The Journal Of William Charles Macready 1832 1851:

The Journal of William Charles Macready, 1832-1851 J. C. Trewin, 2009-06-30 Besides being a great actor and the friend and associate of Dickens Bulwer Lytton Browning and most of the principal figures in the drama and literature of his time William Charles Macready 1793 1873 was a compulsive diarist His journal of twenty one years during most of which he was at the head of the English stage is a candid and absorbing self revelation *The journal of William Charles Macready, 1832-1851, abridged and ed* William Charles Macready, **The Journal of William Charles Macready, 1832-1851.**

Abridged and Edited by J.C. Trewin. [With Plates, Including Portraits.]. William Charles MACREADY, 1967 The Journal of William Charles Macready, 1832-1851. Abridged and Ed. by J.C. Trewin William Charles Macready, 1967 **The Drama of the American Short Story, 1800-1865** Michael J. Collins, 2016-10-20 A new history of the origins of the American short story and its relationship to theatrical performance culture **Lives of Shakespearian Actors, Part III, Volume 1** Gail Marshall, Tetsuo Kishi, Richard Foulkes, Julia Swindells, Robert Sawyer, David Francis Taylor, 2024-05-17 Features actors who were significant in their development of new and innovative ways of performing Shakespeare This title contains extracts from diaries memoirs private letters and obituaries that present a contemporary account of their acting achievements and personal lives **Macready, Booth, Terry, Irving** Richard Schoch, 2014-03-27 A comprehensive critical analysis of the most important Shakespearean critics editors actors and directors This volume focuses on Shakespeare s reception by figures in Victorian theatre *The Metropolitan Police and the British Film Industry, 1919-1956* Alex Rock, 2023-06-15 This groundbreaking book investigates the murky relationship between the Metropolitan Police Press Bureau and the British film industry shedding new light on police media relations Beginning with the culture of suppression during the interwar period when retired police inspectors were threatened with loss of pension should they become involved with the film industry the relationship shifted when a forgotten pioneer of public relations Percy Fearnley was appointed to the role of Metropolitan Police Public Information Officer in 1945 Fearnley was the first ever journalist to take up this role and through him the Metropolitan Police embarked on a series of collaborations with the highest echelons of postwar British cinema including J Arthur Rank Ealing Studios and Gainsborough Studios Using newly declassified internal Metropolitan Police and Home Office correspondence Alexander Charles Rock tells the story of the Metropolitan Police s project to manipulate the British film industry into producing propaganda under the guise of mainstream entertainment cinema In doing so he offers a radical re reading of the context of production of a number of canonical British films such as *The Blue Lamp* 1950 *I Believe In You* 1952 and *Street Corner* 1953 The Regions of Sara Coleridge's Thought P. Swaab, 2012-01-30 This book explores Sara Coleridge s critical intelligence and theoretical reach It shows her in various critical guises editing works by her father Samuel Taylor Coleridge commenting on her own poetry and prose and writing diversely brilliant criticism of classical and English literature **After Dickens** John Glavin, 1999-02-11 After Dickens is both a performative

reading of Dickens the novelist and an exploration of the potential for adaptive performance of the novels themselves John Glavin conducts a historical inquiry into Dickens's relationship to the theatre and theatricality of his own time and uncovers a much more ambivalent often hostile relationship than has hitherto been noticed In this context Dickens's novels can be seen as a form of counter performance one which would allow the author to perform without being seen or scrutinized But Glavin also identifies a rich performative potential in Dickens's fiction and describes new ways to stage that fiction in emotionally powerful critically acute adaptations The book as a whole therefore offers a reading of Dickens through an unusual alliance between literary criticism and theatrical performance

The History of World Theater Felicia Hardison Londré, Margot Berthold, 1999-01-01 Felicia Londré explores the world of theater as diverse as the Entertainments of the Stuart court and Arthur Miller directing Chinese actors at the Beijing People's Art Theater in *Death of a Salesman* Londré examines Restoration comedies the Comedie Francais Italian opera seria plays of the Sturm und Grand movement Russian French and Spanish Romantic dramas American minstrel shows Brecht and dialectical theater Dighilev Dada Expressionism Theater of the Absurd productions and other forms of experimental theater of the late 20th century

The Operatic State Ruth Bereson, 2003-09-02 The Operatic State examines the cultural financial and political investments that have gone into the maintenance of opera and opera houses in Europe the USA and Australia It analyses opera's nearly immutable form throughout wars revolutions and vast social changes throughout the world Bereson argues that by legitimising the power of the state through universally recognised ceremonial ritual opera enjoys a privileged status across three continents often to the detriment of popular and indigenous art forms

Edinburgh Companion to Charles Dickens and the Arts Claire Wood, Juliet John, 2024-05-31 The Edinburgh Companion to Charles Dickens and the Arts explores Dickens's rich and complex relationships with a myriad of art forms and the far reaching resonance of his works across the arts overall This volume reassesses Dickens's prescient philosophy of art both through a historical and a present day lens and in the context of debates about the cultural value of the arts Across thirty three original essays it outlines the ways in which Dickens broke down oppositions between high and low art money and the aesthetic the extraordinary and the ordinary and art for its own sake and the social good In doing so it considers how Dickens prefigured the arts of the future including rap music television fanfiction and global cinema

Hamlet and the Visual Arts, 1709-1900 Alan R. Young, 2002 This book examines the manner in which Shakespeare's *Hamlet* was perceived in the eighteenth and nineteenth centuries and represented in the available visual media The more than 2 000 visual images of *Hamlet* that the author has identified both reflected the critical reception of the play and simultaneously influenced the history of the ever changing constructed cultural phenomenon that we refer to as Shakespeare The visual material considered in this study offers a unique perspective that complements biographical critical and theater history studies by showing how a broad spectrum of the literate and not so literate absorbed and responded to Shakespeare's works not necessarily in academic libraries or at play performances but in their homes when

browsing in print shops when reading in coffee houses or a far rarer experience when visiting an art gallery or exhibition

William Hazlitt Duncan Wu, 2010-11-11 Romanticism is where the modern age begins and Hazlitt was its most articulate spokesman No one else had the ability to see it whole no one else knew so many of its politicians poets and philosophers By interpreting it for his contemporaries he speaks to us of ourselves of the culture and world we now inhabit Perhaps the most important development of his time the creation of a mass media is one that now dominates our lives Hazlitt's livelihood was dependent on it As the biography argues he took political sketch writing to a new level invented sports commentary as we know it and created the essay form as practised by Clive James Gore Vidal and Michael Foot Duncan Wu's profile of one of the greatest journalists in the language draws on over a decade of archival research in libraries across Britain and North America to reveal for the first time such matters as why Godwin broke with Hazlitt how Hazlitt came to know Sir John Soane and J M W Turner the true nature of Hazlitt's dealings with Thomas Medwin and what the likes of Joseph Farington and Sir Thomas Lawrence thought of him In addition it sheds new light on Hazlitt's dealings with such figures as Francis Jeffrey Robert Stodart John M Creery Henry Crabb Robinson Joseph Parkes John Cam Hobhouse and Stendhal It benefits also from Wu's New Writings of William Hazlitt many of which make their appearance here illuminating hitherto obscure passages of Hazlitt's life

The Portable Theater Alan Louis Ackerman, 2002 In *The Portable Theater* Alan Ackerman investigates the crucial importance of theater in the works of Walt Whitman Herman Melville William Dean Howells Louisa May Alcott and Henry James Whether as drama critics playwrights amateur actors or simply as avid theatergoers each of these authors thought deeply about the theater and represented it in literature

King Henry V William Shakespeare, 2002-06-27 This is the first stage history of Shakespeare's *King Henry V* to cover the play's theatrical life since its first performance in 1599 Staging this play has always been a political act and the substantial introduction traces its theatrical interventions into conflicts from the Napoleonic Wars to Vietnam and the Falklands crisis offering a complete account of the play's fortunes from its absence in the seventeenth century to its dominant position as historical spectacle in the Victorian period through twentieth century productions which include the popular films by Olivier and Branagh Together they raise vital interpretative questions is *Henry V* an epic of English nationalism a knowing and cynical piece of power politics or an anti-war manifesto The volume also includes the play text illustrations and detailed footnotes about major performances

Still Shakespeare and the Photography of Performance Sally Barnden, 2020 Examines both theatrical and staged art photographs demonstrating their role in fixing and unfixing Shakespearean authority

Manly Arts David A Gerstner, 2006-03-06 Examines the anxieties of class and race and the conflicts between New and Old Worlds that attend the elevation of masculinity as a defining characteristic of early American cinema and visual culture
