Robert Kugler, Patrick Hartin

The Jesus Legacy:

The Legacy of Jesus John MacArthur, 1986 *Jesus* Anthony Le Donne, 2018-08-02 *Jesus A Beginner's Guide* introduces Jesus the man and his enduring legacy Separating fact from fiction Professor Le Donne places Jesus within the context of first century Judaism and explores the debate about his status as Son of God among the early Christians He then follows his legacy through medieval Europe and compares the various cultural Jesuses in enlightenment and post enlightenment thought

Weyler, 2009 Is it possible to reconcile Jesus the Prince of Peace with religious violence From the Inquisition to the burning of women healers to modern pedophilia scandals spiritual leaders and followers are deeply divided about how to reconcile the teachings of Jesus with the atrocities of church history How did his message get misinterpreted and what relevance does that message have in the 21st century Here critically acclaimed author and social historian Rex Weyler explores the mystery surrounding the historical Jesus whose voice and words have been distorted by centuries of revision By examining the research of international Bible scholars and some 200 ancient sources including the recently discovered Gospels of Thomas and Mary Weyler recreates the life of Jesus and his legacy from the Roman Empire to the present day Combining popular history with modern scholarship *The Jesus Sayings* is a revelatory and highly readable work that entertains inspires and

enlightens **Redescribing Christian Origins** Ronald Dean Cameron, Merrill P. Miller, 2004 These essays challenge the traditional picture of Christian origins Making use of social anthropology they move away from traditional assumptions about the foundations of Christianity to propose that its historical beginnings are best understood as reflexive social experiments

Rescuing God from Christianity Sven E. Erlandson, 2004-09 Erlandson articulates the growing frustration that many people have with Christianity and shows how a church is not needed to create a challenging and life changing new path based on the simple call to love God and love one's neighbor **The 8th Mountain** Bruce Cook, 2017-08-15 Those who spend time with God and His Word and His Spirit and who dwell in His presence and commune with Him and develop a personal relationship with Him become transformed in the process and thus are better informed equipped and empowered to attract steward and exercise influence in the 7 Mountains of Culture Arts Entertainment Business Economy Education Family Government Law Media and Religion That is the basic premise and thesis of this book Moreover I assert that such transformation is not only possible for disciples of Christ but rather it is imperative and essential to successfully fulfill our divine assignments callings and destinies Several places in Scripture such as Micah 4:1 and Isaiah 2:2 mention the mountain of the Lord or the mountain of the house of the Lord that is above all the other mountains and is the chief mountain depending on the particular translation used This phrase refers to the place of God's abode or heaven and for our purposes here I refer to it as the 8th Mountain Mountains in Scripture refer to kingdoms authority rule and dominion The 8th Mountain is calling your name You've read about what awaits you and what lies ahead on this trek to the spiritual summit You can think of this book as your mountaineering school curriculum and training manual for the 8th Mountain to educate train and prepare you for climbing and reaching the summit of the highest peak in the universe It teaches you survival skills how to thrive and be successful how to work as a team how to ascend and descend how to avoid or minimize danger what gear and supplies to take how to monitor changing weather conditions and how to save your life and protect yourself and those around you in the harsh climate adverse conditions and unforgiving environment of the 7 Mountains of Culture Just as Mount Everest is the highest point on earth the 8th Mountain the Mountain of the Lord is the highest point in the universe and is heaven itself The old saying It's lonely at the top doesn't apply here There's no reason to be lonely on the 8th Mountain and lots of reasons to be fulfilled and satisfied full of joy and peace and love and there's a whole community of fellow climbers for you to meet and get to know Some are more experienced than others and are at different levels of skill and knowledge and physical and spiritual conditioning but we're all still learning and growing and are on a journey that will last for a lifetime and an eternity We hope that you will join us and we invite you to do so Jewish-Christian Relations Abel Mordechai Bibliowicz, 2019-03-01 I am in fundamental agreement with Bibliowicz's thesis that the anti-Jewish polemic in the New Testament reflects debates between Jewish and Gentile followers of Jesus not a polemic between Christians and Jews and with the implications which he has drawn for Christian theology May this book find a wide readership among people

An Introduction to the Bible Robert Kugler, Patrick Hartin, 2009-07-08 Many current Bible intro volumes focus more on theories about the biblical text than on the text itself They lack the simplicity that has become increasingly crucial as basic biblical literacy has declined Robert Kugler and Patrick Hartin seek to remedy that problem by turning readers back to the text at hand Their Introduction to the Bible surveys the content of all the biblical books section by section focusing on the Bible's theological themes Who Will Be A Witness Drew G.I. Hart, 2020-09-01 Churches have begun awakening to social and political injustices often carried out in the name of Christianity But once awakened how will we respond Who Will Be a Witness offers a vision for communities of faith to organize for deliverance and justice in their neighborhoods states and nation as an essential part of living out the call of Jesus Author Drew G I Hart provides incisive insights into Scripture and history along with illuminating personal stories to help us identify how the witness of the church has become mangled by Christendom white supremacy and religious nationalism Hart provides a wide range of options for congregations seeking to give witness to Jesus ethic of love for and solidarity with the vulnerable At a time when many feel disillusioned and distressed Hart calls the church to action offering a way forward that is deeply rooted in the life and witness of Jesus Dr Hart's testimony is powerful personal and profound serving as a compass that points the church to the future and offers us a path toward meaningful social change and a more faithful witness to the way of Jesus

Judas Peter Stanford, 2016-01-01 This fascinating biography asks Christians and non believers alike to look anew at Judas revealing the Apostle's cultural significance and impact on world history Fox News Deconstructing the myths and hatred often anti Semitic in nature surrounding the most vilified of Bible characters In this fascinating historical and cultural biography Peter Standford brings to life Judas Iscariot who famously betrayed Jesus with a kiss Beginning with the gospel accounts Stanford explores 2 000 of cultural and theological history to investigate how the very name Judas came to be synonymous with betrayal and ultimately human evil But as Stanford points out there has long been a counter current of thought that suggests that Judas might in fact have been victim of a terrible injustice central to Jesus mission was his death and resurrection and for there to have been a death there had to be a betrayal This thankless

role fell to Judas Should we in fact be grateful to him for his role in the divine drama of salvation You ll have to decide as Bob Dylan sang in the 1960s whether Judas Iscariot had God on his side An essential but doomed character in the Passion narrative and thus the entire story of Christianity Judas and the betrayal he symbolizes continue to play out in much larger cultural histories speaking to our deepest fears about friendship betrayal and the problem of evil A satisfying left field approach to the entire history of Christianity The Sunday Telegraph **Bread Enough for All** Peter M. Wallace,2020-09-17 For the 75th anniversary of The Protestant Hour and Day1 ministry host Peter Wallace has gathered dozens of inspiring excerpts from the most powerful sermons Some of the most effective preachers of the twentieth and twenty first centuries are featured representing the historic mainline Protestant churches and a diverse variety of voices Diana Butler Bass Michael Curry Walter Brueggemann Barbara Brown Taylor Juan Carlos Huertas and many more offer their perspectives on topics such as peace justice prayer love and community Clergy and parishioners from across the theological spectrum will appreciate the scope and accessibility of this curated collection This book is a superb companion for personal meditation and devotion or thoughtful gift giving for weddings birthdays sympathy and other life occasions Questions for discussion and meditation are included with each topic making this inspirational collection ideal for use by small groups or for personal study **Smoke and Mirrors** Assistant Professor of Early Christianity Department of Religion and Culture Shaily Shashikant Patel,Shaily Shashikant Patel,2025-10-10 Smoke Mirrors Discourses of Magic in Early Petrine Traditions explores how magic disappears and miracle emerges in a series of four texts featuring the apostle Peter and the impact this shift had in forging key facets of Christianity like Jesus identity apostolic authority community norms and Christian orthodoxy *In Remembrance of Christ* Professor Samuel C. Obi,2017-09-20 In Remembrance of Christ challenges Christians to live sacrificially in view of who Christ is and what He meant when He adjourned His disciples to do this in remembrance of Me Such attitudinal understanding will help Christians to live a more overcoming life especially in the areas of obedience forgiveness sacrifice and holiness Remembering a person helps us to relate to and reflect on the persons beliefs philosophies legacies contributions and achievements in life It also helps us to aspire to live up to those values the individual believed in during his or her lifetime This book will also direct our attention to other ramifications of Christs death the importance of His blood divine healing feeding His sheep proclaiming His death etc Chapter 1 introduces readers to the general world of remembrances highlighting key historical world and American personalities landmarks and memorials and showing how Jesus legacy is the only one that has eternal and all inclusive values in comparison Chapter 2 discusses divine healing aspect of Jesus passion from the perspective of it being one of the key benefits of Gods children when we remember Him as He commanded Chapter 3 discusses the subject of sacrificial forgiveness as a practice Christians should engage in from two key perspectives forgiveness as God gave it to mankind and forgiveness as we must give it to our neighbors Chapter 4 delves into the subject of loving Jesus more than these as addressed to Peter in John chapter 21 The topic of feeding Gods sheep is

discussed in chapter 5 Chapter 6 is designed to show readers that there are other areas of life in which we can remember Jesus as living sacrifices Chapter 7 is designed for all persons who desire to receive Christ as their Lord and Savior **The Rise of Normative Christianity** Arland J. Hultgren, 2004-07-05 More than fifty years ago Walter Bauer's *Orthodoxy and Heresy in Earliest Christianity* undercut the traditional views on the making of orthodox Christianity by arguing that in several geographic areas heresy preceded orthodoxy Subsequently the ancient documents discovered at Nag Hammadi proved that early Christianity was tremendously diverse These influences have given rise to the notion that the various gnostic interpretations are mere alternatives to more traditional interpretations of Jesus and his significance Using a focused but broad definition of normative Christianity Hultgren contends that such a tradition originated at the very beginnings of the Christian movements developed and came to dominate as the most adequate expression of Jesus' legacy Normative Christianity a stream as wide as the New Testament canon forged a coherence between confession of faith and community ethos that could endure and was the basis for later orthodoxy *The Crucifixion, Book 2* David Birnbaum, 2015-02-02
