

we can think all the while that we
are playing the Supreme Game
and "Make Fate," another of those
what are we here for? games
to enjoy life eternal, solve our
problems we can, give light
peace and joy to our fellow
men, and leave this beautiful
planet a little healthier
than when we were born. Who
knows what other planets will
be visiting and what will
wonder? There will be people
we certainly live more than once
can die — that is the question.
In any case, thank God we are
alive and of the state — not all
eternity
