Bullmaster Jon Juniper,2012-08-17 On the way conventional Dark Age history and Arthurian legends are turned upside down A bitter loss changes this young shepherd and huntsman into a ruthless and vengeful killer who eliminates the Saxon menace along the southern shores and restores order and prosperity to a wide tract of Britain while always grieving This is the history of a young leader and his use of unusual means to kill and conquer including his massive and terrible Wild White bull Doomsday which he rescued from the Great Forest of the Weald as a young calf and which hunts men and wolves alongside his master The legendary figures of Ambrosius Aurelianus and his son Arturus members of a feckless British aristocracy seemingly impotent in the face of the internal and external threats to the British people fall under his power and he has to contend with the greedy courtesan Gwenhwyfar and the sinister and devious Morgan who becomes his captive and informer Other women help him to succeed as skirmishes and set piece battles rapidly follow each other Bullmaster sees much of southern Britain transformed from a failing post Roman province to a thriving community in which the British people grasp the opportunity to defend themselves which Aelius offers them

The Well-Favoured Man Elizabeth

Willey,2018-11-27 Welcome to Argylle where the ruling family a brilliant flighty civilized and occasionally dangerous clan of nearly immortal warriors and magicians are hoping for a few years of relative peace True their Father Gaston has vanished leaving both throne and family while he pursues some unexplained errand His absence has stretched into years True as well that their powerful Uncle Dewar has also wandered off without leaving a forwarding address and hasn t been heard from for a worrisome length of time It s a bad habit of running off that this family s elders have But now young Prince Gwydion s been

stuck with ruling the Dominion of Argyll and with any luck life can go back to being a satisfactory mixture of intrigue gossip and viniculture periodically enlivened by amateur theatricals and the odd quest or two Yet Gwydion is finding this arrangement uncomfortable Strange things keep turning up A plague of monsters appears out of nowhere attempting to take up residence in the local barns and forests These are trumped by the arrival of a ravenous Great Dragon ancient sorcerous profoundly cunning so big you can see it thirty miles away Meanwhile a mysterious young woman has shown up claiming to be Gwydion's long lost indeed quite unexpected sister And then there are the high tech aliens who say they just want to conduct a legal investigation It's enough Gwydion thinks to make a ruler want to find some nice long errand that'll take him away from his homeland for a spell The Well Favored Man is a courtly complex bloody minded fantasy for those who love Roger Zelazny's Amber Ellen Kushner's Swordpoint and the fantasy adventures of Steven Brust
