J.

Sass,2020-10-20 Perfect for fans of Melissa and Ivy Aberdeen s Letter to the World this heartfelt coming of age story introduces a nonbinary athlete navigating a binary world Twelve year old Ana Marie Jin the reigning US Juvenile figure skating champion is not a frilly dress kind of kid So when Ana learns that next season s program will be princess themed doubt forms fast Still Ana tries to focus on training and putting together a stellar routine worthy of national success Once Ana meets Hayden a transgender boy new to the rink thoughts about the princess program and gender identity begin to take center stage And when Hayden mistakes Ana for a boy Ana doesn t correct him and finds comfort in this boyish identity when he s around As their friendship develops Ana realizes that it s tricky juggling two different identities on one slippery sheet of ice And with a major competition approaching Ana must decide whether telling everyone the truth is worth risking years of hard work and sacrifice *Faith and Politics in America* X.M.,Dr X M,2005-05-25

The 2004 election indicated a shift in American politics a return to moral values as the basis for electing our representatives But which party was really more driven by moral values For those who voted Republican this book confirms what we knew all along the election was about moral values and morality won But this was only the first step we really should be analyzing all political issues based on moral principles and selecting our political representatives accordingly For those who voted Democrat we know that our choice was also made based on moral values and we cannot believe how Christians could have voted any differently on many issues This book analyzes each political issue in the context of the Bible and attempts to determine the most Christian position It is apparent that both parties still have a long ways to go to fully adhere to religious teachings but in the end agreeing on moral positions for each issue could bring both parties closer together and allow America to stand united once again The Gospel According to Job Mike Mason,2002-10-03

Anyone who has suffered knows that there is no such thing as getting a grip on oneself or pulling oneself up by the bootstraps The only bootstrap in the Christian life is the Cross says Mason Sometimes laying hold of the cross can be comforting but other times it is like picking up a snake Job knew this firsthand From him we learn that there are no easy answers to suffering That the mark of true faith is not happiness but rather having one s deepest passions be engaged by the enormity of God And through Job we learn the secret of the gospel that mercy is the permission to be human The Lord never gave Job an explanation for all he had been through His only answer was Himself But as Job discovered that was enough The Gospel According to Job sensitively brings the reader to this realization using a devotional commentary format that reminds them that it s all right to doubt to be confused to wonder in short to be completely human But what will heal us and help us endure is a direct transforming encounter with the living God
