The Jewish Peril Sergi[e]ĩ Nilus,2009 REPRINT Originally published in 1920 by Eyre Spottiswoode Paperback 95 p The Protocols of the Elders of Zion is a tract alleging a Jewish and Masonic plot to achieve world domination Purportedly written by a secret group of Jews known as the Elders of Zion the document underlies 24 protocols that are supposedly followed by the Jewish people The Protocols has been proven to be a forgery The forgery contains numerous elements typical of what is known in literature as a False Document a document that is deliberately written to fool the reader into believing that what is written is truthful and accurate even though in actuality it is not It is also one of the best known and most discussed examples of literary forgery with analysis and proof of its fraudulent origin going as far back as 1921 The forgery is also an early example of Conspiracy Theory literature Written in the first person singular the text embodies generalizations truisms and platitudes on how to take over the world take control of the media and the financial institutions change the traditional social order etc It does not contain specifics

have an antisemitic tradition of its own Although influences of Western antisemitism reached the country in the late 19th century it was only during Japan s participation in the Siberian Intervention of 1918 22 that the Protocols of the Elders of Zion made their way to Japan The dissemination of this work promoted conspiracy and scapegoating antisemitism in the country In 1920 21 several Japanese translations of the Protocols appeared and the topics of Jewish omnipotence and the Jewish peril Yudayaka in Japanese became widespread in the mass media and in literature One of the themes discussed was the Jewish character of the Bolshevik Revolution Discusses writings by Eiju Oniwa Tsuyanoke Higuchi aka Baiseiki Kitagami Seika Ariga Minetaro Yamanaka Tokio Imai etc as well as the writings of those who criticized the conception of the Jewish world conspiracy and rejected the Yudayaka and the veracity of the Protocols Sakuzo Yoshino Tokusaburo Hatta Kametaro Mitsukawa Masao Kinoshita and others In 1929 a roundtable on the Jewish problem was organized by the magazine Heibon

Intelligentsia and Revolution Jane Burbank,1989-01-12 Over the five years following the Russian revolution of 1917 there occurred a brilliant outburst of theory and criticism among Russian intellectuals struggling to comprehend their

country's vast social upheaval. Much of their intense speculation focused on issues that are still hotly debated. Was this socialism? Why had the revolution happened in Russia? What did Bolshevik power mean for Russia and the Western world? This compelling study recovers these early responses to 1917 and analyzes the specific ideological context out of which they emerged. Jane Burbank explores the ideas and experiences of diverse prominent intellectuals ranging from the monarchists on the right to the Mensheviks, Socialist revolutionaries and Anarchists on the left. Following these thinkers through the turbulent years of civil war and rebuilding of state power, Burbank shows how revolution both revitalized their political culture and exposed the fragile basis of its existence.

Os Protocolos dos Sábios de Sião, 2023-11-02. Os Protocolos dos Sábios de Sião descreve um projeto de conspiração por parte dos judeus e maçons de modo a atingirem a dominação mundial através da destruição do mundo ocidental. Os Protocolos dos Sábios de Sião é um texto antissemita que tem suscitado controvérsias e debates desde sua aparição no início do século XX. O texto que detalha um plano global de dominação judaica tem sido amplamente desacreditado como uma fraude e uma obra de ficção. Apesar disso, sua influência perdura, continuando a ser uma fonte de antissemitismo e teorias da conspiração. A origem dos Protocolos é obscura, mas eles apareceram pela primeira vez na Rússia no início do século XX e foram posteriormente traduzidos para várias línguas. Alegadamente, os Protocolos descrevem uma conspiração secreta judaica para controlar o mundo manipulando governos, economias e mídia para servir seus próprios interesses. No entanto, muitas investigações demonstraram que o texto é uma falsificação contendo elementos plagiados de outras fontes, incluindo obras de ficção. Publicamos os protocolos dos Sábios de Sião para que o público o conheça e reconheça como uma obra falsa e consiga assim repudiar o ódio discriminatório e preconceito que eles possam inspirar. O texto em português foi organizado e traduzido por Gustavo Barroso, um advogado, professor político, folclorista e romancista brasileiro. Membro da Academia Brasileira de Letras, considerado o mais antissemita intelectual brasileiro, cujas ideias se aproximavam das dos teóricos nazistas.

As Conspirações em Torno de Hitler - O Terceiro Reich e a Imaginação Paranoica Richard J. Evans, 2021-05-01. As teorias da conspiração em torno de Adolf Hitler e dos nazistas num livro de História fundamental para a era pós-verdade. A ideia de que nada na história acontece por acaso, de que nada exatamente o que parece, primeira vista, de que tudo o que acontece resulta dos conluíus secretos de grupos de pessoas mal-volos que tudo manipulam dos bastidores, tão antiga como a própria história. Mas na opinião de muitos, as teorias da conspiração parecem estar a tornar-se mais populares e a ganhar terreno no século XXI, impulsionadas pela expansão da Internet e das redes sociais ao mesmo tempo que se assiste ao declínio da influência dos tradicionais guardiões da opinião, como editores de jornais e de livros, e encorajadas pela cada vez maior incerteza em torno da verdade e da falsidade associada ao perverso conceito de factos alternativos. Em *As Conspirações em Torno de Hitler*, o

conceituado historiador Richard Evans pega em cinco alegas amplamente discutidas que envolvem Hitler e os nazis e submete as ao escrutínio forense que os judeus estavam a conspirar para minar a civilização conforme descrito em Os Protocolos dos Sabios de Sião que o exército alemão foi apunhalado pelas costas por socialistas e judeus em 1918 que os nazis incendiaram o Reichstag para tomar o poder que a fuga de Rudolf Hess para o Reino Unido em 1941 foi sancionada por Hitler e transmitiu os termos de paz suprimidos por Churchill e que Hitler escapou do bunker em 1945 e fugiu para a América do Sul Nesta análise o autor revela algumas das mais surpreendentes características que estas e outras teorias da conspiração têm em comum

Defectors Paola Ramos, 2024-09-24 AN NPR BEST BOOK OF 2024 An award winning journalist's exploration of how race identity and political trauma have influenced the rise in far right sentiment among Latinos and how this group can shape American politics A deeply reported surprisingly personal exploration of a phenomenon that is little understood in our politics the affiliation of Latino voters with causes and candidates that would seem at first glance unwelcoming to them Rachel Maddow Democrats have historically assumed they can rely on the Latino vote but recent elections have called that loyalty into question In fact despite his vociferous anti immigrant rhetoric and disastrous border policies Trump won a higher percentage of the Latino vote in 2020 than he did in 2016 Now journalist Paola Ramos pulls back the curtain on these voters traveling around the country to uncover what motivates them to vote for and support issues that seem so at odds with their self interest From coast to coast cities to rural towns Defectors introduces readers to underdog GOP candidates January 6th insurrectionists Evangelical pastors and culture war crusaders aiming to identify the influences at the heart of this rightward shift Through their stories Ramos shows how tribalism traditionalism and political trauma within the Latino community has been weaponized to radicalize and convert voters who like many of their white counterparts are fearful of losing their place in American society We meet Monica de la Cruz a Republican congresswoman from the Rio Grande Valley who won on a platform centered on finishing what Donald Trump started and pushing the Great Replacement Theory David Ortiz a Mexican man who refers to himself as a Spaniard and opposed the removal of a statue of a Spanish conquistador in New Mexico Luis Cabrera an evangelical pastor pushing to Make America Godly Again Anthony Aguerro an independent journalist turned border vigilante and countless other individuals and communities that make up the rising conservative Latino population Cross cultural and assiduously reported Defectors highlights how one of America's most powerful and misunderstood electorates may come to define the future of American politics

Judaism Tzvi Novick, 2025-02-27 An innovative introduction to Judaism and the Jewish people for Christian readers In this fascinating and highly original book Tzvi Novick introduces readers to foundational features of Jewish theology by explaining its similarities to and differences from Christian theology Novick also leads readers through the major milestones of Christian teaching about Jews and Judaism devoting particular attention to contemporary teachings and unsettled questions Each chapter includes helpful recommendations for further reading as well as detailed discussion questions making the book an

outstanding resource for teaching In the introduction Novick eloquently conveys why a book like this is needed If Christians take themselves to have in some sense a common destiny with the Jewish people then they should understand who these fellow travelers are If the Church is committed to the notion that God s covenant with the Jewish people endures then Jewish responses to God can in principle be an important source of theological insight for Christians themselves This is a beautifully written book that contributes richly to interfaith dialogue and understanding
