Motherway, 2016-03-09 In *The Globalization of Irish Traditional Song Performance* Susan Motherway examines the ways in which performers mediate the divide between local and global markets by negotiating this dichotomy in performance practice In so doing she discusses the globalizing processes that exert transformative influences upon traditional musics and examines the response to these influences by Irish traditional song performers In developing this thesis the book provides an overview of the genre and its subgenres illustrates patterns of musical change extant within the tradition as a result of globalization and acknowledges music as a medium for re negotiating an Irish cultural identity within the global Given Ireland s long history of emigration and colonisation globalization is recognised as both a synchronic and a diachronic phenomenon Motherway thus examines Anglo Irish song and songs of the Irish Diaspora Her analysis reaches beyond essentialist definitions of the tradition to examine evolving sub genres such as Country Irish Celtic and World Music She also recognizes the singing traditions of other ethnic groups on the

Sheeran,1998 Talking to the Dead is an essay on death and its tenacious hold on Irish culture There are few traditions in which funerary motifs have been so ubiquitous in literature popular rituals folk representations public rhetorics even constructions of place There are even fewer cultures in which funerary genres and preoccupations constitute the central thread of continuity The Irish *Theatrum Mortis* is not simply an obsession of writers from the bards to Beckett and Heaney Nor is it confined to contemporary Republican iconography It is to be found in the pages of the local press in acts of ritual resistance to unpopular decisions in the way in which significant public events are narrated and framed Though the funerary Ireland presented here may well yield to the new positive self image of the Celtic Tiger it is the authors contention that at the end of the twentieth century the funerary sign continues to define Irish identity For good and ill it is the centre that holds Dancing at the Crossroads Helena Wulff,2008-10 Dancing at the crossroads used to be an opportunity for young people to meet and enjoy themselves on mild summer evenings in the Irish countryside until this practice was banned by the Public Dance Halls Act of 1935 Now a key metaphor in Irish cultural and political life dancing at the crossroads also crystallizes the argument of this book Irish dance from Riverdance the commercial show to competitive dancing and dance theatre conveys that Ireland is in a crossroads situation Irish dance with a firm base in a distinctly Irish tradition is becoming a permanent part of European modernity While this book highlights the captivating tensions and ties surrounding debates on Irish dance it also aims to extend broader understandings of place mobility and rooted cosmopolitanism **The Anglo-Irish Tradition** James Camlin Beckett,1976 Myth and History in Celtic and Scandinavian Traditions Emily Lyle,2025-10-01 Myth and History in Celtic and Scandinavian Traditions explores the traditions of two fascinating and contiguous cultures in north western Europe History regularly brought these two peoples into contact most prominently with the viking invasion of Ireland In the famous Second Battle of Mag Tuired gods such as Lug Balor and the Dagda participated in the conflict that distinguished this invasion

throughout Ireland in the 12th century There was an invasion of Norman monks to Ireland which began in 1142 twenty five years before the military invasion in 1167 The ecclesiastical colonisation of Ireland meant that a Roman episcopal and diocesan structure replaced the Celtic monastic structure Norman colonisers destroyed Celtic monasteries and replaced them with imported European religious orders Cistercian monasteries in Ireland were required to have French abbots and sometimes these were imposed by force no Irishman was allowed to become a bishop or attain any ecclesiastical high office St Malachy of Armagh betrayed his own Celtic heritage and was a key figure in bringing about the ecclesiastical colonisation of Ireland Monotheism is the mythical container for globalization Humans will fail to return to a sustainable way of living on this planet until the mythological container of monotheism is replaced by new bioregional spiritualities that go beyond both monotheism and polytheism
