

The Holocaust Impact on Jewish Theology

Topic: Religion | Words: 1703 | Pages: 6

Introduction

The Holocaust was the most massive extermination of Jews in the nation's history. It resulted in the extermination of over 6 million Jews, and destroyed or displaced much of the Jewish population in Europe (Heuman et al. 4). Such a major event in a people's history had a tremendous effect on its theology. Rabbis and other religious leaders had to explain the horrible events that have transpired, through the lens of religion, in order to have the faithful draw lessons from it, find meaning in the terrible sacrifices that were made, and, eventually, move on. At the same time, the theological opinion on the matter split, with some parties viewing it as a punishment for past and present sins, while others denied the connection between the Divine and large-scale human cruelty. The purpose of this paper is to evaluate the four major viewpoints that have been developed because of the Holocaust.

Holocaust and Amalek

A prominent view on the Holocaust in the Jewish theology is derived from the Hebrew Bible. It connects the image of Hitler to that of Amalek, and his actions – to the punishment bestowed by God for their ancient failure to completely destroy those who lived in Canaan (Heuman et al. 119). The ancient task that God instructed the Israelites with was to obliterate Amalekites from beneath the heavens (Heuman et al. 120). It was a genocidal objective in its own right, one that the Israelites have failed to accomplish, as the king of Amalek, named Agag, survived the purge.

The Jewish Quest Essays On Basic Concepts Of Jewish Theology:

The Jewish Quest Jacob Bernard Agus,1983 **Jewish Bible Theology** Isaac Kalimi,2012-01-01 This volume the first of its sort takes issue with scholars who believe that the terms biblical theology and Jews contradict rather than approximate each other Without saying so they automatically confirm Otto Procksch s assertion that alle Theologie ist Christologie In recent decades however there is increasing interest in earlier and current Jewish biblical theologies A new generation of Jewish scholars demonstrate great interest in and actively engage in Hebrew Bible theology They strive to make Jewish biblical theology a legitimate subdiscipline of biblical studies and develop it separately and independently from the Christian theology Also many Christian scholars are interested in understanding the Hebrew Bible Old Testament and its various themes from Jewish theological perspectives Thus in response to continual interest from all sides Isaac Kalimi presents this volume for the benefit of all Jewish Bible Theology comprises a number of essays that raise substantial methodological and historical questions while others focus on particular topics from the Torah Prophets and Writings Altogether they reflect fresh and current thinking on important issues in Jewish religious and intellectual world views **An Introduction to**

Modern Jewish Philosophy Norbert M. Samuelson,2012-02-01 The book is divided into three sections The first provides a general historical overview for the Jewish thought that follows The second summarizes the variety of basic kinds of popular positive Jewish commitment in the twentieth century The third and major section summarizes the basic thought of those modern Jewish philosophers whose thought is technically the best and or the most influential in Jewish intellectual circles The Jewish philosophers covered include Spinoza Mendelssohn Hermann Cohen Martin Buber Franz Rosenzweig Mordecai Kaplan and Emil Fackenheim The text includes summaries and a selected bibliography of primary and secondary sources

A Psychoanalytic History of the Jews Avner Falk,1996 This includes the evolution of the Hebrew religion as a projective response to the inner conflicts produced by the human family the sociopsychological development of the Israelite kingdoms in Canaan the fascinating duality of Jewish life in the Diaspora and the emotional ties of the Jews to their idealized motherland from the Babylonian exile to modern political Zionism **The Basic Beliefs of Judaism** Lawrence J. Epstein,2013-08-22 One of the oldest monotheistic religions known to humankind Judaism has withstood the tests of time So what exactly are the tenets of this ancient faith that have been passed down over the millennia and how do they apply to our lives in the 21st century The Basic Beliefs of Judaism gives an updated overview of the belief system on which the Jewish faith is based Epstein takes a contemporary point of view looking at how the basic beliefs of Judaism fit into the lives of modern Jews He does this with an eye toward helping the reader form his her own understanding of Judaism The book touches upon beliefs relating to creation God and the cosmos as well as beliefs relating to day to day issues of family relations social interactions and ethics Epstein draws from the Torah the Talmud Jewish folklore and Jewish history to give the reader an understanding of how these beliefs were formed and have continued to evolve **Conservative Judaism in**

America Pamela S. Nadell, Marc Raphael, 1988-09-16 Pamela Nadell's biographical dictionary and sourcebook is a landmark contribution to American Jewish and religious history. For the first time a great American Jewish religious movement is portrayed with amplitude, authority and personality. In the most revolutionary era in two millennia of Jewish history this surely is an important volume. Moses Rischin, Professor of History, San Francisco State University. *Conservative Judaism in America: A Biographical Dictionary and Sourcebook* is the first extensive effort to document the lives and careers of the most important leaders in Conservatism's first century and to provide a brief history of the movement and its central institutions. It includes essays on the history of the movement and on the evolution of its major institutions: The Jewish Theological Seminary of America, The Rabbinical Assembly and The United Synagogue of America. It also contains 135 biographical entries on the leading figures of Conservative Judaism, appendices and a complete bibliography on sources of study.

The Essential Agus Steven T. Katz, 1997-03-01 Rabbi Jacob Agus (1911-1986) intellectual production spanned nearly a half century and covered an enormous historical and conceptual range from the biblical to the modern era. Best known as an important Jewish scholar, he also held important rabbinic teaching and public positions. Although born and raised within an orthodox setting, Agus was strongly influenced by American liberalism and his work displayed modernizing sympathies, reservations about nationalism, including some forms of Zionism, and often severe criticisms of kabbalah. Agus crafted a unique, quite American modernizing vision that ardently sought to remain in touch with the wellsprings of the rabbinic tradition while remaining open to the intellectual and moral currents of his own time. *The Essential Agus* brings together a sampling of Agus' most important published and unpublished material in one easily accessible volume. It will be an invaluable resource for students and researchers seeking to experience Agus' intellectual legacy.

American Rabbi Steven T. Katz, 1997-03-01 *American Rabbi* provides a comprehensive and insightful assessment of Rabbi Jacob Agus standing as a notable Jewish thinker. The volume brings together original writings by a range of distinguished contributors to consider the main aspects of Agus' life and work in detail and to flesh out the broad and repercussive themes of his corpus. Taken as a whole, they present a broad and substantial picture of a remarkable American Rabbi and scholar, illuminating Agus' commitment to Jewish people everywhere, his profound and unwavering spirituality, his continual reminders of the very real dangers of pseudo-messianism and misplaced romantic zeal, and his willingness to take politically and religiously unpopular stands. Formulated as a companion volume to *The Essential Agus*, which presents selections of Agus' own writings, the contributors' analyses are based on specific selections of Agus' work which appear in *The Essential Agus*. Though each volume stands on its own, they are closely interconnected and readers will benefit from consulting both works.

Conservative Judaism Elliot N. Dorff, 1977

Africa's Social and Religious Quest Randee Ijatuyi-Morphé, 2014-01-30 This well-crafted book probes the key dimensions of Africa's existential predicament. It constitutes an intellectual response to a gnawing African situation, the starting point for grasping Africa's social and religious quest. Beyond split explanations of external versus internal factors, e.g.

colonization slavery vs leadership cultural values this study accounts more comprehensively for emergent issues shaping this situation The situation reflects a gamut of problems in traditional African religion and material culture which hitherto defines African communality politics and destinies vis vis the cosmos and nature Thus African religion and communities each with its own attendant values do not operate by critical engagement with larger issues of society and civilization especially those shaped by the advent of post modernity Rather they operate via adaptation The communal drive for natural and social harmony inevitably produces a preservationist view of culture leaving things as they are This study takes an integrative approach to religion society and civilization eschews dichotomies and broadly defines and re signifies life and wholeness as a true end of Africans quest today *The People and the People of God* Hans Ucko,2002 The Jewish Christian dialogue continues to be a challenge for Christian theology calling for a rethinking of Christian hermeneutics Hans Ucko widens the arena for Jewish Christian dialogue and proposes a constructive interaction between contextual theologies and Jewish Christian dialogue Minjung theology from South Korea and Dalit theology from India have creatively worked with the concepts people peoplehood and People of God The Jewish Christian dialogue has likewise delved into the question of People of God An encounter between these two worlds might be mutually enriching and challenging Reappraisals and New Studies of the Modern Jewish Experience Brian Smollett,Christian Wiese,2014-10-30 Reappraisals and New Studies of the Modern Jewish Experience brings together twenty scholars of Modern Jewish history and thought The essays provide a fresh perspective on several central questions in Jewish intellectual social and religious history from the eighteenth century to the present in the contexts of Russia Western and Central Europe and the Americas *The Emergence of Jewish Theology in America* Robert G. Goldy,1990-02-22 In *The Emergence of Jewish Theology in America* Robert G Goldy traces the birth and development of American Jewish theology from the Second World War to the present taking into account its social historical and intellectual roots and its revolutionary impact on the rabbinate and the Jewish intellectual community Affected by the horrors of war many third generation American Jews became dissatisfied with Jewish liberal thought and sought an American Jewish theology that would be radical existentialist and neo Orthodox **Resisting Reagan** Christian Smith,2010-07-15 A comprehensive analysis of the U S Central America peace movement *Resisting Reagan* explains why more than one hundred thousand U S citizens marched in the streets illegally housed refugees traveled to Central American war zones committed civil disobedience and hounded their political representatives to contest the Reagan administration s policy of sponsoring wars in Nicaragua and El Salvador Focusing on the movement s three most important national campaigns Witness for Peace Sanctuary and the Pledge of Resistance this book demonstrates the centrality of morality as a political motivator highlights the importance of political opportunities in movement outcomes and examines the social structuring of insurgent consciousness Based on extensive surveys interviews and research *Resisting Reagan* makes significant contributions to our understanding of the formation of individual activist identities of national movement dynamics and of religious resources for

political activism **American Jewish History** ,1984 **Jewish Law Association Studies** ,1998 Vols 1 consist of proceedings of the 1st International Congress of the Jewish Law Association *Judaism and Civil Religion* Daniel S. Breslauer,1993 To find more information about Rowman Littlefield titles please visit us at www.rowmanlittlefield.com A *Social History of Christian Origins* Simon J. Joseph,2022-12-30 A Social History of Christian Origins explores how the theme of the Jewish rejection of Jesus embedded in Paul's letters and the New Testament Gospels represents the ethnic social cultural and theological conflicts that facilitated the construction of Christian identity Readers of this book will gain a thorough understanding of how a central theme of early Christianity the Jewish rejection of Jesus facilitated the emergence of Christian anti Judaism as well as the complex and multi faceted representations of Jesus in the Gospels of the New Testament This study systematically analyzes the theme of social rejection in the Jesus tradition by surveying its historical and chronological development Employing the social psychological study of social rejection social identity theory and social memory theory Joseph sheds new light on the inter relationships between myth history and memory in the study of Christian origins and the contemporary re construction of the historical Jesus A Social History of Christian Origins is primarily intended for academic specialists and students in ancient history biblical studies New Testament studies Religious Studies Classics as well as the general reader interested in the beginnings of Christianity **The Great Reversal** Allen Verhey,1984 Christians today are called to discern the shape and style of a life worthy of the gospel of Christ Even in the face of changing situations and new moral problems to address the contemporary church stands self consciously in a tradition of which the New Testament is a normative part In this major study of New Testament ethics Verhey examines the ethic of Jesus for it is there that the New Testament tradition begins He then analyzes the different forms in which the early church handed down the memory of Jesus's words and deeds in the development of a moral tradition Next he deals with that tradition as it came to canonical expression in the New Testament writings In the last part of the book Verhey focuses on the use of the New Testament in the continuing moral tradition of the church surveying proposals for the use of Scripture identifying the critical methodological questions and defending a modest proposal for the use of Scripture Copyright Libri GmbH All rights reserved

Women, Birth, and Death in Jewish Law and Practice Rochelle L. Millen,2004 A sensitive exploration of the development of pivotal life cycle rituals as they touch Jewish women's lives
