terrain Or maybe it was how paper thin the creature s exsanguinous oyster white skin was how almost translucent or the way its little talons weren t really talons at all but little hands like a baby s hands All I remember for certain is how contemplative everyone seemed to get while looking down at it how funereal even elegiac like we were saying goodbye to one of our own All I remember for certain is something akin to holding vigil for a fellow traveler which in a very real sense we were For him the war is over I whispered although I doubt anyone heard me over the crash and roar of the falls I wonder where Mom is Not here that s for sure said Quint There are no nests I followed his gaze into the treetops and beyond to the waterfall itself which dashed and cascaded down the cliffs Weird I mean where the hell could it have come from Maybe it came from up there said Jesse From the very top There s there s a platform up there a wooden observation deck We came here on a field trip once and hiked up to it Be a good place to build a nest real stable And defensible I looked from one end of the concrete bridge Benson Bridge the sign had called it

which was closed off with cyclone fencing to the other Speaking of which this bridge looks pretty defensible don t you think I peered off the way we had come Only one side to protect we can take turns standing watch I mean it may not be the Ritz but what do you say We looked around and then at each other Hell I m in said Quint We can even build a fire and maybe eat something something hot I mean It ll be just like it ll be just like Camp Courage I couldn t help but to notice he d stopped short of saying home and a quick glance at Jesse confirmed he d noticed it too although whether he d done so because his own home life had sucked or because he d understood in that moment that because of the Flashback we d never see home again I don t know Sure why not said Jesse We can heat up that beef stew the one we were saving for Portland We re close enough He shrugged off his pack and spear and laid down his bike And besides it ll lighten my load He dug out the can of Dinty Moore stew and paused looking at it Seems almost wasteful though doesn t it I mean you d like to think you d like to think nothing was born just to lay there and rot you know We all turned to look at the bird Yeah said Quint I mean it s like God laid it out there just for us and here we are wanting to eat something from a can I got off my bike and reached for my pocketknife touched its smooth imitation wood handle We re going to have to learn how to hunt eventually I suppose I mean I already know how to hunt said Quint And to clean and dress a I know how to do that too He held out his hand for my knife which I gave over to him slowly reluctantly And since both you pussies missed man school I guess I ll be the one to have to show you Jesse looked at me and then back to Quint Let me guess Because attributes Because attributes said Quint and got off his bike

**The End of the Dream and Other Stories** John G. Neihardt, 2025-07-21 Originally published at the beginning of the twentieth century the short stories of John G Neihardt deserve to be better known Their flesh and blood Indians were practically unprecedented in an era when the fiends of dime novels and idealizations of Cooper were still the literary norm Owing much to young Neihardt s intimate association with the Omahas at their reservation in eastern Nebraska the stories were of an Indian cast that perplexed the critics They were often overlooked as the years brought laurels to the author of A Cycle of the West and Black Elk Speaks A closer look at them reveals that Neihardt was a disciplined artist from the very beginning The nine stories in this volume appeared from 1901 to 1905 in the Overland Monthly five were collected in The Lonesome Trail in 1907 All of them are informed by Neihardt s experience among Omaha Indians and shaped by the power of his imagination Except for A Prairie Borgia which clearly touches on the notorious Chief Blackbird s relations with traders all are set in the time before contact with white men Love and hate kindness and cruelty hope and despair generosity and envy honesty and guile spiritual impulse and sexual desire operate in this wholly Indian world The End of the Dream The Triumph of Seha and The Smile of God are patterned on vision quests issuing in profound irony The social outcast who figured in Neihardt s Indian Tales and Others 1927 a Bison Book appears again in adventures with a cosmic and sometimes fantastic dimension These stories as well as When the Snows Drift The Beating of the War Drums The Fading of Shadow Flower The Singing of the Frogs and The Spirit of Crow Butte have an inwardness reflected by vivid imagery Their quality led Dr Susan LaFlesche Picotte the daughter of Joseph LaFlesche Iron Eyes last chief of the Omahas to exclaim that Neihardt was the only writer in a long line extending from Cooper to Frederic Remington who possessed a true understanding of Indian character The stories were compiled by Neihardt s daughter Hilda Neihardt Petri In his introduction Jay Fultz discusses their cultural context and artistic integrity
