Yoshi Tsurumi

The Japanese Are Coming A Multinational Interaction Of Firms And Politics:

The Japanese are Coming Yoshi Tsurumi, 1976 Monograph on Japanese economic growth since world war ii describes a period of unprecedented industrial growth necessitating the formation of multinational enterprise and changing the role of Japan in world economic relations includes diagrams references and statistical tables

The Oxford Handbook of International Business Alan M. Rugman, 2003 This handbook synthesises some literature of the last 40 years in 28 chapters The coverage is split into the following areas the history and theory of the multinational enterprise the political and policy environment of international business

Routledge Library Editions: Japan's International Relations Various Authors, 2021-05-28 This set brings together a collection of key works about the International Relations of Japan Written by a range of international experts the titles cover the essential aspects of Japan's postwar relationship to the outside world its changing notion of its role in the international community and its relations with China and the US

American Power, the New World Order and the Japanese Challenge W. Nester, 1992-12-18 This book analyzes US Japan relations amidst the changing nature of power and international relations Chapters explore the relative successes and shortcomings of American liberalism and Japanese Neomercantilism the bilateral trade duels over finance high technology agriculture and other industries and the costs and benefits of foreign investment and military spending The book concludes with suggestions for a systemic and radical overhaul of American policies toward itself the global economy and Japan

Japanese Multinationals Abroad Schon Beechler, Allan Bird, 1999 Brings together research on the spread of Japanese multinational firms around the World The authors examine how Japanese managers adapt management styles and manufacturing processes to workers in other countries

International Human Resource Management in Japanese Firms T. Keeley, 2001-09-25 This book examines possibly the greatest challenge facing Japanese multinationals as they continue to expand their foreign direct investment how to integrate local managers into the management process of overseas subsidiaries as well as in that of the parent companies themselves In the majority of Japanese subsidiaries management control has remained in the hands of Japanese managers at extremely high cost but now Japanese firms are being forced to consider integrating local nationals into the management process of their companies a process which may yield significant competitive advantage

Dynamic and Immobilist Politics in Japan Martin Collick, Aurelia George, James Horne, Daiichi It, Alan Rix, J.A.A. Stockwin, 1988-05-17 Over the past thirty years Japan has shown that it is a highly dynamic society and its economic policy making has often astonished the world Japanese politics however though sometimes showing dynamism are very stable and frequently strangely immobilist In this book six specialists on Japanese politics seek to find out why

Routledge Library Editions: Business and Economics in Asia Various, 2021-07-14 This set examines a vast range of topics covering all experiences of business and economics from across Asia Dealing with early banking systems in China the industrialisation of Korea and Taiwan the evolution of Japanese business practices economic development protectionist policies industrial investment trade tourism and a host of other topics

the books collected here form a vital reference resource across a wide subject area Japanese Subsidiaries in the New Global Economy Paul W. Beamish, Andrew Delios, Shige Makino, 2001-01-01 Since the 1970s there have been many changes in the ways in which Japanese firms have conducted business This volume examines the strategies of Japanese subsidiaries in the new global economy and present a comprehensive picture of Japanese multinational enterprises Leviathans Alfred D. Chandler, Bruce Mazlish, 2005-01-24 A ground breaking 2005 exploration of multinational corporations that differs from other books on the subject by offering the reader a totally global perspective of multinationals without portraying them simply as economic entities Written by experts on various aspects of the history development cultural and social implications of the multinational corporation the book paints a compelling and coherent picture of the way these businesses affect almost all areas of our existence As we might expect the multinational company is shown to play a major role in the globalization that is reshaping so much of our lives **Direct Foreign Investment In Asia's Developing Economies And Structural**

Change In The Asia-Pacific Region Eric D Ramstetter, 2019-03-04 This book aims to produce a monograph evaluating the extent to which direct foreign investment in developing countries is related to structural change in the Asia Pacific region It is useful for economists public policymakers graduates or undergraduates Handbook of Longitudinal Research Methods in Organisation and Business Studies Melanie E. Hassett, Eriikka Paavilainen-Mäntymäki, 2013-01-01 This Handbook is a very timely contribution to organization and business studies Most calls for longitudinal research are made in sections of published work that deal with limitations of the study or suggestions for further research This book places longitudinal research methods at center stage With its practical hands on approach it guides us how to design a longitudinal study in and around organizations whether qualitative or quantitative and how to implement it I warmly recommend this Handbook to ambitious senior and junior researchers It makes the commonly presented excuses for not undertaking longitudinal research completely redundant Rebecca Piekkari Aalto University School of Business in Helsinki Finland This is a very timely book that fills an important gap in the field of research methods So far very little attention has been paid to longitudinal research methods while the usefulness of this type of research has often been discussed in many papers and conferences Insights provided by scholars who have been doing this type of research provide useful guidelines for anyone interested in research methods from senior scholars to young researchers and PhD candidates This volume will serve as an excellent complement to the existing range of books on research methods Pervez Ghauri Kings College London UK This innovative Handbook demonstrates that there is no single best approach to conducting longitudinal studies At their best longitudinal research designs yield rich contextualised multilevel and deep understanding of the studied phenomenon The lack of resources in terms of time funding and people can pose a serious challenge to conducting longitudinal research This book tackles many of these challenges and discusses the role of longitudinal research programmes in overcoming such obstacles This book shows how longitudinal research methods enable the understanding of dynamics mechanisms causalities and interrelationships of

organizational and business concepts in context and in relation to time It discusses the richness and versatility of longitudinal research and offers to students and experienced scholars alike numerous viewpoints reflections and personal accounts about conducting longitudinal research from planning and fieldwork to reporting and managing of research projects

Governing Global Production J. Wilson, 2013-02-04 Northeast Asian steel industries have developed global production networks but by spanning multiple national spaces these networks unite many national economies while belonging exclusively to none Who therefore is in control Jeffrey D Wilson examines how states and firms coordinate their activities to govern global production

Japanese Management R. Haak, M. Pudenko, 2005-11-01 Japanese management is currently considered to be in crisis This book analyzes the degree to which the Japanese management model is changing in order to regain its competitiveness It brings together up to date research on this important topic by a number of the best known American Asian and European scholars of Japanese management A broad variety of management areas such as strategy corporate governance globalization organization finance HRM production innovation organizational learning and retailing is covered

The Integrated Circus M. Patricia Marchak, 1993 In The Integrated Circus Patricia Marchak examines the relationship between the emergence of the New Right and the development of a global marketplace after the Second World War Focusing on the political organization and neo conservative ideologies of the New Right Marchak scrutinizes the connections between technological change the debt and environmental crises mounting Islamic fundamentalism the end of the Cold War and the rise of the Japanese and other Asian Pacific economies and the decline in American hegemony

Institutions and Investments Jun Fu, 2010-06-08 As China continues to be heralded as a rising economic power the need for an understanding of its institutional effects such as investment related policies regulations and laws on foreign direct investment increases as well Institutions and Investments employs interdisciplinary perspectives from economics business law and political science to shed light on the interaction between institutional changes and investment patterns and to form a clear picture of investment behavior as China's legal and regulatory infrastructure has developed over the reform years Organized into three main parts the book first discusses the evolution and nature of China's FDI regulatory framework Part 2 examines the various modes and variant patterns of FDI in China in the reform years Part 3's central task is to demonstrate a systematic link between institutional changes in China's FDI regulatory framework and the changing patterns of FDI In conclusion Jun Fu finds that China has made substantial progress from a command economy to a market system but that it still has a long way to go before it truly attains a transparent and rule based system This book adds new dimensions to the scholarship on China as a growing economic power and will be of particular interest to international economists political scientists and business scholars studying China Jun Fu is Associate Professor in the School of Economics and Management Tsinghua University
